Blessings, Miracles & Supernatural Experiences Christopher H.K. Persaud, 2015-03-06 Many people today are reluctant to believe in blessings ensuing from a supernatural source and they are hesitant to lend credence to the possibility of miracles and supernatural experiences as well. Numerous Christians too, although they profess allegiance to the God of the Holy Bible, tread delicately on a path that would otherwise bridge a chasm between the temporal or tangible and the miraculous or preternatural. The result is a departure from Biblical Christianity and the embracing of a kind of pseudo religiosity far removed from the Gospel of Jesus Christ. In *Blessings Miracles Supernatural Experiences A Biblical Perspective A Christians Story*, the author presents an explicative discussion about blessings, miracles, and supernatural experiences from a Biblical standpoint. He purposes to explain the supernaturalness of God while acknowledging present day humankind's falling away from Biblical Christianity and its pronouncements about an omniscient, omnipotent, and omnipresent Creator and Designer of life and of the universe. The author devotes three full length chapters to the recollection of blessings, miracles, and supernatural experiences in his life, the lives of family members including his siblings and their families, and his parents. There are stories about healings, miracles, supernatural experiences, and even demon possession and exorcism, all of which actually took place. The penultimate and final chapters of *Blessings Miracles Supernatural Experiences A Biblical Perspective A Christians Story* examine the greatest miracle in history, the Resurrection of Jesus Christ, and analyze what religious scholars refer to as End time events and the ushering in of eternity, a period of everlastingness in either of two locations, heaven or hell.

God'S Miracles, Blessings & Healings and Rebuking the Demons, Witch & Satan Dr. Kevin F Hue-Fah, 2015-01-21 God versus Satan, this is spiritual warfare. Read about God's miracles, healings, and blessings in my life. Find out how to identify and rebuke demons, witches, and Satan. No need to fear Satan's attacks so long as you have faith in God, Jesus Christ of Nazareth, and the Holy Spirit, i.e. the Holy Trinity, as most powerful, and put on the Armour of God. Also believe by faith that Jesus Christ of Nazareth died on the cross for our sins and was resurrected on the third day to defeat death and Satan. Repent before it's too late before Jesus Christ of Nazareth returns in the Rapture. *WITNESS ME, SAYS THE LORD JESUS*

Barbara Ann Mary Mack, 2025-08-18 *WITNESS ME SAYS THE LORD JESUS REVEALS THE PRESENCE OF JESUS MANIFESTATIONS AND MIRACLES TODAY*

CADEN ONE OF GOD S LITTLE BABES IS ONE OF JESUS MIRACLES AND MANIFESTATIONS ON EARTH TODAY *Blessed by Miracles* William A. Burt, 1998 Miracles come in all shapes and sizes and can happen when you need them most or when you least expect them. This collection of real life stories includes accounts by survivors of illness and disaster, witnesses to saintly and angelic miracles, as well as holy visions including that of the Virgin Mary. Also included are ways for you to bring the power of miracles into your own life and the lives of your loved ones.

Being Held by God Nannette

Jodar,2011-02-24 On May 30 2008 Nannette Jodar received a diagnosis of Stage 4 Inflammatory Breast Cancer The disease had spread to her liver and the surrounding lymph nodes up to her thyroid In the medical field this is a worst of the worse diagnosis most likely ending in death With a broken heart and dwindled hope Jodar began to pray Then two weeks later the timorous hot spots were gone Miracle or misdiagnosis Her doctors would say miracle as would Jodar herself The medical community was astounded by her progress so much so that they had no idea how to follow up Nannette Jodar has since been called a Miracle Woman and to this day she serves as a beacon of hope to other women suffering from similar disease Being Held by God is the story of her journey but it is not only a retelling it is a reckoning Jodar is healed and it was through her self designed process of seeking the counsel of an herbal doctor changing her diet prayer and belief that she was being guided towards her course of a cure She now serves as an advocate to those who desire to stay healthy or become healthy through proactive love of their body temples Our lives are a divine gift and as soon as we see them as such the healing can begin

Confessions of a Father

George Gutshall,2019-02-25 Confessions of a Father subtitled Living Biblically Balanced in a Cultural World Sanity in Insanity This book and the stories I share with you have a meaning and purpose As the pages unfold as you see my life my heart my journey with Christ you will see what the Holy Spirit has taught me You will read how God has worked through my misunderstanding my false doctrines and false beliefs You will read how the Lord has worked through my family my home my relationships and circumstance to lead me into a deeper love of and for Him You will read how God s Word and His working in my life has led me into an intimate personal relationship with Christ and how God has used His Word to correct my false doctrines my false beliefs and my life To put it very simply you will read what I have learned I am a child of God The One true living God I am a servant of the Lord and disciple of Jesus Christ I am empowered by the Holy Spirit to seek out and bring God s meaning and purpose into my life and

to bring glory to the One who created me I am called to strive to live according to God's Word while trying to live in a world powered by false doctrine and false beliefs He is my sanity in this world of insanity I want to state that this book is in no way an attempt to authenticate the Scripture That has already been done many times over by individuals who are far more knowledgeable than I am and who are true Bible theologians In these pages I make reference to the Bible and books of the Bible but generally not direct citations I hope and I pray that will encourage you to read the Bible for yourself not just parts but the whole Bible I say this I hope this and I pray this because I know that if you do you will find what I have found If we take the cultural glasses off and try to see the world through Christ and live according to God's Word then we will know sanity in insanity we will know Christ Jesus In the beginning was the Word and the Word was with God and the Word was God He was with God in the beginning Through him all things were made without him nothing was made that has been made In him was life and that life was the light of all mankind The light shines in the darkness and the darkness has not overcome it John 1:1-5

I Unlocked My Subconscious Your Turn Todd Andrew Rohrer, 2009-04 The author had an accident five months ago The author accidentally unlocked his subconscious The author lost his sense of time and emotions in the process The author suggests anyone who reads this book will unlock their subconscious The author suggests that is not a prediction That author suggests that is a warning This is the author's third attempt to communicate since the accident Do not attempt to contact me I am too busy attempting to contact you I cannot help you read this book That is just the way it is Medicine and Religion Gary B. Ferngren, 2014-03-19 Explores the interplay of medicine and religion in Western societies Medicine and Religion is the first book to comprehensively examine the relationship between medicine and religion in the Western tradition from ancient times to the modern era Beginning with the earliest attempts to heal the body and account for the meaning of illness in the ancient Near East historian Gary B Ferngren describes how the polytheistic religions of ancient Mesopotamia Egypt Greece and Rome and the monotheistic faiths of Judaism Christianity and Islam have complemented medicine in the ancient medieval and modern periods Ferngren paints a broad and detailed portrait of how humans throughout the ages have drawn on specific values of diverse religious traditions in caring for the body Religious perspectives have informed both the treatment of disease and the provision of health care And while tensions have sometimes existed relations between medicine and religion have often been cooperative and mutually beneficial Religious beliefs provided a framework for explaining disease and suffering that was larger than medicine alone could offer These beliefs furnished a theological basis for a compassionate care of the sick that led to the creation of the hospital and a long tradition of charitable medicine Praise for *Medicine and Health Care in Early Christianity* by Gary B Ferngren This fine work looks forward as well as backward it invites fuller reflection of the many senses in which medicine and religion intersect and merits wide readership JAMA An important book for students of Christian theology who understand health and healing to be topics of theological interest and for health care practitioners who seek a historical perspective on the development of the ethos of their vocation Journal of
