Gray William Blake,2013-12-31 116 watercolors illustrate 13 best loved poems by Thomas Gray including Elegy Written in a Country Churchyard and Ode on the Death of a Favourite Cat First inexpensive full color reproduction with complete text of poems *English Writers* B. A. Sheen,2004 English Writers A Bibliography with Vignettes The Cambridge Companion to

William Blake Morris Eaves,2003-01-23 Poet painter and engraver William Blake died in 1827 in obscure poverty with few admirers The attention paid today to his remarkable poems prints and paintings would have astonished his contemporaries Admired for his defiant uncompromising creativity he has become one of the most anthologized and studied writers in English and one of the most studied and collected British artists His urge to cast words and images into masterpieces of revelation has left us with complex forceful extravagant some times bizarre works of written and visual art that rank among the greatest challenges to plain understanding ever created This Companion aims to provide guidance to Blake s work in fresh and readable introductions biographical literary art historical political religious and bibliographical Together with a chronology guides to further reading and glossary of terms they identify the key points of departure into Blake s multifarious world and work *Japanese Woodblock Bird Prints* Kashū Numata,2011-08-18 Numata Kash s wonderfully lifelike images of birds and flowers first appeared in a three volume 1883 portfolio His woodblock prints were so popular that dealers sold them individually destroying most complete sets A collector s delight this exquisite edition reprints a 1930s facsimile alive with 150 color illustrations of the highest quality Shakespeare's A Midsummer Night's Dream William

Shakespeare,2012-04-30 Shakespeare s romantic comedy takes on vivid life with these brilliant images by one of the 20th century s leading illustrators Includes the complete play along with 40 full color and numerous black and white illustrations

The Graphic Works of Odilon Redon Odilon Redon,2013-02-20 A prominent Symbolist and a precursor to the Surrealists Redon transformed common subjects into fantastic images depicting serpents skeletons and monsters with a distinctive style of realism 172 lithographs plus 37 etchings and engravings The Prisons / Le Carceri Giovanni Battista Piranesi,2013-02-19 Reprinted from rare expensive first and second editions this version of Piranesi s masterwork presents side by side renderings of original and extensively revised drawings in a large format 33 full page illustrations **Doré's Angels** Gustave Doré,2012-12-31 Dozens of the renowned artist s celestial beings as created for such great literary works as the Bible Coleridge s The Rime of the Ancient Mariner and Milton s classic Paradise Lost 75 black and white illustrations

Blake ,2001 An illustrated quarterly The Publishers Weekly ,1891 Again to the Life of Eternity Frank A. Vaughan,1996 This work postulates that the set of 116 designs by William Blake illustrated herein is not a series of individual

responses to the pieces of text they accompany nor is it a series of responses to the individual poems of Thomas Gray The designs are also more than illustrations or corrections of Gray s speakers or of Gray himself In the Gray designs Blake was using the opportunity given him by John and Ann Flaxman in 1797 to explore and explain visually the reformist malaise in the reactionary nineties when the general economic well being and optimism had been replaced by the effects of war and fear For Blake the collapse into the later 1790s is the failure of the imaginative will to sustain the impetus that the American and French Revolutions had begun Blake saw several causes for this failure of will and created a set of designs rich in allusions and dense with visual conventions These visual topoi are personal topical classical biblical and literary Thus there is a need for a study of the Gray designs that sees them as they are a unity rich with visual conventions partaking of Blake s revolutionary pattern of development and desire to reshape in specific ways the mind of his audience

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Fire in the Sky Roberta J. M. Olson, Jay M. Pasachoff, 1999-11-13 Comets and meteors are spectacular and awe inspiring natural phenomena which are among nature s most compelling icons Since the beginning of recorded time they have mesmerized people not least among them artists and astronomers Britain during the eighteenth and nineteenth centuries produced a larger number and greater variety of representations of comets and meteors than any other country The development of new technologies and the burgeoning interest of the general public in science and art dovetailed with the inherent British interest in nature and a strong literary tradition of comet and meteor symbolism This beautifully illustrated book examines the link between these works and the achievements of British science in the wake of Newton and Halley This book will be stimulating to anyone interested in the art or astronomy of comets

Romanticism and Illustration Ian Haywood, Susan Matthews, Mary L. Shannon, 2019-05-16 Explores a vital aspect of British Romanticism the role of illustration in Romantic era literary texts and visual culture

The Moment of Explosion Stephen C. Behrendt, 1983-01-01 William Blake thought that John Milton had been betrayed by both his commentators and his illustrators and he set out to recover Milton s vision particularly in Paradise Lost from the misguided academic and Augustan misinterpretation to which it had been subjected The Moment of Explosion Blake and the Illustration of Milton is the first detailed analysis of all of Blake s illustrations for Milton s poetry Blake explicitly believed he was correcting errors that Milton wanted corrected and he felt that his illustration was interpretive criticism in its highest sense a re vision that would broadcast Milton s revolutionary ethic afresh Stephen C Behrendt blends a close reading of Blake and Milton with meticulous and provocative examination of the illustrations of Blake his predecessors and his contemporaries The focus on visual art as criticism establishes the book as a major essay on the interaction of the arts within and across cultural periods Fifty four black and white illustrations document that radical Romantic assault by Blake on tradition in the name of tradition The highlight of the book is Blake s two sets of Paradise Lost illustrations reproduced here in twenty four color plates Blake s final statements on Paradise Lost and the culmination of his aesthetic and critical

development This beautiful book presents a wealth of illustration previously scattered or inaccessible It will be of major interest to students of Blake Milton Romanticism art history and the history of ideas *The Artist as Original Genius* William L. Pressly,2007 Examines the first generation of artists in Britain to define themselves as history painters attempting what then was considered to be art s most exalted category This book features more than 120 black and white illustrations

British Paintings in the Metropolitan Museum of Art, 1575-1875 Metropolitan Museum of Art (New York, N.Y.),Katharine Baetjer,2009 Covering the period between the late 16th century through to the third quarter of the 19th century this book features paintings by English Scottish Welsh and Irish artists which are part of the collection of the Metropolitan Museum of Art American Book Publishing Record ,2000 **Guide to Reprints** ,2009 *Bibliographic Guide to Art and Architecture* New York Public Library. Art and Architecture Division,1977
