Fictions of the Feminine in the Nineteenth-Century Spanish Press Lou Charnon-Deutsch, 2010-11-01 How was the female body perceived in the popular culture of late nineteenth century Spain Using a wide array of images from popular magazines of the day Lou Charnon Deutsch finds that women were typically presented in ways that were reassuring to the emerging bourgeois culture Charnon Deutsch organizes the 190 images reproduced in this book into six broad categories or fictions of the feminine she reads women s bodies as a romantic symbol of beauty or evil as a privileged link with the natural order as a font of male inspiration as a mouthpiece of bourgeois mores as a focalized point of male fear and desire and as an eroticized expression of Spanish exoticism and political ambitions These imaginary visions of femininity Charnon Deutsch argues were a response to and also helped to create gendered stereotypes by suggesting ideal feminine behavior and poses Further they comprised a reassuring between male cultural medium that provided graphic validation of women s docile body for a culture enthralled with femininity Integrating the fields of literature and cultural studies Charnon Deutsch s approach to this subject is unique Many of the images collected here are available for the first time and they represent only a fraction of the two thousand images Charnon Deutsch collected during her research This book will appeal to students of Spanish cultural studies and gender studies as well as to art historians

Africans and Native Americans Jack D. Forbes, 1993-03-01 Jack D Forbes s monumental Africans and Native Americans has become a canonical text in the study of relations between the two groups Forbes explores key issues relating to the evolution of racial terminology and European colonialists perceptions of color analyzing the development of color classification systems and the specific evolution of key terms such as black mulatto and mestizo terms that no longer carry their original meanings Forbes also presents strong evidence that Native American and African contacts began in Europe Africa and the Caribbean

Spanish Women Writers and the Essay Kathleen Mary Glenn, Mercedes Mazquiarán de Rodríguez, 1998 Never before has a book examined Spanish women and their mastery of the essay In the groundbreaking

collection *Spanish Women Writers and the Essay* Kathleen M Glenn and Mercedes Mazquiar n de Rodr guez help to rediscover the neglected genre which has long been considered a masculine form Taking a feminist perspective the editors examine why Spanish women have been so drawn to the essay through the decades from Concepci n Arenal s nineteenth century writings to the modern works of Rosa Montero Spanish women historically denied a public voice have discovered an outlet for their expression via the essay As essayists they are granted the authority to address subjects they personally deem important discuss historical and sociopolitical issues and denounce female subordination This genre which attracts a different audience than does the novel or poem allows Spanish women writers to engage in a direct dialogue with their readers Featuring twelve critical investigations of influential female essayists *Spanish Women Writers and the Essay* illustrates Spanish women writers command of the genre their incorporation of both the ideological and the aesthetic into one concise form and their skillful use of various strategies for influencing their readers This fascinating study which provides English translations for all quotations will appeal to anyone interested in nineteenth and twentieth century Spanish literature comparative literature feminist criticism or women s studies

An Eye on Race John Beusterien, 2006 Racism in the modern nation state is based on a Continental and an American model In the Continental model the racist differentiates the raced individual by religion Because this raced individual is indistinguishable from the racist a narrative is written to see that individual In turn in the American model the racist differentiates the raced individual based on skin color Because the sign of difference is obvious no story is written to justify racist thinking By 1550 both models form part of imperial thinking in the Iberian world system *An Eye on Race Perspectives from Theater in Imperial Spain* describes these models at work in imperial Spanish theater The study reveals how the display of blood in drama serves the Continental model and how the display of skin color serves the American model It also elucidates how Miguel de Cervantes celebrates a subaltern aesthetic as he discards both racial paradigms John Beusterien is Associate Professor of Spanish at Texas Tech University

Caribbean Without Borders Raquel Puig, Dorsía Smith, 2008-12-18 Caribbean Studies is an emerging field As such many topics within this discipline have yet to be explored and developed This collection of essays is one of the forerunners dedicated to a comprehensive study of the literature language and culture of the Caribbean By exploring the works of such prominent literary scholars as Samuel Selvon and Lorna Goodison as well as the myriad of issues pertaining to the Caribbean experience this volume provides an engaging overview of literary language and cultural analysis Because of this wide range of essays this text meets a need to examine the Caribbean in its complexity which is rarely addressed

Black USA and Spain Rosalía Cornejo-Parriego, 2019-07-24 During the 20th century Spaniards and African Americans shared significant cultural memories forged by the profound impact that various artistic and historical events had on each other Addressing three crucial periods the Harlem Renaissance and Jazz Age the Spanish Civil War and Franco s dictatorship

