The Moderates' Dilemma Matthew D. Lassiter, Andrew B. Lewis, 1998 In 1958 facing court ordered integration Virginia's governor closed public schools in three cities His action provoked not only the NAACP but also large numbers of white middle class Virginians who organized to protest school closings This compilation of essays explores this contentious period in the state's history Contributors argue that the moderate revolt against conservative resistance to integration reshaped the balance of power in the state but also delayed substantial school desegregation Annotation copyrighted by Book News Inc Portland OR

Business Ethics and Social Responsibility Joseph Eisenhauer, Lawrence Zeff, 2023-11-25 Fr Gerald F Cavanagh S J has been widely recognized as one of the founders of the field of business ethics as well as a leader in bringing Catholic Social Teaching to bear on this academic discipline One of his principal insights has been that business as the most powerful agency in society can and should be a force for positive societal change rather than deferring that responsibility to government This volume collects his most significant contributions to the discipline from the mid 1960s to the early 2020s into a single convenient reference work To show the development of his thought on various issues pertaining to the broad subject of business ethics the chapters are organized into five major themes diversity equity and inclusion the dignity of work personal values and spirituality in the workplace ethical norms and organizational values corporate social responsibility and business ethics in the college curriculum
