Black People Of America:

Racial Realism and the History of Black People in America Lori Latrice Martin, 2022-02-15 In *Racial Realism and the History of Black People in America* Lori Latrice Martin demonstrates how racial realism is a key concept for understanding why and how black people continue to live between a cycle of optimism and disappointment in the United States Central to her argument is Derrick Bell's work on racial realism who argued that the subordination of black people in America is permanent Racial Realism includes historical topics such as Reconstruction race in the 20th century and recent events like BlackLivesMatter the COVID 19 pandemic and the killing of George Floyd As the author lays out at various times in American history black people felt a sense of hopefulness and optimism that America would finally extend treasured American values to them only to find themselves marginalized History shows that black people have had their expectations raised so many times only to find themselves deeply disappointed
