Black Silk Pajamas:

A Year in Hell Ray Pezzoli, Jr., 2015-01-24 This memoir relates the author's experiences during his year long tour of duty in the early days of American involvement in Vietnam. Serving in Bravo Company of the 1st Infantry Division, Ray Pezzoli provided protection for engineers constructing the deep water port in Cam Ranh Bay. From July 11, 1965 through June 22, 1966, he dealt with the ever-present threat of Viet Cong guerilla attacks, never knowing whether the Vietnamese natives he met might be friends or enemies. And as an Army reporter, he recorded some of his experiences in print and photographs. From guard duty to bathing practices, Pezzoli describes the daily life of soldiers with the keen eye of a journalist while also questioning the wisdom of extensive media involvement during wartime. Unique to his story is the dual perspective of infantryman and journalist. Pezzoli never forgot his military objective and tallied at least 11 kills. The memoir provides a moving narrative not only of his service but of his culture shock on returning to America. An appendix provides additional information about Vietnam, including its history before and after American involvement. The author's photographs from the time are included.

Zero to the Bone Robert Eversz, 2006-02-27 Robert Eversz's edgy and endearing heroine Nina Zero is back, and this time she's embroiled in her most dangerous case ever: investigating L.A.'s underground S.M. scene while getting caught up in sex lies and babysitting. It's opening night of Nina Zero's first gallery show, and her staged photographs of Hollywood pulp scenes are attracting the interest of actual art connoisseurs, not just the usual gossip rag readership. But the excitement of the evening shifts to alarm when Nina receives an anonymous package containing an amateur bondage video that may have ended in death. As she and her editor at Scandal Times watch the rape and strangling of a young woman, Nina Zero recognizes a distinctive tattoo on the woman's right shoulder and suddenly realizes why one of her models has missed the opening. Who sent the tape? And more important, what happened to the woman? Nina starts investigating her model and discovers a parallel life of S.M. phone sex blogs, written in code, an illicit relationship with a celebrity hypnotherapist, and ties to the son of a billionaire film director. Her Scandal Times coverage of the case enrages the LAPD and attracts death threats from anonymous sources. Luckily, Nina has her trusted but toothless Rottweiler by her side, as well as a sexy but mysterious detective who keeps landing in her bed. Just when events begin to spin from her control, Nina's deeply dysfunctional family enters the fray, making life even more complicated for this ex-con with a soft heart and a chip on her shoulder. Set in a vividly sunny and sinister Los Angeles, *Zero to the Bone* is the best and sexiest Nina Zero novel yet.
