Owoputi,2009-11-24 Since the history of the entire universe statistics have proven that the problem of infertility has risen over the last two decades We have many more couples with inabilities to have biological children of their own with cases of miscarriages fibroid tumors and complications in delivery So the question has been what changed The answer lies in the newly released book titled *The Blessing of Sarah* An expository book on what the fertility God has to say about empowerment for conception full time gestation period and safe delivery The author goes beyond unravelling the simplistic notion about these problems confronting women and brings to light God s clever ways of addressing them such that if women can understand them they could conceive their own biological children notwithstanding the limitations It has got practical and powerful answers to many questions confronting women s conception providing readers with scriptural analogies on how to handle the cases of barrenness miscarriages fibroid tumors in women and complications in delivery including Bible based prayers for reversing all that was not so from the beginning with the woman With recent incidences of fibroid operation claiming many women s lives the book reveals a better way of handling it showing how the fertility God rids out fibroid without Him applying a pin on women s flesh just to ensure they conceive and bear kids It analyses how the working of the blessing organises the process of conception through to having a full time gestation period unto safe delivery providing significant insights to what can be done to successfully complete the process irrespective of standing limitations The author concluded by making a compelling case for treating the belief of living and dying childless by sharing series of testimonies from couples who had challenges conceiving but now have their own biological kids through the working of the blessing of the womb upon their lives It is a must read for all expecting couples potential couples and women who desire to bear kids in their lifetime and without much trouble too **Female Characters of Holy Scripture** Isaac Williams,1859 *Women in*
