Mona West, Robert Shore-Goss

Blessing Same Sex Unions The Perils Of Queer Romance And The Confusions Of Christian Marriage:

Blessing Same-Sex Unions Mark D. Jordan, 2013-09-03 At most church weddings the person presiding over the ritual is not a priest or a pastor but the wedding planner followed by the photographer the florist and the caterer And in this day and age more wedding theology is supplied by Modern Bride magazine or reality television than by any of the Christian treatises on holy matrimony Indeed church weddings have strayed long and far from distinctly Christian aspirations The costumes and gestures might still be right but the intentions are hardly religious Why then asks noted gay commentator Mark D Jordan are so many churches vehemently opposed to blessing same sex unions In this incisive work Jordan shows how carefully selected ideals of Christian marriage have come to dominate recent debates over same sex unions Opponents of gay marriage he reveals too often confuse simplified ideals of matrimony with historical facts They suppose for instance that there has been a stable Christian tradition of marriage across millennia when in reality Christians have quarreled among themselves for centuries about even the most basic elements of marital theology authorizing experiments like polygamy and divorce Jordan also argues that no matter what the courts do Christian churches will have to decide for themselves whether to bless same sex unions No civil compromise can settle the religious questions surrounding gay marriage And queer Christians he contends will have to discover for themselves what they really want out of marriage If they are not just after legal recognition as a couple or a place at the social table do they really seek the blessing of God Or just the garish melodrama of a white wedding Posing trenchant questions such as these Blessing Same Sex Unions will be a must read for both sides of the debate over gay marriage in America today

Authorizing Marriage? Mark D. Jordan, 2009-01-10 The opponents of legal recognition for same sex marriage frequently appeal to a Judeo Christian tradition But does it make any sense to speak of that tradition as a single teaching on marriage Are there elements in Jewish and Christian traditions that actually authorize religious and civil recognition of same sex couples And are contemporary heterosexual marriages well supported by those traditions As evidenced by the ten provocative essays assembled and edited by Mark D Jordan the answers are not as simple as many would believe The scholars of Judaism and Christianity gathered here explore the issue through a wide range of biblical historical liturgical and theological evidence From David s love for Jonathan through the singleness of Jesus and Paul to the all male heaven of John s Apocalypse the collection addresses pertinent passages in the Hebrew Bible and the New Testament with scholarly precision It reconsiders whether there are biblical precedents for blessing same sex unions in Jewish and Christian liturgies The book concludes by analyzing typical religious arguments against such unions and provides a comprehensive response to claims that the Judeo Christian tradition prohibits same sex unions from receiving religious recognition The essays most of which are in print here for the first time are by Saul M Olyan Mary Ann Tolbert Daniel Boyarin Laurence Paul Hemming Steven Greenberg Kathryn Tanner Susan Frank Parsons Eugene F Rogers Jr and Mark D Jordan

Ministry Among God's Queer Folk, Second Edition Bernard Schlager, David Kundtz, 2019-01-21 This practical

pastoral care handbook written by two self described queer people of faith covers the basic skills that religious caregivers and ministry students need in order to be effective enlightened and supportive pastoral care providers to LGBTQ persons in congregational and other community settings Authors Schlager and Kundtz distinguish pastoral care from pastoral counseling while the latter is reserved for those with special training in the practice of therapy the former can be developed by ministers and lay people with sufficient education and practice This book requires of the reader no previous experience with LGBTQ communities and treats the following topics the definition and functions of pastoral care effective care in challenging times coming out of the closet creating communities of care and caring for a wide variety of LGBTQ relationships The authors provide case studies throughout the book to ground and illustrate their theology of pastoral care **The**

Palgrave Handbook of Queer and Trans Studies in Religion Melissa M. Wilcox, 2025-09-26 This Handbook is a first of its kind high quality reference resource guiding readers through the burgeoning fields of queer and trans studies in religion and pointing them toward the newest directions these fields are taking or should take The chapters cover both theoretical and methodological considerations and also highlight the histories perspectives and ongoing activism of queer and trans people in a wide array of religious contexts Written by a team of both established senior scholars and emerging scholars all working on the leading edges of the field and edited by a senior scholar who also authored the first ever introduction to the field this handbook aims to play a role in defining queer and trans studies in religion for years to come As Long as We Both Shall

Love Karen M. Dunak, 2016-04-05 In As Long as We Both Shall Love Karen M Dunak provides a nuanced history of the American wedding and its celebrants Blending an analysis of film fiction advertising and prescriptive literature with personal views from letters diaries essays and oral histories Dunak demonstrates the ways in which the modern wedding epitomizes a diverse and consumerist culture and aims to reveal an ongoing debate about the power of peer culture media and the marketplace in America The Western Case for Monogamy Over Polygamy

