AND SOUTHERN ILLINOIS
IN THE CIVIL WAR ERA

James Pickett Jones

Foreword by John Y. Simon

Black Jack John A Logan And Southern Illinois In The Civil War Era

Timothy B. Smith

Black Jack John A Logan And Southern Illinois In The Civil War Era:

Black Jack James Pickett Jones,1995-07-26 John A Logan called Black Jack by the men he led in Civil War battles from the Henry Donelson campaign through Vicksburg Chattanooga and on to Atlanta was one of the Union Army s most colorful generals Perhaps the most capable of the political generals Logan earned a reputation as a courageous efficient officer rising from regimental to army commander *The Era of the Civil War--1820-1876* Louise A. Arnold-Friend,US Army Military History Institute,1982 **John A. Logan** James Pickett Jones,2001-03-15 James P Jones uses newspaper accounts private letters and the records of Congress to examine Major General John A Logan s return to his political and legislative career after the Civil War Logan emerged from the national conflict a military hero and uncommitted to any political party By 1884 his personality and fiercely defended principles had earned him the vice presidential nomination on the ill fated Republican ticket Many writers on this period have portrayed Logan as a corrupt politician but Jones successfully clears the Illinoisan s record Description of previous edition *History 31st Regiment Illinois Volunteers Organized by John A. Logan* William S. Morris,L. D. Hartwell,J. B. Kuykendall,1998 The story of John A Logan s famed 31st Regiment Illinois Volunteers told by three veterans follows the regiment from the battles of Belmont Fort Donelson Vicksburg Kenesaw Mountain and Atlanta through the March to the Sea and into North Carolina Few regiments notes historian John Y Simon in the foreword fought longer or more fiercely suffered more casualties or won more victories Logan proved a valiant and valuable Union commander yet when the Civil War first began it was far from clear whether he would lead Union or Confederate troops In dramatic fashion however he broke what Simon calls an ominous silence interpreted by many as sympathy for the South Speaking from a wagon platform in Marion Illinois Logan proclaimed The time has come when a man must be for or against his country Logan accepted a commission from Illinois governor Richard Yates recruited heavily in southern Illinois and formed the 31st Regiment Illinois Volunteers The 31st became a prime component in Grant s western campaigns fighting for the first time at Belmont Missouri In February of 1862 the 31st foiled Confederate general Gideon J Pillow s dramatic escape from the Union siege at Fort Donelson Although this is often listed as one of the proudest moments for the 31st casualties ran high fifty eight killed with Logan so severely wounded that at first he was reported dead Logan s valor at Fort Donelson won him promotion to brigadier general [The Heroic and the Notorious](#) David Kenney,Robert E Hartley,2012-10-04 This sweeping survey constitutes the first comprehensive treatment of the men and women who have been chosen to represent Illinois in the United States Senate from 1818 to the present day David Kenney and Robert E Hartley underscore nearly two centuries of Illinois history with these biographical and political portraits compiling an incomparably rich resource for students scholars teachers journalists historians politicians and any Illinoisan interested in the state s senatorial heritage Originally published as *An Uncertain Tradition U S Senators From Illinois 1818 2003* this second edition brings readers up to date with new material on Paul Simon Richard Durbin and Peter Fitzgerald as well as completely new sections on Roland Burris Barack

Obama and Illinois's newest senator Mark Kirk This fresh and careful study of the shifting set of political issues Illinois's senators encountered over time is illuminated by the lives of participants in the politics of choice and service in the Senate Kenney and Hartley offer incisive commentary on the quality of Senate service in each case as well as timeline graphs relating to the succession of individuals in each of the two sequences of service the geographical distribution of senators within the state and the variations in party voting for Senate candidates Rigorously documented and supremely readable this convenient reference volume is enhanced by portraits of many of the senators

Reminiscences of a Soldier's Wife Mrs. John A. Logan, 1997 In charming detail she shares her courtship and subsequent marriage to a young prosecutor from Jackson County and the births of their children She writes proudly of the Lincoln Douglas debates in 1858 and her husband's election to the Thirty seventh Congress that same year Logan tells of the coming of the Civil War and of her husband formerly a Democrat and an enemy of Lincoln casting his fate with the Union and raising a regiment in southern Illinois She poignantly describes her brother's defection to the Confederate Army her life in war torn Cairo Illinois and her horror at her husband's severe war wounds She recounts the battles the political campaigns and Lincoln's reelection and subsequent assassination from her point of view and as the wife of a politician and general hers is a decidedly privileged perspective

