Black Ice Becca Fitzpatrick, 2023-01-03 Sometimes danger is hard to see until it's too late Britt Pheiffer has trained to backpack the Teton Range but she isn't prepared when her ex friend who still haunts her every thought wants to join her Before Britt can explore her feelings for Calvin an unexpected blizzard forces her to seek shelter in a remote cabin and accept the hospitality of its two very handsome occupants but these men are fugitives and they take her hostage In exchange for her life Britt agrees to guide the men off the mountain As they set off Britt knows she must stay alive long enough for Calvin to find her Things get even more complicated when Britt finds chilling evidence of a series of murders that took place on that very mountain a discovery that may make her the killer's next target But nothing is as it seems in the mountains and everyone is keeping secrets including Mason one of her kidnappers His kindness is confusing Britt Is he an enemy or an ally

Deaconess Monique L Spalding spiritual daughter and disciple of Dr Cho makes her literary debut with Bridges of Faith The long awaited testimonial is filled with God's signs and wonders C. Rowe-Myers, 2003-10 FBI agent Andrea Weston was fascinated by the enigmatic Nicholas St Claire and grateful when he rescued her from certain death but what was his real agenda To find out she would be swept up in a world of terrorism white slavery seduction and betrayal that would lead her from the Palace of Racheed Singh and the confines of his Turkish harem to the clandestine world of Black Ice Nicholas St Claire was a highly skilled highly trained operative cast in the role of a double agent His cold calculating mind and objective ruthlessness had allowed him success as a defender of right in a world corrupt and perverse But Andrea Weston's betrayal changed all that Now he lived for revenge Through the Shadows is the third book by C Rowe Myers and the second in the Black Ice series prequel to Black Ice Shadowed Road In her characteristic fast paced style C Rowe Myers writes exciting and unexpected plot twists that entice readers through a labyrinth of mystery and intrigue keeping them spellbound and on the edge of their seats *Transatlantic Radicalism* Frank Jacob, Mario Keßler, 2021-04-01 The Atlantic Ocean not only connected North and South America with Europe through trade but also provided the means for an exchange of knowledge and ideas including political radicalism Socialists and anarchists would use this radical ocean to escape state prosecution in their home countries and establish radical milieus abroad However this was often a rather unorganized development and therefore the connections that existed were quite diverse The movement of individuals led to the establishment of organizational ties and the import and exchange of political publications between Europe and the Americas The main aim of this book is to show how the transatlantic networks of political radicalism evolved with regard to socialist and anarchist milieus and in particular to look at the actors within the relevant processes topics that have so far been neglected in the major histories of transnational political radicalism of the late nineteenth and early twentieth centuries Individual case studies are examined within a wider context to show how networks were actually created how they functioned and their impact on the broader history of the
