Black Mist Anguish Of The Mist:

Black Mist James Pruett, 1995-04-01 This story chronicles the tragic tale of an American prisoner of war in World War I. This American, subjected to an atrocious experiment and presumed dead, awakens from among the cluttered bodies of the newly dead. While in his death state, the soldier taps into an ancient evil and returns as a human host to what becomes known fearfully to the Germans in the trenches as the Black Mist, and it seeks to exact its vengeance. P 4 of cover Aleksandr Blok's Trilogy of Lyric Dramas Timothy C. Westphalen, 2003-08-29 Aleksandr Blok's Trilogy of Lyric Dramas gathers together for the first time in English translation the first three plays by Aleksandr Blok, the pre-eminent poet of Russian Symbolism and one of the greatest poets of the twentieth century. The three plays that constitute the trilogy, *A Puppet Show*, *The King on the Square*, and *The Unknown Woman*, are pivotal documents in the development of modernist drama. In his productions of *A Puppet Show* and *The Unknown Woman*, Meyerhold first began to work the basic tenets of his approach to grotesque and constructivist theatre. Moreover, *A Puppet Show* provided the inspiration and much of the foundation for Meyerhold's theoretical writings. As a result, these plays are indispensable to any student of Meyerhold or modernist theatre. The plays are presented in the context of the poetry from which they issued in order to suggest how Blok developed the themes and motifs of the plays in other genres. **The Well of Loneliness & Carmilla** Radclyffe Hall, Sheridan Le Fanu, 2023-12-21 In *The Well of Loneliness*, *Carmilla* readers are invited to explore the intricate dance between identity and society through a seamless blend of Gothic suspense and introspective narrative. The anthology juxtaposes tales of forbidden love and societal marginalization, capturing the struggles and passions of those who live on the fringes. Among the haunting spectrums of Le Fanu's Gothic setting or Hall's penetrating exploration of personal anguish stand unforgettable narratives that dare to question the norms of Victorian and Edwardian contexts. Each story, distinct in style yet unified in underlying disquiet, offers a rich tapestry of thematic exploration from haunting isolation to the tumultuous journey toward self-acceptance. Contributors Radclyffe Hall and Sheridan Le Fanu are formidable voices in literature, each bringing a unique perspective that challenges societal norms and provokes thoughtful reflection. Their backgrounds in early modernist and Victorian literature respectively afford readers a window into the challenges and ideologies that shaped their narratives. This collection expertly ties together historical movements of gender and Gothic fiction, tracing a lineage of literary defiance and emotional complexity. The synthesis of Hall's poignant narrative depth with Le Fanu's masterful atmospheric creation makes this anthology a compelling exploration of transformative narratives. This anthology is a must-read for those seeking to immerse themselves in profound literary exploration of identity, separation, and belonging. Wrapped in the allure of Gothic and modernist storytelling, it offers insights far beyond the traditional scope of genre. It represents an educational treasure trove illustrating how disparate voices can coalesce to illuminate universal themes. As readers delve into these tales, they are met with the challenge of reflecting on their own societal constructs, inviting continuous dialogue long after the final pages are turned. In this
