Blessed Are The Persecuted:

Surviving Persecution Vernon J. Sterk, 2019-12-12 Persecution can kill the church unless there is an adequate understanding of preparation for and response to this potentially fatal threat *Surviving Persecution* is a study based on more than forty years of living and working with the Mayans of Chiapas who inhabit the highlands of the southernmost state of Mexico This book can serve as a guide for Christians living in a hostile environment to know how to avoid unnecessary persecution and to survive violent persecution when it strikes This analysis of persecution can also be a valuable resource for students and congregations who desire to better understand the challenges and complexities of persecution The last chapter gives guidelines for how national and international church organizations can play a vital role in helping the suffering church survive and thrive From his personal experience of being the target of persecution and then working with the persecuted indigenous church the author employs an anthropological approach with a biblical perspective to formulate a response to persecution that can promote the growth of the church

Comparative Characterization in the Sermon on the Mount Arren Bennet Lawrence, 2017-03-24 The Sermon on the Mount contains many comparisons In this book the functions of these comparisons are studied by the methodology called comparative characterization Characterization is the way a character is characterized in a narrative Comparative characterization is the characterization of a character using comparisons In comparative characterization another character is used as a foil to bring out a characteristic trait of a concerned character Jesus characterized the ideal disciple in the Sermon on the Mount with many descriptions and imperatives To characterize the ideal disciple Jesus used many comparisons and highlighted the characteristic features that embody the ideal disciple The many comparisons used in the Sermon on the Mount are identified in this study through comparative characterization In addition the teleological purpose of the comparisons which is to play as foil to the characterization of the ideal disciple is identified and highlighted Thus this study identifies Jesus characterization of the ideal disciple and his complex portrayal of the ideal disciple with the many uses of comparisons in the descriptions and imperatives of Jesus in the Sermon on the Mount

Blessed Dr. Richard Marklund, Ann Marklund, 2025-07-08 *Blessed* Blessed Eight Steps to Emotional Relational Spiritual Wholeness The Healing Power of the Beatitudes will challenge the reader to a deeper application of Jesus's words as they apply to health in a contemporary global context Overview Blessed to be envied wealthy fortunate happy Yes This is what one seeks in life But after forty years of preaching about the Beatitudes the most famous Blessed passage in the Bible the authors feel strongly that what the Lord says leads to blessings and what the World means by blessings are almost diametrically opposed Blessed Eight Steps to Emotional Relational Spiritual Wholeness The Healing Power of the Beatitudes explores the excruciating journey everyone must take to arrive at a life of fulfillment and joy Jesus leaves us guidelines that transcend time and culture Modern psychology and sociology have many insights for this journey however they are not really modern The Bible outlined these processes thousands of years before our current academic pursuits discovered them Describing

current psychological thought such as archetypes and self fulfilling prophecy through the lens of the Beatitudes provides the reader with a means to discuss and apply biblical truths The authors seek to add a cultural depth to the understanding of health and wholeness as they reflect on their years of overseas ministry Cultural sidebars enlighten the topics discussed Stories about beggars emblemas filial piety are included Each blessed is part of a relationship an attitude Humankind is responsible for four basic relationships with self society nature technology and God How do the specifics of the Beatitudes express themselves through these relationships How does one bring wholeness out of the dysfunction in each of these areas The Beatitudes have the answer The Beatitudes succinctly demonstrate how to progress in life and the specific rewards for one s efforts The Beatitudes were presented by Jesus as the beginning of his Sermon on the Mount They encapsulate his teaching as very few other statements They were examined for millennia by specific scholars of that time who spoke directly to that culture and people group Contemporary culture looks for an approach that examines Christ s words from a psychological sociological perspective and speaks to relationships

The Beatitudes and the Lords Prayer John C. Martin III, 2003-09-04 Reverend John Martin III diligently and faithfully expounds upon the most profound words of the Christ You will find John Martin loyal to Jesus and faithful to Matthews God breathed text It is as if Reverend Martin forces the text through the winepress and brings forth a rich glass of royal vintage that brings honor to the King of vineyard Pastor Martin is faithful to his maxim that theology is practical Maintaining his high view of the church and his love for the Lords sheep John Martin imparts the Lords Prayer and the Beatitudes in a manner that exhorts the Christian This is the way walk ye in it Is Martin a moralist as so many who take on these passages God forbid Martin is no moralist He presents the beatitudes of Jesus as the characteristics of those who have partaken of the new birth I have heard these sermons They are robust and powerful Reverend Martin has the fire of Knox the precision of Calvin the compassion of Luther the humility of Edwards and the potency of Rushdoony May our gracious Lord bless your understanding of His word as presented by His servant John Rev Gerald Tritle

Sermon on the Mount by Jesus , *God Wants to Bless Your Life, So What Are You Waiting For?* Dr. Kerry Knight, 2025-08-06 So many feel that God has let them down God is viewed by some as a celestial piggy bank right And when things go wrong they immediately blame God and dismiss Him in their lives But maybe they are thinking from a purely worldly perspective The Bible teaches that God has a profound interest in our lives Yes things can go wrong Sin brought a lot of misery into the world and we face the consequences of that But God has not forsaken us Humanists will say If I get anything out of this life it will be due to my own doing They are wrong What if I told you that God is standing by and waiting for you to turn your life over to Him so that He can offer you an abundance of blessings Remember the tenth chapter of the Gospel of John Jesus is portrayed as the Good Shepherd who cares for his sheep We are the sheep by the way He says I have come that they may have life and that they may have it more abundantly John 10 10 The psalmist adds these comforting words We are His people and the sheep of his pasture Psalm 100 3 That s us In this book that I have written I want to share

with you the divine formula for bringing blessedness and happiness into your life We will examine scriptures throughout the Bible confirming that God is on your side He is not out to hurt or harm you God wants to bless your life so what are you waiting for *Persecution and Suffering* Union Biblical Seminary (Pune, India).
