Blacks in Antiquity Frank M. Snowden,1970 The Africans who came to ancient Greece and Italy participated in an important chapter of classical history Although evidence indicated that the alien dark and black skinned people were of varied tribal and geographic origins the Greeks and Romans classified many of them as Ethiopians In an effort to determine the role of black people in ancient civilization Mr Snowden examines a broad span of Greco Roman experience from the Homeric era to the age of Justinian focusing his attention on the Ethiopians as they were known to the Greeks and Romans The author dispels unwarranted generalizations about the Ethiopians contending that classical references to them were neither glorifications of a mysterious people nor caricatures of rare creatures Mr Snowden has probed literary epigraphical papyrological numismatic and archaeological sources and has considered modern anthropological and sociological findings on pertinent racial and intercultural problems He has drawn directly upon the widely scattered literary evidence of classical and early Christian writers and has synthesized extensive and diverse material Along with invaluable reference notes Mr Snowden has included over 140 illustrations which depict the Negro as the Greeks and Romans conceived of him in mythology and religion and observed him in a number of occupations as servant diplomat warrior athlete and performer among others Presenting an exceptionally comprehensive historical description of the first major encounter of Europeans with dark and black Africans Mr Snowden found that the black man in a predominantly white society was neither romanticized nor scorned that the Ethiopian in classical antiquity was considered by pagan and Christian without prejudice

The Warrior Image Andrew J. Huebner,2011-12-01 Images of war saturated American culture between the 1940s and the 1970s as U S troops marched off to battle in World War II the Korean War and the Vietnam War Exploring representations of servicemen in the popular press government propaganda museum exhibits literature film and television Andrew Huebner traces the evolution of a storied American icon the combat soldier Huebner challenges the pervasive assumption that Vietnam brought drastic changes in portrayals of the American warrior with the jaded serviceman of the 1960s and 1970s shown in stark contrast to the patriotic citizen soldier of World War II In fact Huebner shows cracks began to appear in sentimental images of the military late in World War II and were particularly apparent during the Korean conflict Journalists filmmakers novelists and poets increasingly portrayed the steep costs of combat depicting soldiers who were harmed rather than hardened by war isolated from rather than supported by their military leadership and American society Across all three wars Huebner argues the warrior image conveyed a growing cynicism about armed conflict the federal government and Cold War militarization

down the great river of the South Continent He suspects that Lord Vorell may have created a special crop for a tribe called

Chachapoya and perhaps for other tribes The Chachapoya were driven from their homeland and now want to return Justin tricks the Association of Nations into setting up support depots for the return of the Chachapoya so that Justin can explore the great river for signs of Lord Vorell's bounty While Justin waits he sets up trade between his mountain crest Empire and the rest of Corin War then brews in an Old World South Continent called Ifrequeh There's a Temple of Vorell in Ifrequeh that supposedly contains one of the scrolls that Justin is seeking He decides to involve himself in the war in Ifrequeh in order to possibly acquire another scroll Justin travels to Ifrequeh along with several Commandos and six grav sleds The grav sleds are fitted with fake wooden wings and noisemakers to resemble giant vampire bats The fake vampire bats scatter the mobs that threaten to conquer the South of Ifrequeh and the armies of the South are then able to deal with the remnants of the mobs During the attack of the mobs Justin acquires for safe keeping the scroll he seeks from the High Priest of a Temple of Vorell that comes under attack With the help of Norva Lemni Justin then gets food and medical shipments headed North to help the people whom the mobs looted He then forces a Warlord responsible for at least some of the mobs into a spear fight Justin then uses the results of the spear fight to recruit a tribe called Ngoba to seize a government arms depot in Zimboja With the Ngoba in control of the depot the political situation is balanced with several tribes too evenly matched for a war to be profitable However there is a second Warlord and he sends a leopard man to kill Justin Justin uses the situation to his advantage He then learns through an Ngoba Chief that there's a large gold mine in the North of Zimboja Justin then manages to convince the Prime Minister of Zimboja to grant him the mining concession in return for solving problems at the mine Justin and Ngoba warriors then seize the mine Justin then becomes involved with a sisterhood organization in which at least the leaders have paranormal powers The gaining of the paranormal powers came about due to a visit by a white man almost certainly Lord Vorell With information gained from the sisterhood Justin then disposes of the remaining Warlord Justin still has his second chance

