From the Korean War and Vietnam to Desert Storm and the Gulf War these are stories of the dignity of people of faith in untoward circumstances and faraway places Stories of frontline ministry where the agony of war and death takes your breath away with its horror Stories of the outpouring of grace that move you to tears These are the accounts of the heroic men who risk their own lives to bring th comfort of heaven to hell on earth These are the stories of the Catholic military chaplains

Blessings from the Battlefield Timothy L. Todd, 2014-06-26 Blessings is an introduction you might say to Christianity sort of an entry level book written to re orient the reader s focus toward God This book was written as a personal journey back to Christianity after several years on the lam and is a good easy read for anyone just getting started on their journey with God as well as a reminder to all of us of the true simplicity of the message of Christ s gospel to mankind This is an updated corrected version of the earlier work which was published in 1991 *A BATTLE BEING A CHRISTIAN; A BLESSING BEING HIS CHILD* Que~Latrice Davis, 2019-01-15 This time it s called being a witness for the Lord Trusting and knowing that God can do all things and change things in your life This short book gives hope to the hopeless and encouragement to the broken The Bible says if God be for us who can be against us Dig in and enjoy the life experiences in everyday lives *The Dead Sea Scrolls in Context* Armin Lange, Emanuel Tov, Matthias Weigold, 2011 The Dead Sea Scrolls enrich many areas of biblical research as well as the study of ancient and rabbinic Judasim early Christian and other ancient literatures languages and cultures With nearly all Dead Sea Scrolls published it is now time to integrate the Dead Sea Scrolls fully into the various disciplines that benefit from them This two volume collection of essays answers this need It represents the proceedings of a conference jointly organized by the Hebrew University of Jerusalem and the University of Vienna in Vienna on February 11 14 2008

Blessing the World Derek A. Rivard, 2009 Blessings were an integral and vital element of medieval Christian life and worship Benedictions for homes and workplaces the knight and the pilgrim the city under siege and the fetus in the womb are but a small sample of the multitudinous and fascinating extra sacramental blessings that fill the leaves of the liturgical books of the medieval Latin Church While commonly acknowledged as a crucial element in the life of medieval people the meaning and importance of these blessings for their authors and audiences have been frequently overlooked by liturgical and historical scholarship which has focused instead on the textual transmission and long term changes in the blessings and the rituals surrounding them This present work corrects this omission by examining these blessings with modern eyes and a new methodology In *Blessing the World* Derek A Rivard studies liturgical blessing and its role in the religious life of Christians during the central and later Middle Ages with a particular focus on the blessings of the Franco Roman liturgical tradition from the tenth to late thirteenth centuries Through a careful and extensive study of more than ninety such blessings many of them translated for the first time and accessible to a readership beyond specialists in medieval

liturgy the author argues that medieval blessings were composed as a direct response to the needs anxieties beliefs and fears of the laity and therefore these texts represent a rich and largely untapped source for the study of lay piety and of ritual in medieval Europe Effectively drawing upon anthropology ritual studies the phenomenology of religion and traditional textual study Rivard explores the rich themes of medieval piety that flow throughout the blessings in order to produce a new understanding of the blessing as an attempt to tap the power of the sacred for use in daily life Benedictions for spaces places persons items and events are each studied in turn to produce this new understanding of these blessings and in the process these petitions and rituals reveal much about larger issues of medieval people s cosmology their perceived role in their cosmos their conceptions of God and their connections to the divine and to the spiritual powers of God s creation ABOUT THE AUTHOR Derek A Rivard is associate professor of history at Cottey College PRAISE FOR THE BOOK Blessing the World analyzes the texts of dozens of these blessings in order to explore how medieval Christians conceived of God and their own place within sacred history This textual focus is the book s strength and the author provides English translations of blessings from the tenth to the sixteenth centuries including the original Latin in footnotes thereby making available to readers a rich source of these materials Kathleen Kamerick The Medieval Review Rivard s study of medieval blessing rituals sheds helpful light on the ways that medieval churchmen and their flocks viewed their relationship to God to nature and to their society James A Brundage Church History *Fifty Anchors of God S Blessings* Joseph Harris,2013-12-27 In todays world we are bombarded by temptations The source of much of it of course is the enemythe devil We try to fight him off on our own but often find ourselves falling victim to Satans ploys We know God is ready and able to help us defeat Satan but sometimes were not sure how to ask for his help Author Joseph Harriss *Fifty Anchors of Gods Blessings You Are Sure to Be Blessed* helps you become anchored positioned and secure in Jesus Christ our Lord Learn how to truly get into the presence of the Lord Harris shows you how to break all kinds of strongholds on you including the enemys grip The author explains Gods supernatural power that transforms lives His power is over all things nothing can withstand his power With the knowledge gained from *Fifty Anchors of Gods Blessings You Are Sure to Be Blessed* you will be drawn to renew your relationship with God every day You will become steadfast in faith and in his love There is victory in Jesus Christ His love is everlasting and can never fade away With his help there is victory over your enemies including Satan *A Prayer Warrior's Guide to Spiritual Battle* John Bornschein,2016-04-27 We are in the middle of a spiritual war and prayer is our most powerful weapon So why do we often treat it like a last resort Why do we struggle to prioritize our prayer life God wants us to speak to Him to draw closer to Him to gain His wisdom and understanding and even to change the world through our prayers *A Prayer Warrior s Guide to Spiritual Battle* edited by John Bornschein the vice chairman of the National Day of Prayer Task Force and an executive member of the National Prayer Committee explores the depth and power of a praying life Contributors discuss obstacles to prayer include inspirational stories and provide resources to help everyone gain a greater understanding of this powerful tool
