## **Blacks In The Jewish Mind A Crisis Of Liberalism:**

**Blacks in the Jewish Mind** Seth Forman, 2000-10 Since the 1960s the relationship between Blacks and Jews has been a contentious one While others have attempted to explain or repair the break up of the Jewish alliance on civil rights Seth Forman here sets out to determine what Jewish thinking on the subject of Black Americans reveals about Jewish identity in the U S Why did American Jews get involved in Black causes in the first place What did they have to gain from it And what does that tell us about American Jews In an extremely provocative analysis Forman argues that the commitment of American Jews to liberalism and their historic definition of themselves as victims has caused them to behave in ways that were defined as good for Blacks but which in essence were contrary to Jewish interests They have not been able to dissociate their needs religious spiritual communal political from those of African Americans and have therefore acted in ways which have threatened their own cultural vitality Avoiding the focus on Black victimization and white racism that often infuses work on Blacks and Jews Forman emphasizes the complexities inherent in one distinct white ethnic group s involvement in America s racial dilemma

**Blacks in the Jewish Mind** Seth Forman, 1998-07 Since the 1960s a period which saw a flourishing of Black Jewish alliances the relationship between Blacks and Jews has been a contentious one While others have attempted to explain or repair the schism Seth Forman here sets out to determine what Jewish thinking on the subject of Black Americans reveals about Jewish identity in the United States Why did American Jews get involved in Black causes in the first place What did they have to gain from it And what does that tell us about American Jews Blacks in the Jewish Mind is the first study on race relations to examine the unusual efforts of one white group to attach itself to the enormity of the Black experiences sometimes to its own cultural detriment

**The Ocean-Hill Brownsville Conflict** Glen Anthony Harris, 2012-01-01 The history of Black Jewish relations from the beginning of the twentieth century shows that while they were sometimes partners of convenience there was also a deep suspicion of each other that broke out into frequent public exchanges During the twentieth century the entanglements of both groups have at times provided an important impetus for social justice in the United States and at other times have been the cause of great tension The Ocean Hill Brownsville Conflict explores this fraught relationship which is evident in the intellectual lives of these communities The tension was as apparent in the life and works of Marcus Garvey Richard Wright and James Baldwin as it was in the exchanges between blacks and Jews in intellectual periodicals and journals in the 1940s 1950s and 1960s The Ocean Hill Brownsville conflict was rooted in this tension and the longstanding differences over community control of school districts and racial preferences
