W Bush helped modify American policy and hasten the release of Nelson Mandela and others from prison Perkins s up by your bootstraps life took him from a cotton farm in segregated Louisiana to the white elite Foreign Service where he became the first black officer to ascend to the top position of director general This is the story of how one man turned the page of history Sheena Duncan Annemarie Hendrikz,2015-01-05 The biography of Sheena Duncan is an account of the life of a notable woman one which reveals the extent of her influence in the quest for justice and peace in South Africa Its range and depth depict Sheena Duncan s work over four decades in the church including the South African Council of Churches and in civil society organisations such as the Black Sash Her public life is balanced by her personal story as daughter wife mother and friend Her respect and compassion for others her faith her intelligence and her honesty and integrity underpin her opposition to the cruelty of the pass laws and other unjust measures **Politics by Other Means** Richard L. Abel,1995 First Published in 1995 Routledge is an imprint of Taylor Francis an informa company Separation of Powers, the Judiciary and the Politics of Constitutional Adjudication Sanele Sibanda,2022-12-26 Over the last 25 years the doctrine of separation of powers has been established as both a foundational value and a structural principle applied by the courts in interpreting the relationship between South Africa s constitutional structures Jurisprudentially the practicalities and contours of how when and by whom the separation of powers should be determined has proven to be controversial Therefore the past decade has been characterised by heightened political contestation often resulting in extensive litigation posing thorny political issues This has had profound implications for the judiciary and raised difficult questions on the very nature of South African constitutionalism These political contestations gathered even greater momentum and urgency during the early days of COVID 19 in 2020 when the first iteration of this book was produced as a special issue of the South African Journal on Human Rights This timely volume brings together critical reflections on developments in South Africa s separation of powers jurisprudence and theory the role and function of the judiciary through its judgments in shaping the landscape of constitutional politics as well the implications of this for the consolidation of South Africa s democratic constitutional project It makes an important contribution to the debate on the politics of constitutional adjudication in light of the doctrine of separation of powers This book will be of interest to researchers and advanced students of politics history law and legal theory human rights and African studies