Glorious Contentment Stuart McConnell, 2000-11-09 The Grand Army of the Republic the largest of all Union Army veterans organizations was the most powerful single issue political lobby of the late nineteenth century securing massive pensions for veterans and helping to elect five postwar presidents from its own membership To its members it was also a secret fraternal order a source of local charity a provider of entertainment in small municipalities and a patriotic organization Using GAR convention proceedings newspapers songs rule books and local post records Stuart McConnell examines this influential veterans association during the years of its greatest strength Beginning with a close look at the men who joined the GAR in three localities Philadelphia Brockton Massachusetts and Chippewa Falls Wisconsin McConnell goes on to examine the Union veterans attitudes towards their former Confederate enemies and toward a whole range of noncombatants whom the veterans called civilians stay at home townsmen Mugwump pension reformers freedmen women and their own sons and daughters In the GAR McConnell sees a group of veterans trying to cope with questions concerning the extent of society's obligation to the poor and injured the place of war memories in peacetime and the meaning of the nation and the individual's relation to it McConnell argues that by the 1890s the GAR was clinging to a preservationist version of American nationalism that many white middle class Northerners found congenial in the face of the social upheavals of that decade In effect he concludes the nineteenth century career of the GAR is a study in the microcosm of a nation trying to hold fast to an older image of itself in the face of massive social change

The State of Southern Illinois Herbert K. Russell, 2012-03-16 In The State of Southern Illinois An Illustrated History Herbert K Russell offers fresh interpretations of a number of important aspects of Southern Illinois history Focusing on the area known as Egypt the region

south of U S Route 50 from Salem south to Cairo he begins his book with the earliest geologic formations and follows Southern Illinois s history into the twenty first century The volume is richly illustrated with maps and photographs mostly in color that highlight the informative and straightforward text Perhaps most notable is the author s use of dozens of heretofore neglected sources to dispel the myth that Southern Illinois is merely an extension of Dixie He corrects the popular impressions that slavery was introduced by early settlers from the South and that a majority of Southern Illinoisans wished to secede Furthermore he presents the first in depth discussion of twelve pre Civil War free black communities located in the region He also identifies the roles coal mining labor violence gangsters and the media played in establishing the area s image He concludes optimistically unveiling a twenty first century Southern Illinois filled with myriad attractions and opportunities for citizens and tourists alike The State of Southern Illinois is the most accurate all encompassing volume of history on this unique area that often regards itself as a state within a state It offers an entirely new perspective on race relations provides insightful information on the cultural divide between north and south in Illinois and pays tribute to an often neglected and misunderstood region of this multidimensional state all against a stunning visual backdrop Superior Achievement from the Illinois State Historical Society 2013

The Inland Campaign for Vicksburg Timothy B. Smith, 2024-05-04 In this fifth and final volume of his renowned series detailing the campaign for Vicksburg Tim Smith sheds much needed light to this often misunderstood episode of the Union s efforts to take Vicksburg In the entire nine month long campaign there was no more tension and drama than in these seventeen days when Grant s Army of the Tennessee marched through the wilds of Mississippi claiming victory after victory tearing the heart out of the State of Mississippi and the Confederacy By the end of the swift assault Grant arrived victorious at the exact place he had worked to gain for months the high ground east of Vicksburg where he had access to both the city and an open and unchallenged supply route via the Yazoo River to the north He could finally begin the process of capturing Vicksburg Civil War historians have long disagreed about how to understand this moment of the Vicksburg Campaign as they analyze Union supply lines the swiftness of the campaign and other salient details of Grant s success Amid this debate Tim Smith has written the first standalone investigation of the Inland Campaign which boasts new insights keen attention to primary sources and a broad clear eyed look at Grant s brilliance as he led the Army of the Tennessee toward Vicksburg Completing the Vicksburg series this book lies between Smith s Bayou Battles for Vicksburg January 1 April 30 1863 and The Union Assaults at Vicksburg May 17 22 1863

The Rivers Ran Backward Christopher Phillips, 2016-04-22 Most Americans imagine the Civil War in terms of clear and defined boundaries of freedom and slavery a straightforward division between the slave states of Kentucky and Missouri and the free states of Illinois Indiana Ohio and Kansas However residents of these western border states Abraham Lincoln s home region had far more ambiguous identities and contested political loyalties than we commonly assume In The Rivers Ran Backward Christopher Phillips sheds light on the fluid political cultures of the Middle Border states during the Civil War era Far from forming a

fixed and static boundary between the North and South the border states experienced fierce internal conflicts over their political and social loyalties White supremacy and widespread support for the existence of slavery pervaded the free states of Ohio Indiana and Illinois which had much closer economic and cultural ties to the South while those in Kentucky and Missouri held little identification with the South except over slavery Debates raged at every level from the individual to the state in parlors churches schools and public meeting places among families neighbors and friends Ultimately the pervasive violence of the Civil War and the cultural politics that raged in its aftermath proved to be the strongest determining factor in shaping these states regional identities leaving an indelible imprint on the way in which Americans think of themselves and others in the nation The Rivers Ran Backward reveals the complex history of the western border states as they struggled with questions of nationalism racial politics secession neutrality loyalty and even place as the Civil War tore the nation and themselves apart In this major work Phillips shows that the Civil War was more than a conflict pitting the North against the South but one within the West that permanently reshaped American regions

