As the embers of old wars smoulder, the world of Gigas Earth stands on the brink of chaos. Fragile alliances strain under the weight of ambition, and in the shadows, whispers of treachery and war grow louder. In the north, Queen Karak Th'rn seeks to seize the throne of Nordon from her husband, her King. But trust within her own court is a dangerous illusion. In the east, Lord Malum Thalron prepares to welcome foreign envoys to Borlong, unaware that their arrival will shatter his dominion and expose the fault lines in his house. And in the south, beneath the scorched skies of the Drylands, an ancient prophecy stirs one that could reshape the fate of empires. Amidst rulers vying for power, a nameless boy with nothing to his name finds himself at the heart of forces far greater than he can comprehend. As kings and queens sharpen their blades and forge uneasy alliances, the first sparks of war are lit. Some will rise. Some will fall. But in the coming storm, no one will escape unscathed. The war begins with a whisper.