Thunder at Dawn James Blackthorne, 2014-09-26 Reader beware This is a big story so it takes volumes of pages to explain the details However under the heading of Thunder at Dawn a lot transpires The beings who participate in the adventure are the particularly stubborn type brimming over with the will to live At times the characters face a struggle to survive within their habitat that appears to be more like a living hell However to Leon Davith his Golem son Bard along with his Enchantress companion who is called Quill team up with two Warrior Ferries who believe that joining with these eccentrics to seek a high and mighty adventure is pure heaven But all that changes Bard chanced to carry the Mighty Sword as he approached the Gnomish City located on the Threshold of the Unknown he noticed how after unsheathing Thunder At Dawn it reacted by jolting hissing along with emitting the battery of sparks It was said that thunder at Dawn was forged from a brilliant lightning bolt striking Dawn itself Leon the Grand Wizard said that Thunder at Dawn was forged from was forged from a brilliant lighting bolt striking Dawn itself Meanwhile Quill loaded airship to make a lengthy journey Moreover Erin in Leda returned to Eleven Sky City to insure the well being of the inhabitants Bard began studying the course and laying the navigations down while Leon left on an errand to the Empire across the ocean that was headed by the Seer of Shadows who doubtless was elated by the news of the Dark Lords resignation For the moment Leon had other concerns he brought several things with him namely a phial of the cure he could replicate a phial of Blue Rose potion Yaga had given him he could now create it at any time for Blue Roses were a mercifully common plant in many parts of the world and quite easily procured In one instance Erin and Leda glanced up to see a renewed Leo entered the room is this size having been returned to its youthful state thanks to the Blue Rose Potion he drank Leon Don't I get a sit of the cure all for Crow's feet Quill shouted in mock outrage Quill raised out of her chair to grab the now youthful Leon Davith in a headlock Just allow me to use that potion you stupid jerk She snarled rubbing the wizards scalp raw with her fist In another less than humorous incident was God came to stand before Bard Give that cursed weapon to me boy said the god Thunder at Dawn's true form went alight once more and began sending pillars of energy forth even as a lure slowly rose to his feet single mindedly racing for his friends Bard on the other hand slowly advanced on thunder at Dawn even as it sent waves upon waves of energy after Bard blown back again and again the Golan stubbornly held on as he rushed to the sword stabbing it with its counter shadow blade his intuition paid off in The black energies of that weapon left the hilt and immediately began corrupting the towering blade of raw energy thus chaos had been stopped before his plans could be once again set back into motion What was the first as the demon Lord Constable meanwhile back in God sheathe the red warrior stood before the remains of thunder at Dawn grabbing up Shadow Blade's hilt and smiling with the remains of its black energy issued forth sheathing the weapon sheathing the weapon he left whistling to his Emerald Bird the two flew off leaving the cursed remains of Thunder at Dawn far behind as well as pursuit of the sword Read realized it was time to make tracks The two flew off leaving the cursed

remains of thunder at Dawn far behind as well as his pursuit of the sword better to leave it at that for no sword designed to destroy the world was worth wielding that he knew for sure Finally near the end it was concluded that to great swords could not coexist We should remain apart while we have the weapons Bard sighed

