Bovell,2015-07-24 It has been some time since Catholic and liberal Protestant theologians stopped writing seriously on bibliology Meanwhile conservative evangelical theologians guard against the introduction of new ideas In an effort to make headway through this gridlock Carlos Bovell has commissioned a roundtable discussion on the prospect of whether the inspiration of Scripture might extend beyond authors and texts and if so what this might entail for the authority of Scripture Taken together the essays in this volume make an invaluable contribution to contemporary literature on the inspiration and authority of the Bible [Blessed Among Women?](#) Alicia D. Myers,2017 This book examines ancient generative theories physiological understandings of breast milk and presentations of prominent mothers to analyze these themes in the New Testament and several early Christian writings Identifying themselves as members of God s household ancient Christians utilized motherhood as a theological category and a contested ideal for women disciples **Intimacy and Intelligibility** Erika Kidd,2025-10-15 Intimacy and Intelligibility is a paradigm shifting exploration of De magistro Augustine s overlooked and misunderstood dialogue about words and signs Erika Kidd s fresh approach to Augustine s De magistro On the Teacher fills a gap in the emerging conversation about Augustine s early dialogues while avoiding the disincarnate bias of existing interpretations of this essential work Kidd s reading situates the dialogue within a broadly Augustinian tradition of reflection on language and intimacy Drawing on the work of feminist philosopher and linguist Luce Irigaray Intimacy and Intelligibility unpacks the literary form and the relational context of De magistro including the women who lurk in the dialogue s shadows Kidd likewise reimagines the place of Christ the inner teacher in the dialogue Though the inner teacher is often cast as a mere guarantor of meaning she argues that the inner

teacher summons Augustine and his son Adeodatus to an intimate space of meaning rooted in the life they share Kidd reveals that *De magistro* is not a text about informing but a text about intimacy It is a rich meditation on the blessed life and a worthy memorial to Augustine's beloved son
