The Black Market Marshall B. Clinard, 1969      The Black Market ; a Study of White Collar Crime by Marshall B. Clinard Marshall B. Clinard, 1969      **Black Market Britain** Mark Roodhouse, 2013-03-21 The first study of the underground economy in austerity Britain Drawing on a wide range of sources including recently declassified material it reveals the nature and extent of black marketeering in rationed and price controlled goods during the 1940s and early 1950s      **Encyclopedia of Criminological Theory** Francis T. Cullen, Pamela Wilcox, 2010-09-23 Consistently excellent The level and coverage of the content make this an invaluable reference for students studying criminology or taking criminal psychology modules at degree level and beyond Adam Toccock Reference Reviews In discussing a criminology topic lecturers and course textbooks often toss out names of theorists or make a sideways reference to a particular theory and move on as if assuming their student audience possesses the necessary background to appreciate and integrate the reference However university reference librarians can tell you this is often far from the case Students often approach them seeking a source to provide a quick overview of a particular theory or theorist with just the basics the who what where how and why if you will And reference librarians often find it difficult to guide these students to a quick one stop source In response SAGE Reference is publishing the two volume Encyclopedia of Criminological Theory available in both print and electronic formats This serves as a reference source for anyone interested in the roots of contemporary criminological theory Drawing together a team of international scholars it examines the global landscape of all the key theories and the theorists behind them presenting them in the context needed to understand their strengths and weaknesses In addition to interpretations of long established theories it also offers essays on cutting edge research as one might find in a handbook And like an unabridged dictionary it provides concise to the point definitions of key concepts ideas schools and figures Coverage will include contexts and concepts in criminological theory the social construction of crime policy implications of theory diversity and intercultural contexts conflict theory rational choice theories conservative criminology feminist theory      **The Provisions of War** Justin Nordstrom, 2021-08-13 This collection of essays examines how food and its absence have been used both as a destructive weapon and a unifying force in establishing governmental control and cultural cohesion during times of conflict      **A Case for the Case Study** Joe R. Feagin, Anthony M. Orum, Gideon Sjoberg, 2016-08-01 Since the end of World War II social science research has become increasingly quantitative in nature A Case for the Case Study provides a rationale for an alternative to quantitative research the close investigation of single instances of social phenomena The first section of the book contains an overview of the central methodological issues involved in the use of the case study method Then well known scholars describe how they undertook case study research in order to understand changes in church involvement city life gender roles white collar crimes family structure homelessness and other types of social experience Each contributor confronts several key questions What does the case study tell us that other approaches cannot To what extent can one generalize from the

study of a single case or of a highly limited set of cases Does case study work provide the basis for postulating broad principles of social structure and behavior The answers vary but the consensus is that the opportunity to examine certain kinds of social phenomena in depth enables social scientists to advance greatly our empirical understanding of social life The contributors are Leon Anderson Howard M Bahr Theodore Caplow Joe R Feagin Gilbert Geis Gerald Handel Anthony M Orum Andree F Sjoberg Gideon Sjoberg David A Snow Ted R Vaughan R Stephen Warner Christine L Williams and Norma Williams
