The Life of Blessed Margaret Mary George Tickell, 1869 **The Jewish Women of Ravensbrück Concentration Camp** Rochelle G. Saidel, 2006-03-09 Ravensbrück was the only major Nazi concentration camp for women Located about fifty miles north of Berlin the camp was the site of murder by slave labor torture starvation shooting lethal injection medical experimentation and gassing While this camp was designed to hold 5 000 women the actual figure was six times this number Between 1939 and 1945 132 000 women from twenty three countries were imprisoned in Ravensbrück including political prisoners Jehovah's Witnesses asocials including Gypsies prostitutes and lesbians criminals and Jewish women who made up about 20 percent of the population Only 15 000 survived Drawing upon more than sixty narratives and interviews of survivors in the United States Israel and Europe as well as unpublished testimonies documents and photographs from private archives Rochelle Saidel provides a vivid collective and individual portrait of Ravensbrück's Jewish women prisoners She worked for over twenty years to track down these women whose poignant testimonies deserve to be shared with a wider audience and future generations Their memoirs provide new perspectives and information about satellite camps there were about 70 slave labor sub camps Here is the story of real daily camp life with the women's thoughts about food friendships fear of rape and sexual abuse hygiene issues punishment work and resistance Saidel includes accounts of the women's treatment their daily struggles to survive their hopes and fears their friendships their survival strategies and the aftermath On April 30 1945 the Soviet Army liberated Ravensbrück They found only 3 000 extremely ill women in the camp because the Nazis had sent other remaining women on a death march The Jewish Women of Ravensbrück Concentration Camp reclaims the lost voices of the victims and restores the personal accounts of the survivors *The Concentration Camp Brothel* Robert Sommer, 2025-05-06 Discover the chilling untold story of sexual forced labor in Nazi concentration camps In his seminal work The Concentration Camp Brothel Robert Sommer reveals the hidden horrors of sexual forced labor within the SS camp system a subject long overshadowed and seldom acknowledged in the discourse on the Holocaust Through his rigorous examination of over seventy

archives and poignant interviews with more than thirty survivors including former visitors of camp brothels Sommer paints a vivid and harrowing picture of the atrocities committed This book is the first to offer a comprehensive exploration of the establishment operation and profound impact of brothels in Nazi concentration camps Sommer s research meticulously details the brothels integration into the concentration camp system their role in the Nazi exploitation of bodies for control and profit and the complex reactions of the prisoner society to these establishments He explores the desperate survival strategies employed by the women forced into sexual labor and the chilling motivations of their exploiters The book also places the tragedy of camp brothels in the broader context of sexual violence under Nazi rule making a critical connection between these acts of exploitation and the overall history of the Holocaust This updated English edition incorporates new findings and perspectives since the original German publication in 2009 providing a more comprehensive understanding of the subject The foreword by Annette F Timm adds further context and contemporary analysis enhancing the book s relevance and depth
