The Plays David Herbert Lawrence, 2002 **The Dramatic Works of Samuel Beckett** Charles A.

Carpenter, 2011-10-13 A selectively comprehensive bibliography of the vast literature about Samuel Beckett's dramatic works arranged for the efficient and convenient use of scholars on all levels **Blasts and benedictions** Sean O'Casey, *Sean O'Casey* Christopher Murray, 2004 Christopher Murray's work on Sean O'Casey is a critical biography In addition to the normal biographical elements Dr Murray provides a strong interpretative context for the life For example he looks afresh at the Dublin of the 1880s and 1890s in order to provide an updated background to O'Casey's childhood He pays a great deal of attention to the political situation from 1880 to 1922 setting it against O'Casey's own treatment in his six volumes of autobiography In general he attempts to establish O'Casey's Ireland This leads naturally to a fresh examination of the great Dublin trilogy *The Shadow of a Gunman* *Juno and the Paycock* and *The Plough and the Stars* the three works on which O

Casey's reputation stands. The rejection of his next play *The Silver Tassie* by the Abbey Theatre precipitated O'Casey's move to England.

Twentieth-Century Irish Drama Christopher Murray, 2000-05-01 This work provides an overview of Irish theatre read in the light of Ireland's self-definition. Mediating between history and its relations with politics and art, it attempts to do justice to the enabling and mirroring preoccupations of Irish drama.

George Bernard Shaw in Context Brad Kent, 2015-10-14 When George Bernard Shaw died in 1950 the world lost one of its most well-known authors, a revolutionary who was as renowned for his personality as he was for his humour, humanity and rebellious thinking. He remains a compelling figure who deserves attention not only for how influential he was in his time but for how relevant he is to ours. This collection sets Shaw's life and achievements in context with forty-two scholarly essays devoted to subjects that interested him and defined his work. Contributors explore a wide range of themes moving from factors that were formative in Shaw's life to the artistic work that made him most famous and the institutions with which he worked to the political and social issues that consumed much of his attention and finally to his influence and reception. Presenting fresh material and arguments, this collection will point to new directions of research for future scholars.

James Larkin: Lion of the Fold Donal Nevin, 2014-03-12 This book is a detailed compilation of writings and lectures about the life of James Larkin. It reviews his influence in history and on various movements across the country and abroad. *James Larkin: Lion of the Fold* includes writing by James Larkin and is a timely reminder of the long road that the Irish people have travelled together. The book considers much of the history of the early Irish Labour Movement and includes a vast range of opinion on James Larkin.

Writing Ireland's Working Class Michael Pierse, 2016-04-30 Exploring writing of working-class Dublin after Seán O'Casey, this book breaks new ground in Irish Studies, unearthing submerged narratives of class in Irish life. Examining how working-class identity is depicted by authors like Brendan Behan and Roddy Doyle, it discusses how this hidden urban Ireland has appeared in the country's literature.

W. B. Yeats K. P. S. Jochum, 1978 This bibliography is the second revised edition of a book first published in 1978 under a somewhat different title. Apart from correcting mistakes, the second edition extends the coverage of material until 1986 and includes many items from 1987 and 1988. It also adds numerous items that should have been included in the first edition but had somehow escaped my notice.

Irish Drama and the Other Revolutions Susan Cannon Harris, 2017-06-23 The first modern Irish playwrights emerged in London in the 1890s at the intersection of a rising international socialist movement and a new campaign for gender equality and sexual freedom. *Irish Drama and the Other Revolutions* shows how Irish playwrights mediated between the sexual and the socialist revolutions and traces their impact on left theatre in Europe and America from the 1890s to the 1960s. Drawing on original archival research, the study reconstructs the engagement of Yeats, Shaw, Wilde, Synge, O'Casey and Beckett with socialists and sexual radicals like Percy Bysshe Shelley, William Morris, Edward Carpenter, Florence Farr, Bertolt Brecht and Lorraine Hansberry.
