her present is deeply entangled with her mother's mysterious past. Before she knows what's happening, Julia finds herself a pawn in a deadly game between two of the country's most powerful men. With no laws to protect her, she must unravel the secrets on her own. But sometimes truth is elusive and knowledge is deadly.

2 *Mark of Distinction* London is said to be the glittering jewel of society, a world unto itself, but to Julia Elliston it is a city of shadows. Her life is swiftly dissolving into scandal. And in Victorian society, even a whisper of scandal substantiated or not can be the death of a young woman's reputation. Now under the watchful eye of Lord Roy Pierson, one of the most influential men in England, Julia begrudgingly accepts his protection. But Chance Macy's power is far-reaching as well, and he is eager to assert his claim over her. Thrust into society as the Emerald Heiress, Julia is the toast of London, a celebrated curiosity. But in reality, she's trapped between the clutches of two powerful men. Aided only by a gentleman whose intentions she prays she can trust, Julia must finally take control of her own fate, but outwitting one's foe rarely goes according to plan.

3 *Price of Privilege* Having finally discovered the truth of her birthright, Julia Elliston is determined to outwit Chance Macy at his own game. Holding a secret he'd kill to keep, however, is proving more difficult than she imagined. Just when Julia thinks she's managed to untangle herself from Macy's clutches, he changes tactics with a risky ploy. As the scandal of the century breaks loose, drawing rooms all over London whisper what so far newspapers have not dared to print: Macy's lost bride is none other than Lord Pierson's daughter, and one of the most controversial cases of marital law ever seen comes before Victorian courts. Though Julia knows Macy's version of events is another masterful manipulation, public opinion is swaying in his favor. Caught in a web of deceit and lies, armed only with a fledgling faith, Julia must face her fiercest trial yet.

Numinous Stories of Redemption and Loss Charles Frode, 2014-12-18

14 sinister, disturbing, gently cynical stories where reality is not good or bad, right or wrong, alive or dead. Everything is one thing without limits, either in essence or in our feeble attempts to identify and delimit it with our wonderful words. The stories in this second collection present reality as the wonder of redemption and loss. Some stories are about couples, some not. Some are about an individual's personal existential challenge to survive. Some emerged from somewhere inside the author when he unlocked a hidden door. These fourteen stories embody aspects of the spiritual nature of reality about the redemptive quality inherent in all human beings. Each story

presents some kind of loss in the context of spiritual redemption hope ultimate hope hope for self redemption and the inherent dignity of all living creatures Let each story take you somewhere new where you can consider something about yourself something about ourselves as humans About the numinous quality of your own redemption and loss **The Bee Keepers Exchange** ,1882 *Catalogue* Montgomery Ward,1941 **Black Cat Weekly #92** O'Neil De Noux,Adrian Cole ,Hal Charles ,John M.