this collection of essays explores the transnational bond and the intercultural exchanges between these two communities using race as a fundamental critical category The study of travelogues memoirs documentaries interviews press coverage comics literary works music and performances by iconic figures such as Josephine Baker Langston Hughes and Ramón Gmez de la Serna as well as the experiences of ordinary individuals such as African American nurse Salaria Kea invite an examination of the ambiguities and paradoxes that underlie this relationship among them the questionable and at times surprising racial representations of blacks in Spanish avant garde texts and in the press during the years of Franco's dictatorship African Americans very unique view of the Spanish Civil War in light of their racial identity and the oscillation between fascination and anxiety when these two communities look at each other Intersections of Race, Class, Gender, and Nation in Fin-de-siècle Spanish Literature and Culture Jennifer Smith, Lisa Nalbone, 2016-09 This volume focuses on intersections of race class and gender in the formation of the fin de siècle Spanish and Spanish colonial subject Despite the wealth of research produced on gender race largely as it relates to the themes of nationhood and empire and social class few studies have focused on how these categories interacted frequently operating simultaneously to reveal contexts in which dominated groups were dominating and vice versa The Anopheline Mosquitoes of the Caribbean Region William H. Wood Komp, 1942 **A Companion to Early Modern Hispanic Theater** Hilaire Kallendorf, 2014-02-20 A panoramic state of the art handbook destined to chart a course for future work in the field of early modern Hispanic theater studies It begins in the closet with an essay on Celestina as closet drama and moves out into the court to explore intersections with courtly love An essay on the comedia and the classics demonstrates this genre's firm grounding in the classical tradition despite Lope de Vega's famous protestations to the contrary Distinct but related genres such as the autos sacramentales and the entremeses also make an appearance The traditional themes of honor and wife murder share the stage with less familiar topics like the incorporation of animals into performance This volume covers the urban space of the city in Spain and Portugal as well as uncharted territories in the New World and Japan Essays on emblems and the picaresque round out this anthology along with studies of theatrical representations of early modern innovations in science and technology The book concludes with two different psychoanalytical approaches focused on melancholy and Lacanian tragedy respectively This collection incorporates the work of younger scholars along with established names in the field to synthesize the most exciting recent work on the comedia and related forms of early modern Hispanic theatrical production Contributors include Ignacio Arellano Frederick de Armas Henry Sullivan Edward Friedman A Robert Lauer Manuel Delgado Adrienne Mart n Enrique Garc a Santo Tom s Matthew Stroud Teresa Scott Soufas Enrique Fern ndez Mar a Mercedes Carri n Robert Bayliss Ted Bergman Cory Reed Maryrica Lottman Christina Lee and Enrique Duarte **The Essential Codex Mendoza** Frances Berdan, Patricia Rieff Anawalt, 1997-01-01 Consists of v 2 and 4 of Berdan and Anawalt's *The Codex Mendoza* 4 v Berkeley University of California Press c1992 **Latin American Literature and Mass Media** Edmundo Paz Soldán, Debra A. Castillo, 2001 This volume

examines Latin American literature in the context of a complimentary audiovisual culture dominated by mass media such as photography film and the Internet The articles gathered here all of them published for the first time critically assess Latin American media theories Garcia Canclini et al pointing out their strengths and shortcomings show how literary works have been able to sustain their visibility in a highly competitive media ecology accommodating to pop and mass culture while at the same time reaffirming the authority of the literary intellectual Overall the book s foregrounding of the impact of mass media on Latin American literature opens the critical debate on an increasingly essential subject **Using Spanish**

Vocabulary R. E. Batchelor, Miguel Ángel San José, 2003-08-07 This book first published in 2003 provides a comprehensive and structured vocabulary for all levels of undergraduate Spanish courses It offers a broad coverage of the concrete and abstract vocabulary relating to the physical cultural social commercial and political environment as well as exposure to commonly encountered technical vocabulary The accompanying exercises for private study and classroom use are designed to promote precision and awareness of nuance and register develop good dictionary use and encourage effective learning The book includes both Iberian and Latin American vocabulary and clearly identifies differences between the two varieties Consists of twenty units each treating a different area of human experience Units are divided into three levels which allows core vocabulary in each area to be learned first and more specialised or complex terms to be added at later stages

Vocabulary is presented in alphabetical order for ease of location **Bianco in Questione** Susan Petrilli, 2007 *Carmen*

Words, Performing Worlds Gail A. Bulman, 2007 Staging Words presents new perspectives on Argentina Cuba Mexico and Venezuela and their theater by postulating that nation can be imagined and reconstructed through the deliberate performance of intertexts The book shows how past artistic texts other plays stories newspaper articles songs or paintings can be manipulated and translated to create a new theatrical script and that this new script can expose an innovative space

for interpreting the nation The introduction reviews theories of intertextuality nation and nationalism and applies them to Latin America Each chapter studies two to three plays and shows how the intertexts open up hidden connections and border spaces within texts and between texts that the new writer and reader fill with significance replacing the meaning of the pretext with their own This new textual voice permits texts to be restaged reconfigured and imagined in a way that is purely Latin American

Engaging with pre feminist and male authored crime literature *Resisting Invisibility* offers a comparative reading of women s bodies as represented in Spanish crime literature from the mid nineteenth century to the present Utilizing the twin concepts of visibility and invisibility the book establishes a genealogy of differing viewpoints regarding women s positions in these narratives before and after the birth of the modern Spanish female detective This examination of the politics of female visibility expands our understanding of the aesthetic regimes that have governed the female body from the early phases of the genre s evolution While most scholars understand the feminization of the crime genre as a response to second wave feminism *Resisting Invisibility* demonstrates that even in the earliest representations of delinquent women the politics surrounding the female body are problematized and are more complex than previously conceptualized Drawing on gender and queer studies *Resisting Invisibility* investigates the gendering of crime fiction forcing us to reconsider the literary history of female visibility and prompting us to establish an alternative genealogy for Spanish crime literature
