Brett Cyrgalis,2021-05-18 The world of golf is at a crossroads As technological innovations displace traditional philosophies the golfing community has splintered into two deeply combative factions the old school teachers and players who believe in feel artistry and imagination and the technical minded who want to remake the game around data In Golf s Holy War Brett Cyrgalis takes readers inside the heated battle playing out from weekend hackers to PGA Tour pros At the Titleist Performance Institute in Oceanside California golfers clad in full body sensors target weaknesses in their biomechanics while others take part in mental exercises designed to test their brain s psychological resilience Meanwhile coaches like Michael Hebron purge golfers of all technical information tapping into the power of intuitive physical learning by playing rudimentary games From historic St Andrews to manicured Augusta experimental communes in California to corporatized conferences in Orlando William James to Ben Hogan to theoretical physics the factions of the spiritual and technical push to redefine the boundaries of the game *Rory Land* Timothy M. Gay,2025-05-13 RORY LAND is the unabashed story of Rory McIlroy golf s most compelling icon the caring but conflicted soul from a troubled Irish homeland with a swing that borders on the immaculate Timothy M Gay writes that four time major champion Rory McIlroy is golf s ageless Opie Taylor a freckled superstar whose boyish charm transcends national boundaries and enlivens the game His seemingly effortless swing is so powerful that Tiger Woods is teaching his own son to mimic Rory s action But a charismatic persona and a pretty swing don t necessarily translate into winning major championships Over the past decade Rory has had his heart ripped out as he s failed to win another major and fallen short of achieving the career Grand Slam He s also become a lightning rod getting into a profanity laced smackdown at the 23 Ryder Cup and after his betrayal by PGA Tour brass causing head scratching confusion by going from an impassioned opponent of a deal with the Saudi backed LIV Golf to an outspoken proponent His backtrack on LIV fits a disquieting pattern Gay reveals of Rory s propensity to flip flop on key principles and people McIlroy is from Northern Ireland a geopolitical anomaly where religion and patriotism have been used as bloody cudgels for much of the past century Both sides of his family were battered by the North s sectarian Troubles ugly realities that McIlroy has been loath to acknowledge Rory is Gay believes a man essentially without a country which might explain why he s become so obsessed with the Ryder Cup Gay argues that McIlroy has in effect invented his own fiefdom which the author has dubbed RORY LAND
