Blessed are the Ignorant Osho, 1979      Blessed are the Ignorant Rajneesh, 1979      **Blessed Are the Ignorant** Osho, 2024-05-02 Deva means divine and agyana means ignorance divine ignorance And this has to be understood All knowledge is superfluous Knowledge as such is superfluous And all knowledge creates only an illusion that we know we don't know You can live with a man your whole life and you can think that you know him and you don't know him You can give birth to a child and you can think you know him and you don't know him And whatsoever we think we know is very illusory

**Charisma and Control in Rajneeshpuram** Lewis F. Carter, 1990-08-31 Rajneeshpuram a controversial religious community transplanted from India to Oregon in 1981 attracted international attention when several of its leaders were arrested in 1985 The spiritual leader Bhagwan Shree Rajneesh was deported from the United States and others subsequently served prison terms for arson poisonings attempted murder and other crimes Rajneesh's followers called sannyasin are distinguished from other religious groups by their denial of the legitimacy of any moral code for regulating conduct their rejection of personal constraint by existing human institutions and the absence of any stable shared system of beliefs This book is a narrative account of the progressive regimentation of the commune and the escalating hostilities between it and the surrounding communities that led to eventual dismantlement This is a comprehensive treatment of the Oregon Rajneesh incident from a sociological perspective this study offers insights into the importance of shared values for regulating group processes and for negotiating relationships with other groups      *Io Sono la Soglia* Osho, 1980      **Books from India**, 1975

Books India, 1975      **The Discipline of Transcendence** Osho, 1978 Discourses by an Indian religious leader August 1976      *A Lotus of Emptiness* Osho, 2021-07-06 Osho is one of the most original minds in this second half of the twentieth century Reading him is sheer pleasure Osho is undoubtedly a master of words and knows how to use them He should be read Many passages from his books are quotable I wish I had written them myself M V Kamath      Kundalini Yoga Osho, 1997-12-01      **Rising In Love** Osho, 2009      A Taste of The Divine Osho,      Bauls : The Seekers Of The Path Osho,

**The Divine Melody** Osho, 2021-11-08 These songs of Kabir are nothing but the overflowing of that melody that he has heard These songs are nothing but the overflowing of the flood that he has received into his innermost being These songs are no longer ordinary songs These songs are not only those of a poet but those of a mystic one who knows knows by living it one who has tasted God who is drunk with God Osho      *The Psychology Of The Esoteric* Osho, 2022-03-30 There are two types of evolution collective evolution and individual conscious evolution Evolution implies unconscious collective progress so it would be better to use the word revolution in talking about man With man revolution becomes possible Revolution as I am using the word here means a conscious individual effort toward evolution It is bringing individual responsibility to a peak Only you are responsible for your own evolution      **Nirvana : The Last Nightmare** Osho, 2004 Spontaneous talks given by the author in Chang Tzu Auditorium Pune India      I Say Unto You - Vol. II Osho, 2022-06-22 What if Jesus were not a supernatural being

conceived by a virgin but a real human being who had experienced the awakening of consciousness known as enlightenment in the East This extraordinary line by line commentary on some of the best known Gospels from the New Testament tests the hypothesis that Jesus was a mystic not a miracle worker And convincingly makes the case that the stories of his life were never meant to be a factual record of history but rather are teaching parables designed to provide ongoing spiritual guidance for generations to come I will speak on Christ but not on Christianity Christianity has nothing to do with Christ In fact Christianity is anti Christ just as Buddhism is anti Buddha and Jainism anti Mahavir Christ has something in him which cannot be organized The very nature of it is rebellion and a rebellion cannot be organized The moment you organize it you kill it Then the dead corpse remains You can worship it but you cannot be transformed by it You can carry the load for centuries and centuries but it will only burden you it will not liberate you That s why from the beginning let it be absolutely clear I am all for Christ but not even a small part of me is for Christianity If you want Christ you have to go beyond Christianity If you cling too much to Christianity you will not be able to understand Christ Christ is beyond all churches