Bayou Battles for Vicksburg Timothy B. Smith, 2023-11-12 The dawn of 1863 brought a new phase of the Union's Mississippi Valley operations against Vicksburg For the first four months Union attempts to reach high and dry ground east of the Mississippi River would be plagued by high water everywhere and the resulting bayou and river expeditions would test everyone involved including the defending Confederates In Bayou Battles for Vicksburg the latest volume in his five volume history of the Vicksburg Campaign of the US Civil War Timothy B Smith offers the first book length examination of Ulysses S Grant's winter waterborne attempts to capture the Confederate stronghold of Vicksburg Mississippi The accepted strategy up to this point in the war was aligned with the principles of the Swiss theorist Antoine Henri Jomini whose work was taught at West Point where commanders on both sides of the conflict had been educated But Jomini emphasized secure supply lines and a slow steady unified approach to a target such as Vicksburg and never had much to say about creeks rivers and bayous in a subtropical swamp environment Grant threw out conventional wisdom with a bold and ultimately successful plan to avoid a direct approach and rather divide his forces to accomplish multiple goals and to confuse the enemy by cutting levees flooding whole sections of watersheds and bypassing strongholds by digging canals far around them Bayou Battles for Vicksburg details each of the Union attempts to reach high ground east of the Mississippi River and includes fresh research on the Yazoo Pass and Steele's Bayou expeditions Grant's canal and the Lake Providence effort Smith weaves several simultaneous Union initiatives together into a chronological narrative that provides great detail on the Union's successful final attempt to get to good ground east of the Mississippi

The Siege of Vicksburg Timothy B. Smith, 2021-06-18 In The Siege of Vicksburg Climax of the Campaign to Open the Mississippi River May 23 July 4 1863 noted Civil War scholar Timothy B Smith offers the first comprehensive account of the siege that split the Confederacy in two While the siege is often given a chapter or two in larger campaign studies and portrayed as a foregone conclusion The Siege of Vicksburg offers a new perspective and thus a fuller

understanding of the larger Vicksburg Campaign Smith takes full advantage of all the resources both Union and Confederate from official reports to soldiers diaries and letters to newspaper accounts to offer in vivid detail a compelling narrative of the operations The siege was unlike anything Grant s Army of the Tennessee had attempted to this point and Smith helps the reader understand the complexity of the strategy and tactics the brilliance of the engineers work the grueling nature of the day by day participation and the effect on all involved from townspeople to the soldiers manning the fortifications The Siege of Vicksburg portrays a high stakes moment in the course of the Civil War because both sides understood what was at stake the fate of the Mississippi River the trans Mississippi region and perhaps the Confederacy itself Smith s detailed command level analysis extends from army to corps brigades and regiments and offers fresh insights on where each side held an advantage One key advantage was that the Federals had vast confidence in their commander while the Confederates showed no such assurance whether it was Pemberton inside Vicksburg or Johnston outside Smith offers an equally appealing and richly drawn look at the combat experiences of the soldiers in the trenches He also tackles the many controversies surrounding the siege including detailed accounts and analyses of Johnston s efforts to lift the siege and answers the questions of why Vicksburg fell and what were the ultimate consequences of Grant s victory

The Union Assaults at Vicksburg Timothy B. Smith, 2020-01-10 It was the third week of May 1863 and after seven months and six attempts Ulysses S Grant was finally at the doorstep of Vicksburg What followed was a series of attacks and maneuvers against the last major section of the Mississippi River controlled by the Confederacy and one of the most important operations of the Civil War Grant intended to end the campaign quickly by assault but the stalwart defense of Vicksburg s garrison changed his plans The Union Assaults at Vicksburg is the first comprehensive account of this quick attempt to capture Vicksburg which proved critical to the Union s ultimate success and Grant s eventual solidification as one of the most significant military commanders in American history Establishing a day to day and occasionally minute to minute timeline for this crucial week military historian Timothy B Smith invites readers to follow the Vicksburg assaults as they unfold His finely detailed account reaches from the offices of statesmen and politicians to the field of battle with exacting analysis and insight that ranges from the highest level of planning and command to the combat experience of the common soldier As closely observed and vividly described as each assault is Smith s book also puts the sum of these battles into the larger context of the Vicksburg campaign as well as the entire war His deeply informed in depth work thus provides the first full view of a key but little studied turning point in the fortunes of the Union army in the West Ulysses S Grant and the United States of America

