## **Black Hills Treasures:**

The Lost Treasures Of The Black Hills Peter Netzel, 2019-08-19 THE LOST TREASURES OF THE BLACK HILLS is the latest addition to Peter Netzel's lost treasure series of books. This volume covers lost treasure stories and legends from the Black Hills. This area is composed of several South Dakota counties: Lawrence, Pennington, Custer, Meade, and Fall River; it also includes Crook and Weston counties of Wyoming. This is the addition to the 7-volume series *The Lost Treasures Of Montana* and the 5-volume series of the *Lost Treasures Of Wyoming*. These books have garnered widespread attention. In addition to appearances on local television stations, in podcasts, and on local television stations, the author has appeared on the nationally syndicated Travel Channel. YOU DO NOT NEED TO BE A TREASURE HUNTER TO ENJOY THESE STORIES. These books are filled with Western history, firsthand accounts, and newspaper clippings containing details of the days gone by. From frontiersmen, Native Americans, cowboys, settlers, and gold rushers, the Black Hills are filled with stories. Many of these tales are centered on lost, buried, or hidden treasures throughout the region that have not been recovered to this day. The Black Hills area is beautiful and a great place to visit. Even if treasure hunting is not your hobby, you will find places where interesting Old West history took place. This background history, fleshed out by actual newspaper accounts of the times and coupled with detailed topo maps and other terrain descriptions, makes Peter Netzel's lost treasures series the most comprehensive works of their kind published to date. What makes *THE LOST TREASURES OF THE BLACK HILLS* and the other books in the *Lost Treasure* series unique from others is that they are enriched with maps and detailed descriptions of the locale near where the lost treasures lie hidden. Best of all, lots of firsthand accounts and historical material are included within the stories. You do not have to be a treasure hunter to enjoy these books. The state of South Dakota and especially the Black Hills are rich in American history and possibilities for lost treasure. As settlers, gold seekers, and adventurers moved into Dakota Territory with the discovery of gold in the Black Hills, the U.S. Army followed to provide protection from the tribes determined to defend their lands against the encroaching settlers. Sites to explore include former Native American camps and villages, the forts and other military establishments that housed the soldiers sent to protect emigrants from Native American attacks, farms and ranches where white people first settled the land, and finally, anywhere prospectors roamed the hills and canyons in search of gold. There were trails and wagon roads crisscrossing the state of South Dakota and the Black Hills. Early on, gold from the Black Hills was transported by stagecoach to be taken further by train. Also over these trails were freighted supplies needed by the mining camps and other settlements. Towns sprang up around the stage routes to serve the needs of the travelers, workers, and local residents. Most of these hastily mushrooming towns vanished as the railroads pushed westward. Any settlement along the old pioneer trails and the developing railroads holds the possibility for lost treasure. And more importantly, this is where history happened. *The Treasures of South Dakota* Pasquale De Marco, 2025-03-18 Journey through the heart of the Great Plains to discover South Dakota, a state of captivating beauty, rich history, and vibrant culture.
