Rossbach,2000-11-09 This five volume documentary collection culled from an international archival search that turned up over 14 000 letters speeches pamphlets essays and newspaper editorials reveals how black abolitionists represented the core of the antislavery movement While the first two volumes consider black abolitionists in the British Isles and Canada the home of some 60 000 black Americans on the eve of the Civil War the remaining volumes examine the activities and opinions of black abolitionists in the United States from 1830 until the end of the Civil War In particular these volumes focus on their reactions to African colonization and the idea of gradual emancipation the Fugitive Slave Law and the promise brought by emancipation during the war Narrative of the Life of Frederick Douglass, an American Slave Frederick Douglass,2016-10-25 A new edition of one of the most influential literary documents in American and African American history Ideal for coursework in American and African American history this revised edition of Frederick Douglass s memoir of his life as a slave in pre Civil War Maryland incorporates a wide range of supplemental materials to enhance students understanding of slavery abolitionism and the role of race in American society Offering readers a new appreciation of Douglass s world it includes documents relating to the slave narrative genre and to the later career of an essential figure in the nineteenth century abolition movement **In Praise of Black Women: Heroines of the slavery era** Simone Schwarz-Bart,2001 In this translation of *Hommage a la femme noire* 1988 the authors pay tribute in essays and color images to a group victimized by scholarly neglect and racist assumptions Featured African women include 19th 20th century activists authors one of the first black fashion models and others going beyond tradition Published as part of a UNESCO project for the Schomburg Center for Research in Black Culture New York Public Library 9 25x12 The correct ISBN is given on the dust jacket but not on the copyright page V 4 is expected in spring 2004 Annotation c 2003 Book News Inc Portland OR booknews com Narrative of the Life of Frederick Douglass, an American Slave: Written by Himself Frederick Douglass,2016-10-25 To Tell a Free Story Excerpt 1986 From Behind the Veil Excerpt 1979 Afterword Chronology Four Maryland Families Historical Annotation to the Narrative Notes Selected Bibliography Index A B C D E F G H I J K L M N O P R S T U V W Y The Harvard Guide to African-American History Evelyn Brooks Higginbotham,2001 This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America **Witnessing Slavery** Frances Smith Foster,1994 New edition of the Greenwood Press original of 1979 which is cited in BCL3 with a new introduction chapter and a supplementary bibliography Annotation copyright by Book News Inc Portland OR **Black Women in Nineteenth-Century American Life** Bert James Loewenberg,Ruth Bogin,2010-11-01 *With Liberty for Some* Scott Christianson,1998 From Columbus voyages to the New World through today s prison expansion

movements incarceration has played an important yet disconcerting role in American history In this sweeping examination of imprisonment in the United States over five centuries Scott Christianson exposes the hidden record of the nation s prison heritage illuminating the forces underlying the paradox of a country that sanctifies individual liberty while it continues to build and maintain a growing complex of totalitarian institutions Based on exhaustive research and the author s insider s knowledge of the criminal justice system *With Liberty for Some* provides an absorbing well written chronicle of imprisonment in its many forms Interweaving his narrative with the moving often shocking personal stories of the prisoners themselves and their keepers Christianson considers convict transports to the colonies the international trade in captive indentured servants slaves and military conscripts life under slavery the transition from colonial jails to model state prisons the experience of domestic prisoners of war and political prisoners the creation of the penitentiary and the evolution of contemporary corrections His penetrating study of this broad spectrum of confinement reveals that slavery and prisons have been inextricably linked throughout American history He also examines imprisonment within the context of the larger society *With Liberty for Some* is a thought provoking work that will shed new light on the ways in which imprisonment has shaped the American experience As the author writes Prison is the black flower of civilization a durable weed that refuses to die

