The Harvard Guide to African-American History Evelyn Brooks Higginbotham, 2001 This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America Refiguring American Film Genres Nick Browne, 1998-04-22 This collection of essays by leading American film scholars charts a whole new territory in genre film criticism Rather than assuming that genres are self evident categories the contributors offer innovative ways to think about types of films and patterns within films in a historical context Challenging familiar attitudes the essays offer new conceptual frameworks and a fresh look at how popular culture functions in American society The range of essays is exceptional from David J Russell s insights into the horror genre to Carol J Clover s provocative take on trial films to Leo Braudy s argument for the subject of nature as a genre Also included are essays on melodrama race film noir and the industrial context of genre production The contributors confront the poststructuralist critique of genre head on together they are certain to shape future debates concerning the viability and vitality of genre in studying American cinema **The Historical Film** Marcia Landy, 2001-01-01 This aims to show how media critics and historians have written about history as portrayed in cinema and television by historical films and documentaries focusing on what it means to read films historically and the colonial experience as shown in post colonial film *Film Study* Frank Manchel, 1990 The four volumes of Film Study include a fresh approach to each of the basic categories in the original edition Volume one examines the film as film volume two focuses on the thematic approach to film volume three draws on the history of film and volume four contains extensive appendices listing film distributors sources and historical information as well as an index of authors titles and film personalities **Jammin' at the Margins** Krin Gabbard, 1996-05-15 Preface Introduction Whose Jazz Whose Cinema 1 The Ethnic Oedipus The Jazz Singer and Its Remakes 2 Black and Tan Fantasies The Jazz Biopic 3 Jazz Becomes Art 4 Signifying the Phallus Representations of the Jazz Trumpet 5 Duke s Place Visualizing a Jazz Composer 6 Actor and Musician Louis Armstrong and His Films 7 Nat King Cole Hoagy Carmichael and the Fate of the Jazz Actor Conclusion New York New York and Short Cuts Notes Bibliography Index Copyright Libri GmbH All rights reserved Subversive Voices Evelyn Jaffe Schreiber, 2001 In *Subversive Voices* Evelyn Jaffe Schreiber investigates the intersection of identity and culture as manifested in the novels of William Faulkner and Toni Morrison Drawing on the psychoanalytic theory of Jacques Lacan as well as on various cultural studies theories Schreiber offers provocative new insights into these two writers and what their work reveals about the possibilities of social change Schreiber considers how blacks and women through their subversive voices and articulation of difference produce change despite the psychic and cultural structures that would determine identity The author begins her examination of these marginalized voices by analyzing the patriarchal structure depicted in Faulkner s *Go Down Moses* She goes on to trace the subversive voices of women in the *Snapes* trilogy before considering the emergent voices of blacks in Faulkner s work generally as well as specifically in *Intruder in the Dust* In the second half of the

book Schreiber analyzes the articulation of difference that Morrison presents through the black and female characters of *The Bluest Eye* *Song of Solomon* *Beloved* and *Paradise* In Faulkner's work Schreiber argues nostalgia provides a screen that preserves the power of patriarchal structures and serves to eroticize the other for the dominant culture by using marginalized others to fulfill the desire for an imagined wholeness Yet in spite of this screen agency or empowerment does emerge for these marginalized voices in Faulkner In Morrison's novels the absence of a nostalgic screen highlights these subversive voices the dominant culture's eroticized imagined other becomes a threatening entity and gains agency Schreiber suggests that meaningful action and change can occur through encounters with what Lacan calls the real an awareness of the nothingness at the core of identity Recognition of this nothingness allows the reality of the other to manifest itself and have agency in the social world The works of both Faulkner and Morrison reveal whether obliquely or directly how subversive voices emerge to expose this lack Such exposure then creates a form of self awareness that can lead to cultural transformation

The Author Evelyn Jaffe Schreiber is an assistant professor of English at George Washington University Her articles have appeared in the *Faulkner Journal* *Style* *Mississippi Quarterly* and other publications *Radical Innocence*

Play It Again, Sam Andrew Horton, Stuart Y. McDougal, 2024-03-29 This title was originally published in 1998 *Play It Again Sam* is a timely investigation of a topic that until now has received almost no critical attention in film and cultural studies the cinematic remake As cinema enters its second century more remakes are appearing than ever before and these writers consider the full range Hollywood films that have been recycled by Hollywood such as *The Jazz Singer* *Cape Fear* and *Robin Hood* foreign films including *Breathless* and *Three Men and a Cradle* which Hollywood has reworked for American audiences and foreign films based on American works

among them Yugoslav director Emir Kusturica's *Time of the Gypsies* which is a makeover of Coppola's *Godfather* films. As these essays demonstrate, films are remade by other films. Alfred Hitchcock went so far as to remake his own *The Man Who Knew Too Much* and by other media as well. The editors and contributors draw upon narrative film and cultural theories and consider gender, genre and psychological issues, presenting the remake as a special artistic form of repetition with a difference and as a commercial product aimed at profits in the marketplace. The remake flourishes at the crossroads of the old and the new, the known and the unknown. *Play It Again Sam* takes the reader on an eye-opening tour of this hitherto unexplored territory. This title is part of UC Press's *Voices Revived* program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach and impact. Drawing on a backlist dating to 1893, *Voices Revived* makes high quality peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1998.

Liz C. David Heymann, 2011-04-04. Elizabeth Taylor's own story was more dramatic than any part she ever played on the screen. C. David Heymann brings her magnificently to life in this acclaimed biography, updated with a new chapter covering her final years. She was an icon, one of the most watched, photographed and gossiped about personalities of our time. Child star, daughter of a controlling stage mother, Oscar-winning actress, seductress and eight-time wife, mother of four children and grandmother of ten, champion of funding for AIDS research, purveyor of perfumes and jewelry, close friend of celebrities and tycoons, Elizabeth Taylor for almost eight decades played most completely, beautifully, cunningly, flamboyantly and scandalously her greatest role of all: herself. The basis of an Emmy Award-nominated miniseries, *Liz* portrays Taylor's life and career in fascinating, revealing detail and includes an additional new chapter bringing her beloved fans up to date on her final years. By way of more than a thousand interviews with stars, directors, producers, designers, friends, family, business associates and employees and through extensive research among previously disclosed court, business, medical and studio documents, bestselling author Heymann reminds readers of her very public escapades and unveils her most private moments. Here are the highs and lows of her film career and the intimate circumstances of her marriages to Nicky Hilton, Michael Wilding, Mike Todd, Eddie Fisher, Richard Burton, Senator John Warner and Larry Fortensky. Here too is the truth about Taylor's father and her friendships with leading men: Montgomery Clift, James Dean and Rock Hudson, as well as with the eccentric Malcolm Forbes and Michael Jackson. From her illnesses, injuries, weight issues and battles against drug and alcohol to her sexual exploits, diamond-studded adventures and
