**Born in Crisis and Shaped by Controversy, Volume 2** John R. Tyson, 2023-07-27 This second installment of the Methodist story Shaped by Controversy examines eight of the major controversies that epitomize aspects of Methodism's inter family dialogue and trauma These theological ecclesial and ethical controversies tried the values tested the patience and strained our familial relationships Ultimately they divided the Methodist movement Ironically controversy was often rooted in something that was good and right about the Methodist movement a commitment to addressing what had somehow gotten out of balance and become destructive Internal struggles over matters related to class economic status gender and race shook Methodism precisely because the inclusion of all people from diverse backgrounds and walks of life was a foundational aspect of the early Methodism Contentious controversies have revolved around matters like 1 the nature of spiritual life faith and good works 2 predestination and the nature Christian assurance of salvation 3 the difficulties of living out Christian Perfection in a world full of imperfect people 4 the pain and trauma of ecclesiastical separation 5 women's leadership in the church 6 the debilitating effects of racism and segregation 7 governance and shared leadership and 8 the affirmation and full inclusion of LGBTQ people These controversies within the church family have challenged and pained Methodists deeply They have also forced Methodists to examine their own priorities and clarify what matters most to them How the Methodists responded to these controversies for good or for ill has shaped the identity of the Methodists as people of faith Hopefully both guidance and encouragement can be found in this history because the past is often like a distant mirror that reflects very clearly upon lives lived today