Carry Me Back Steven Deyle,2006-08-31 Originating with the birth of the nation itself in many respects the story of the domestic slave trade is also the story of the early United States While an external traffic in slaves had always been present following the American Revolution this was replaced by a far more vibrant internal trade Most importantly an interregional commerce in slaves developed that turned human property into one of the most valuable forms of investment in the country second only to land In fact this form of property became so valuable that when threatened with its ultimate extinction in 1860 southern slave owners believed they had little alternative but to leave the Union Therefore while the interregional trade produced great wealth for many people and the nation it also helped to tear the country apart The domestic slave trade likewise played a fundamental role in antebellum American society Led by professional traders who greatly resembled northern entrepreneurs this traffic was a central component in the market revolution of the early nineteenth century In addition the development of an extensive local trade meant that the domestic trade in all its configurations was a prominent feature in southern life Yet this indispensable part of the slave system also raised many troubling questions For those outside the South it affected their impression of both the region and the new nation For slaveholders it proved to be the most difficult part of their institution to defend And for those who found themselves commodities in this trade it was something that needed to be resisted at all costs *Carry Me Back* restores the domestic slave trade to the prominent place that it deserves in early American history exposing the many complexities of southern slavery and antebellum American life **Freeing**

Charles Scott Christianson,2010-10-01 *Freeing Charles* recounts the life and epic rescue of captured fugitive slave Charles Nalle of Culpeper Virginia who was forcibly liberated by Harriet Tubman and others in Troy New York on April 27 1860 Scott

Christianson follows Nalle from his enslavement by the Hansborough family in Virginia through his escape by the Underground Railroad and his experiences in the North on the eve of the Civil War This engaging narrative represents the first in depth historical study of this crucial incident one of the fiercest anti slavery riots after Harpers Ferry Christianson also presents a richly detailed look at slavery culture in antebellum Virginia and probes the deepest political and psychological aspects of this epic tale His account underscores fundamental questions about racial inequality the rule of law civil disobedience and violent resistance to slavery in the antebellum North and South *Ride Out the Wilderness* Melvin Dixon,1987 Often considered alienated from mainstream culture and consigned to negative environments Afro American writers have created alternative spatial and geographical metaphors to develop a positive sense of individual and cultural identity Melvin Dixon demonstrates how three principal figures of the land the wilderness the underground and the mountaintop have become places of refuge and cultural revitalization for the performance of identity from early slave songs and fugitive narratives to modern and contemporary fiction Jacket *Encyclopedia of African American Religions* Larry G. Murphy,J. Gordon Melton,Gary L. Ward,2013-11-20 Preceded by three introductory essays and a chronology of major events in black religious history from 1618 to 1991 this A Z encyclopedia includes three types of entries Biographical sketches of 773 African American religious leaders 341 entries on African American denominations and religious organizations including white churches with significant black memberships and educational institutions Topical articles on important aspects of African American religious life e g African American Christians during the Colonial Era Music in the African American Church **Focus on Minorities, Supplement** Fort Bragg (N.C.). Focus on Minorities Fort Bragg (N.C.). Library,1974 *The Black Abolitionist Papers: The British Isles, 1830-1865* C. Peter Ripley,1985 *Black Abolitionist Papers Vol I The British Isles 1830 1865* The SAGE Encyclopedia of African Cultural Heritage in North America Mwalimu J. Shujaa,Kenya J. Shujaa,2015-07-13 The Encyclopedia of African Cultural Heritage in North America provides an accessible ready reference on the retention and continuity of African culture within the United States Our conceptual framework holds first that culture is a form of self knowledge and knowledge about self in the world as transmitted from one person to another Second that African people continuously create their own cultural history as they move through time and space Third that African descended people living outside of Africa are also contributors to and participate in the creation of African cultural history Entries focus on illuminating Africanisms cultural retentions traceable to an African origin and cultural continuities ongoing practices and processes through which African culture continues to be created and formed Thus the focus is more culturally specific and less concerned with the broader transatlantic demographic political and geographic issues that are the focus of similar recent reference works We also focus less on biographies of individuals and political and economic ties and more on processes and manifestations of African cultural heritage and continuity