A Trilogy Reborn James Blackthorne,2014-10-18 A Trilogy Reborn is a title conjured by noted author James Blackthorne If we have eyes to see the reader will notice a combination of Sagas that are bristling with adventure The reader will experience real thrills It s as if the magician uttered his magic words The trilogy is broken down in a manner that the reader can take in several compelling themes set in exotic settings The author succeeds in detaching a shadow of the moody black walls and provides us with an array of lively flesh and blood characters Blackthorn s heart started beating again I can t pick up what s going on these days the sources said swaying his head sadly but I found a feeling something strange is behind it In most cases the hero of the story has to fall out is usually the difficult path the more upright style He never experiences a quick death For example in Leon s case his beliefs are genuine He s not just a wizard but humanitarian He believes if necessary he must sacrifice himself on the cold slab of the heathen altar In more than one instance he was willing to perish by a blade he had honed wielded by the very arm that had given strength skill and consciousness An intuitive feeling has risen in the world s heart today that somehow our lives are one The prolific author spoke of an idea that he had envisioned remotely in his psyche He envisioned the omniscient potent foe unsheathing his terrible anger and disappointment Blackthorne illustrated how there are no unrelated warring factions somewhere a splendid unity exists behind the apparent diversity We can reveal that hidden thread of being and purpose that seems to marry up the whole Even the stars and galaxies of other worlds are destined to become part of one harmonious mass For the moment the author felt a sudden twinge of fear as his innards shifted violently Along the spur of the moment the fear was gone replaced by a strong pulse of excitement Why should he be afraid he asked himself

He could be likened to the characters in his books James explained how long ago he had readied himself for such exigencies Blackthorne explained From an author s point of view you generally do better if you re close to your character Yet you don t desire to be quite as close as you would like to be from the viewpoint of building up your creativity Come meet the cast of exciting characters as they are involved in this Fine Fantasy firmly rooted in reality there s a strong focus on one of the leading characters called the Grand Wizard Leon Davith It s common for Leon to join powers with his Golem son called Barson Wolfe Blackstone translated his comments into velocity at times he requires the reader to stiffen in order to meet the shock Still no story is complete without including the feminine factions Bards gal pal referred to as Quill who is an alluring young sorceress Meanwhile she stood in the company of two beautiful ferries called Erin and Leda Erin commented to Quill Our alibi s sound so good in theory but in reality what we experience is a different means of narrating the story Leon nodded However Quill explained I can t help the rumination of my thoughts For a minute there was no response Leda remarked my gut feeling informs me that this trip delivers a few glitches is about more than just some ancient relic Stop that Erin said I suffer a strange impression whatever or wherever it is we re being summoned there Leda s eyes opened full My curiosities got me why are we summoned and for what person purpose Leon commented Simmer down ladies it s best to catch some rest before the big day

Meditations of Madness James Blackthorne,2014-10-25 As the minutes rush past Leon and his son Bard discover themselves in a place unlike they ve ever experienced There was no life except except the mosses and lichens and other primal plants among the crevasses And finally they realize there immersed in a dizzying world of excitement and horror hope and despair During these times the grand wizards followers arrive on the scene eager to prove their worth Eventually Quill becomes Bards sidekick He was nice and mighty handsome she remarked Quill was a fledgling sorceress Leon studied the portion of Quills face that wasn t covered with hair He couldn t see much of her features but from what he observed couldn t

deny the young witches features appeared most alluring After things got underway there s an episode when Bard lands in the middle of an explosion that rocked the courtyard Quill observed how her companion used his newly acquired abilities bestowed on him by the Elder God of the Wind The next day Leon s followers withstood a brutal assault worthy of the Queen of the lunar Madness herself Leon remained calm as the Queen hurled bolts of energy that erupted into pillars of flame What could they do to save the situation Funny remarked Quill Previously the Demon Queen spoke perfectly good English there was no color in her cheeks as the tears ran down her face Is this a Goddess Quill remarked or is it but a vision Blackstone commented there was fright in his voice If the situation was real he feared they d all be killed He stood firm and threw back his head Its all here in the book explaining he could recall a series of macabre incidents At the moment the case is to long to discuss he said Even so he wanted everyone to enjoy the sagas Conversely a good deal of time had passed since he engaged in any public discussions The author made his position secure He dared not leave himself vulnerable to his critics attacks As far as the public was concerned James hardly knew their views He commented What gains have our readers made in their abilities to read silently with speed and understanding
