African American Performance and Theater History Harry J. Elam, David Krasner, 2001-01-18 African American Performance and Theater History is an anthology of critical writings that explores the intersections of race theater and performance in America Assembled by two esteemed scholars in black theater Harry J. Elam Jr and David Krasner and composed of essays from acknowledged authorities in the field this anthology is organized into four sections representative of the ways black theater drama and performance interact and enact continual social cultural and political dialogues Ranging from a discussion of dramatic performances of Uncle Tom's Cabin to the Black Art Movement of the 1960s and early 1970s articles gathered in the first section Social Protest and the Politics of Representation discuss the ways in which African American theater and performance have operated as social weapons and tools of protest The second section of the volume Cultural Traditions Cultural Memory and Performance features among other essays Joseph Roach's chronicle of the slave performances at Congo Square in New Orleans and Henry Louis Gates Jr's critique of August Wilson's cultural polemics Intersections of Race and Gender the third section includes analyses of the intersections of race and gender on the minstrel stage the plight of black female choreographers at the inception of Modern

Dance and contemporary representations of black homosexuality by PomoAfro Homo Using theories of performance and performativity articles in the fourth section African American Performativity and the Performance of Race probe into the ways blackness and racial identity have been constructed in and through performance The final section is a round table assessment of the past and present state of African American Theater and Performance Studies by some of the leading senior scholars in the field James V Hatch Sandra L Richards and Margaret B Wilkerson Revealing the dynamic relationship between race and theater this volume illustrates how the social and historical contexts of production critically affect theatrical performances of blackness and their meanings and at the same time how African American cultural social and political struggles have been profoundly affected by theatrical representations and performances This one volume collection is sure to become an important reference for those studying black theater and an engrossing survey for all readers of African American literature

Barbara Ann Teer and the National Black Theatre Lundeana Marie Thomas, 2015-12-22 While chronicling the development of Teer's National Black Theatre of Harlem this study explores the National Black Theatre's quest to develop a new black theory of acting Teer's theory of performance was realized in a theater that combined elements of Pentacostal worship and African ritual melding spontaneity from the performers percussive music singing dancing emotional expression from both actors and audience and spectacle The National Black Theatre's major achievement is the creation of an original art form that helps African Americans identify with their roots and invites spontaneous audience interaction The study offers the National Black Theatre as a model African American community theater with valuable lessons for other theaters The innovative methods of the National Black Theatre provide a model for enlightening and sensitizing audiences to cultural diversity A pioneering institution the National Black Theatre has proven itself over its 25 year history to be a cultural treasure and the quintessential theater in Harlem Also includes maps Bibliography and index foreword by Dr Winona Fletcher Professor Emeritus of Theater and Drama and Afro

American Studies Founder of the National Black Theatre *The Cambridge Companion to African American Theatre* Harvey Young, 2012-10-25 This Companion provides a comprehensive overview of African American theatre from the early nineteenth century to the present day Along the way it chronicles the evolution of African American theatre and its engagement with the wider community including discussions of slave rebellions on the national stage African Americans on Broadway the Harlem Renaissance African American women dramatists and the New Negro and Black Arts movements Leading scholars spotlight the producers directors playwrights and actors whose efforts helped to fashion a more accurate appearance of black life on stage and reveal the impact of African American theatre both within the United States and further afield Chapters also address recent theatre productions in the context of political and cultural change and ask where African American theatre is heading in the twenty first century

Contemporary African American Theater Nilgun Anadolu-Okur, 2013-01-11 The Black Arts Movement was sparked by the Civil Rights movement and the urge to produce and revitalize functional realistic and holistic symbols to express African American creativity When Larry Neal began his quest for a new dramatic form to epitomize African American self determination he laid the foundation upon which his friends and compatriots Amiri Baraka and Charles Fuller would build Expressing their individual protests through their writings these artists soon united in their attack against Eurocentrism which traditionally minimized or neglected the roles played by Africans and African Americans on the world stage Their writings signaled a radical change in the form and content of African American writing particularly drama In this insightful examination of African American cultural history the author explores the heart of the dramatic imagination of African Americans during the turbulent years of the Civil Rights and Black Power movements The analysis of the works of these three important dramatists reveals the roots of an Afrocentric approach to the theater and introduces a new methodology for exploring Afrocentrism that is particularly suited to classes in African American drama and literature
