Be Holding Ross Gay, 2020-09-08 Be Holding is a love song to legendary basketball player Julius Erving known as Dr J who dominated courts in the 1970s and 80s as a small forward for the Philadelphia 76ers as well as over his career in both the NBA and ABA But

this book length poem is more than just an ode to a magnificent athlete Through a kind of lyric research or lyric meditation Ross Gay connects Dr J's famously impossible move from the 1980 NBA Finals against the Los Angeles Lakers to pick up basketball and the flying Igbo and the Middle Passage to photography and surveillance and state violence to music and personal histories of flight and familial love Be Holding wonders how the imagination or how our looking might make us or bring us closer to each other How our looking might make us reach for each other And might make us be reaching for each other And how that reaching might be something like joy
