that they had a choice do what they were told or their families would die Over the course of the following day 26 5 million was stolen from the Northern Bank the biggest cash heist in Irish and British history The two men whose families were held hostage simply re labelled vast amounts of cash as rubbish and wheeled huge bags to a van waiting outside in the street yards from Belfast s City Hall The robbers knowledge of the inner workings of the bank was astonishing They deployed a large crew of drivers guards watchers and gunmen It was immediately obvious that only one organization had the ability to plan and execute such an audacious minutely planned robbery the Irish Republican Army But the IRA was supposed to be demobilized as a result of the Good Friday Peace Agreement signed six years earlier The leaders of Sinn F in who were also leaders of the IRA vehemently denied they had anything to do with it No one believed them The governments in London Dublin and Washington were outraged Yet no one was ever been convicted of any crime relating to the heist and little more than two years later Sinn F in was in government in Northern Ireland In the wake of the twentieth anniversary of this bizarre robbery Glenn Patterson builds on his popular BBC podcast to shed new light on the story of the infamous heist the victims the organizers and the abortive at times comically inept attempts to find the people who carried it out *The Last Irish Question* Glenn Patterson,2021-10-14 A view of the south of Ireland political social geographical through the eyes of a liberal northern protestant being asked to rejoin it A pleasure to read Incisively mixing memoir reportage and analysis Daily Mail Discursive humane and meticulously attentive to verbal nuances that can spell a world of meaning Irish Examiner Patterson s travels provide humorous asides telling insights and sobering pessimism Irish Independent The reunification of Ireland which in 1998 seemed to have been pushed over the far horizon as an aspiration has returned with a vengeance Brexit calls into question the British commitment to Northern Ireland and threatens its economy There has been a surge in support for Sinn F in in the South a party pushing relentlessly for a poll on the future of the border If Sinn F in enters the government of the Republic as seems inevitable in the coming years this issue will move even higher up the agenda with who knows what consequences north of the border In *The Last Irish Question* Glenn Patterson travels the country looking at this place he is being asked to join and which a significant number of people in the North have spent a very long time shunning Most of the South is terra incognita to them as it is to many people who live in Dublin There have been countless books describing and travelling through Ulster but never one that turns its gaze the other way Brilliantly witty and alarmingly topical this is a social political and geographical view of the South of Ireland as well as a journey of discovery for a quizzical Northerner being asked to rejoin it *Irish Literature Since 1800* Norman Vance,2014-06-11 This book surveys Irish writing in English over the last two centuries from Maria Edgeworth to Seamus Heaney to give the literary student and the general reader an up to date sense of its variety and vitality and to indicate some of the ways in which it has been described and discussed It begins with a brief outline of Irish history of Irish writing in Irish and Latin and of writing in English before 1800 Later chapters consider Irish romanticism Victorian Ireland W B Yeats and the Irish Literary Revival new directions in Irish writing

after Joyce and the literature of contemporary Ireland north and south from 1960 to the present Representing the Troubles Brian Cliff,Eibhear Walshe,2004 In the second half of the twentieth century Ireland experienced thirty years in which the political status of Northern Ireland was challenged by numerous acts of violence Since the signing of the Good Friday Belfast Agreement in 1998 it has been widely sensed that an era has passed in Irish history Now seems accordingly an auspicious time to begin an assessment of how the period of the Troubles was represented in literature theatre film and television drama This collection of essays considers representations of the Troubles in these varied genres and includes lectures given at the Royal Irish Academy by writers Glenn Patterson Anne Devlin and Colm Toibin BOOK JACKET The Atlantic Companion to Literature in English Ed.