French and Indians of Illinois River Nehemiah Matson, 2001 Complex and paradoxical Nehemiah Matson 1816 1873 celebrated the occupation of the Middle West by European pioneers even as he labored to preserve the memory of the natives these pioneers replaced He perpetuated the memory of the Indians who were driven out of the territory but he nevertheless accumulated wealth selling their land to the pioneers Rodney O Davis notes in his new foreword to this book that Matson

combined the attributes of a scholar with those of a salesman and promoter Matson settled in Princeton Illinois in 1836 He left behind a library partially endowed by him named for him and finally completed in 1913 According to Davis however Matson s other legacy of equal significance in his own eyes consisted of the five books he authored on northern Illinois and Illinois River history and cartography volumes based not only on conscientious scholarship but also on both Indian and white reminiscence and on local folklore Matson s historical writings are valuable even when he deals with well known events because his personal perspective makes his observations unique Without the stories and reminiscences he collected much valuable information would have been lost especially since many of his informants both Indian and European were illiterate Because his informants often told conflicting stories Matson admitted that harmonizing all conflicting accounts has not been a success Although Matson s sources may not always have agreed and sometimes his heart may have overruled his head and colored his accounts he was a conscientious and committed author Obviously Davis explains this book must be evaluated as what it is a piece of colorful local history romantically anchored in legend yet rooted also in invaluable research and produced by a dedicated amateur whose standards were high French and Indians of Illinois River is a model of its type indeed a minor classic

A History of the Ninth Regiment Illinois Volunteer Infantry, with the Regimental Roster Marion Morrison, 1997 This is Marion Morrison s account of the Bloody Ninth the Ninth Regiment Illinois Volunteer Infantry who found themselves in the thick of battle bearing the brunt of the Confederate attempt at Fort Donelson to break Grant s siege lines

Early Struggles for Vicksburg Timothy B. Smith, 2022-06-28 In *Early Struggles for Vicksburg* Timothy Smith covers the first phase of the Vicksburg campaign October 1862 July 1863 involving perhaps the most wide ranging and complex series of efforts seen in the entire campaign The operations that took place from late October to the end of December 1862 covered six states consisted of four intertwined mini campaigns and saw the involvement of everything from cavalry raids to naval operations in addition to pitched land battles in Ulysses S Grant s first attempts to reach Vicksburg This fall winter campaign that marked the first of the major efforts to reach Vicksburg was the epitome of the by the book concepts of military theory of the day But the first major Union attempts to capture Vicksburg late in 1862 were also disjointed unorganized and spread out across a wide spectrum The Confederates were thus able to parry each threat although Grant in his newly assumed position as commander of the Department of the Tennessee learned from his mistakes and revised his methods in later operations leading eventually to the fall of Vicksburg It was war done the way academics would want it done but Grant figured out quickly that the books did not always have the answers and he adapted his approach thereafter Smith comprehensively weaves the Mississippi Central Chickasaw Bayou Van Dorn Raid and Forrest Raid operations into a chronological narrative while illustrating the combination of various branches and services such as army movements naval operations and cavalry raids *Early Struggles for Vicksburg* is accordingly the first comprehensive academic book ever to examine the Mississippi Central Chickasaw Bayou campaign and is built upon hundreds of soldier

level sources Massive in research and scope this book covers everything from the top politicians and generals down to the individual soldiers as well as civilians and slaves making their way to freedom while providing analysis of contemporary military theory to explain why the operations took the form they did **The Boy of Battle Ford and the Man** W. S. Blackman,2012-03-08 A classic story of a young man s journey to adulthood The Boy of Battle Ford covers Blackman s years growing up in early post settlement Illinois where he gave in to temptations such as drinking gambling and the lure of prostitutes before joining the army finding God and becoming a preacher Blackman who notes that he is determined to write facts in this book peppers his story with the sordid details of the sinful times of his life as well as with discussions of faith and of struggling to understand his God and his beliefs **The Papers of** Ulysses Simpson Grant,1988 The Struggle for the Life of the Republic Charles Dana Miller,2004 Brevet Major Miller served as a regimental adjutant and rose in rank to captain He describes in detail the hardships and routines of camp life and the battles from Fort Donelson to Jonesboro This post war memoir includes descriptions and impressions of such leaders as Ulysses S Grant Worthy Opponents Edward G. Longacre,2017-08-04 Worthy Opponents tells the parallel stories of Confederate general Joseph E Johnston and Union general William Tecumseh Sherman Their armies clashed repeatedly so it was only natural for these two commanding officers to become adversaries Yet as the war continued Johnston and Sherman came to respect each other eventually becoming close friends Edward G Longacre masterfully investigates the entwined lives of these two celebrated generals bringing to life their personalities their military styles and their friendship in this fascinating dual biography
