to heal our nation's wounds will fail without reparations In *Rebirth of a Nation* Goza exposes lesser known aspects of racism in American history and how Black people have consistently been depicted as responsible for their own oppression to justify slavery Jim Crow mass incarceration and gross inequality Goza's iconoclastic and incisive account exposes how revered figures like Thomas Jefferson and Abraham Lincoln embedded white supremacy deep into our nation's consciousness and how Ronald Reagan manipulated this ideology so that society cheered as he advanced a set of policies that wounded our nation and intensified Black America's suffering But *Rebirth of a Nation* is not merely about accountability It is also about hope A reparations process is not a utopian dream Goza offers a practical path toward closing the racial wealth gap *Rebirth of a Nation* shows readers how they can join the reparative process working toward the creation of a more perfect union
