The Souls of W.E.B. Du Bois Edward J. Blum, Jason R. Young, 2009 This title presents new evaluations on the significance of Du Bois *The Souls of W E B Du Bois* is a collection of articles that treat Du Bois on the subject of religion by reintroducing his life and work to an audience that may be familiar with his work generally but may never have seen analyses of his study of religion Because the project includes articles that examine both Du Bois personal religious life along with his examination of religion the editors seek to add not only to our knowledge of Du Bois scholarly contributions but also hope to shed light on his personal life and religiosity Also in treating the biography and career of a thinker whose work covers much of the twentieth century the editors intend this work to address larger issues related to religion in the United States over the course of the century Just as Du Bois foresight predicted a century marred by racial violence so his varied explorations into the role of religion in the modern world anticipated the rise of contemporary tensions borne of the global circulation of corporate capital and commerce of religious fundamentalism and evangelical theology Indeed Du Bois identified the critical paradox and presumed contradiction between America's religious legacy built on morality justice and equality with the country's impending devotion to progress modernity and money Throughout his life and writing Du Bois explored the special tensions that erupted in a nation bowing before two gods Unfortunately scholarly treatment of both Du Bois critical writings on religion as well as his own personal religious development has been relatively lacking The soulful side of the man whose most famous work was

about the souls of black folk in short has been largely neglected *Leading Issues in Black Political Economy* Thomas D. Boston, 2018-01-16 *Leading Issues in Black Political Economy* brings together the foremost experts on issues ranging from employment training and education of African Americans It also emphasizes macro economic concerns of business development with special emphasis on long term trends of black owned businesses The work emphasizes welfare considerations in an anti welfare epoch and the role of affirmative action now that it is under attack Attention is given to the role of race in the continuing disparity of income distribution in American society The highlights of *Leading Issues* include An Employment and Business Strategy for the Next Century A Comment by Thomas D Boston Long Term Trends and Prospects for Black owned Business by Andrew F Brimmer Is the U S Small Business Administration a Racist Institution by Timothy Bates Worker Re Training and Labor Market Outcomes A New Focus for Labor Research by James B Stewart Race Cognitive Skills Psychological Capital and Wages by Arthur H Goldsmith William Darity Jr and Jonathan R Veum and Reparations and Public Policy by Richard F America The overall findings suggest that empirical wage equation specifications do matter The role of psychological capital is critical in the marketplace Race is indeed an important determinant of wages especially when the influence of both cognitive skills and psychological capital are included in the wage equation This volume will be of crucial interest to economists political scientists sociologists and policy analysts studying African American life Thomas D Boston is editor of the *Review of Black Political Economy* and professor of economics at the Georgia Institute of Technology He is the co editor with Catherine L Ross of *The Inner City Urban Poverty and Economic Development in the Next Century* also available from Transaction *Black Leadership* Manning Marable, 1998-03-24 The history of the black struggle for civil rights and political and economic equality in America is tied to the strategies agendas and styles of black leaders Marable examines different models of black leadership and the figures who embody them integration Booker T Washington Harold Washington nationalist separatism Louis Farrakhan and democratic transformation W E B Du Bois W.E.B. Du Bois and the Africana Rhetoric of Dealienation Monique Leslie Akassi, 2018-11-02 As the rich words from the African proverbs resonate into the twenty first century regarding the importance of identity and telling the stories of people of African descent through the eyes of the people the grand rhetorician and griot of the twentieth century Dr William Edward Burghardt Du Bois s infamous problem remains so today the problem of the colour line After the election of Barack Hussein Obama the first African American president of the United States after the Civil Rights Movement after Brown versus the Board of Education after the students right to their own language after Plessy versus Ferguson and the murders of innocent young African American males including Emmett Till Timothy Thomas Trayvon Martin John Crawford III Tamir Rice Jordan Davis Eric Garner and Mike Brown people of African descent are still battling with being labelled a problem in one s own country while the USA continues to strive for a post racial era W E B Du Bois s rhetoric and motives in general are more relevant today than ever in reassessing what he so eloquently describes and unveils through the phrase double consciousness in *Souls of*

Black Folk 1903 through which he reveals the feeling of a problem This ground breaking volume featuring contributions from W E B Du Bois s great grandson Arthur McFarlane II among others is organized into three parts Part I focuses on the foundation of Du Bois s Africana Rhetoric through the origins of Africana Studies Pan Africanism and Africana Critical Theory Part II focuses on Du Bois s rhetorical strategies and rhetorical analyses in his scholarship and life Part III focuses on gender and sexuality in Du Bois s selected works This work the first of its kind devoted exclusively to Du Bois s rhetoric and motives can serve as a blueprint for today as the struggle toward a post racial society continues