John Witte, 2015-05-05 This volume documents the Western historical arguments for monogamy over polygamy from antiquity to the present *New Approaches in History and Theology to Same-Sex Love and Desire* Mark D. Chapman, Dominic Janes, 2018-02-15 This book offers a range of interdisciplinary evaluations of the history of same sex relationships in the Church as they have been understood in different periods and contexts The relationships between diverse forms of religious and sexual identities have been widely contested in the media since the rise of the lesbian and gay liberation movement in the 1970s One of the key images that often appears in public debate is that of lesbians and gays in the Church as a significant problem Research over the past forty years or so into queer theology and the history of same sex desire has shown that such issues have played an important role in the story of Christianity over many centuries The contributors to this volume have all been inspired by the challenges of such revisionist study to explore religion and same sex desire as a field of opportunity for investigation and debate They uncover some of the hidden histories of the Church and its theologies they tell sometimes unexpected stories many of which invite serious further

study It is quite clear through history that some in the churches have been at the vanguard of legislative and social change Similarly some churches have offered safe queer spaces Overall these essays offer new interpretations and original research into the history of sexuality that helps inform the contemporary debate in the churches as well as in the academy Can You Be Gay and Christian? Michael L. Brown,2014 Gay and Christian will provide solid biblical answers clearly written and based on sound scholarship in a compassionate way that causes the reader to wrestle with the issues and discover the biblical truth *Misguided Love* Charles Fensham,2019-11-01 The invitation of this book is for my readers who are Christian to consider the dimension of harm in the ongoing debates on affirming or not affirming sexual and gender minority Christians within church communities Much has been said and much is written on biblical interpretation and Christian traditions of teaching There are also many arguments on the issue of justice and equality that have been made for and against the affirmation of sexual and gender minorities Here I bring evidence of the history of harm and the infliction of harm on sexual and gender minority Christians In South Africa my country of origin I lived through the apartheid era and experienced first hand how biblical teaching can be used in pious ways to exploit discriminate and kill people Presently and in the past similar things happen to sexual and gender minority Christians When we discover that we do harm we must stop Charles Fensham **Queering Christian Worship** Bryan Cones,2023-11-21 A groundbreaking collection of writings that place queer ritual at the center of the theological conversation In this collection of essays leading scholars in queer theology and liturgical studies explore the ways in which the distinctive theological voices of LGBTQIA Christians challenge and expand thinking and practice around worship in new directions This challenge has expanded in the past decades as obstacles to the full participation of queer Christians particularly in marriage and ordination have fallen Organized into three main parts the volume begins with an introduction to queer engagement with ritual practices continues with a series of case studies that examine queer texts and contexts and concludes with an examination of the horizons of queer liturgical theology and practice Throughout the volume *Queering Christian Worship* provides new imagination and tools to those who study and curate Christian worship across traditions The Family Metaphor in Jesus' Teaching, Second Edition Stephen Finlan,2013-03-28 This revised edition of *The Family Metaphor in Jesus Teaching* examines the family metaphors for God Father and for believers children brothers that Jesus chose to use Jesus not only held up a child as an example of receptivity but he defended actual children warning against despising one of these little ones Using current discussions of the equal regard family and of the importance of human fathering Stephen Finlan explores how the gospel entails a changed model of parenting and of marriage and a new approach to spiritual growth Radical Love Patrick S. Cheng,2011-03-01 The first introductory textbook on the subject of queer theology Contextual theologies have developed from a number of perspectives including feminist theology black theology womanist theology Latin American liberation theology and Asian American theology and a wide variety of academic and general introductions exist to examine each one However *Radical Love* is the

first introductory textbook on the subject of queer theology In this lucid and compelling introduction Cheng provides a historical survey of how queer theology has developed from the 1950s to today and then explicates the themes of queer theology using the ecumenical creeds as a general framework Topics include revelation God Trinity creation Jesus Christ atonement sin grace Holy Spirit church sacraments and last things as seen through the lenses of LGBT theologians **God, Desire, and a Theology of Human Sexuality** David H. Jensen, 2013-01-01 This work of constructive theology examines human sexuality in light of Christian faith and doctrine Jensen moves beyond the hot button social debates about sexual orientation and sexual practices to look for healing The seven chapters consider Scripture and sex the connections between the triune covenantal God and human sexuality Christ's incarnation and resurrection as affirming the beauty of flesh eschatology and sexual identity the ramifications of the Lord's Supper for human sexuality vocation and Christian callings to marriage celibacy and singleness and sexual ethics *The Queer Bible Commentary, Second Edition* Mona West, Robert Shore-Goss, 2022-09-30 First published over ten years ago The Queer Bible Commentary brings together the work of several scholars and pastors known for their interest in the areas of gender sexuality and Biblical studies Contributors draw on feminist queer deconstructionist utopian theories the social sciences and historical critical discourses The focus is both how reading from lesbian gay bisexual and or transgender perspectives affect the reading and interpretation of biblical texts and how biblical texts have and do affect LGBTQ communities This revised 2nd edition includes updated bibliographies and chapters taking into account the latest literature relating to queer interpretation of scripture **Theologies of the 21st Century** David L. Smith, 2014-10-02 What theologies are popular and formative of Christian thinking in the present day How should they be assessed by those Christians who want to be in the world without being of the world Theologies of the 21st Century begins with an overview of the historical roots from which current theological thinking has developed and then moves on to a detailed evaluation of the chief doctrinal and practical emphases taking an evangelical biblical perspective that seeks to be at once both critical and irenic *Desire, Faith, and the Darkness of God* Eric Bugyis, David Newheiser, 2015-11-15 In the face of religious and cultural diversity some doubt whether Christian faith remains possible today Critics claim that religion is irrational and violent and the loudest defenders of Christianity are equally strident In response *Desire Faith and the Darkness of God* Essays in Honor of Denys Turner explores the uncertainty essential to Christian commitment it suggests that faith is moved by a desire for that which cannot be known This approach is inspired by the tradition of Christian apophatic theology which argues that language cannot capture divine transcendence From this perspective contemporary debates over God's existence represent a dead end if God is not simply another object in the world then faith begins not in abstract certainty but in a love that exceeds the limits of knowledge The essays engage classic Christian thought alongside literary and philosophical sources ranging from Pseudo Dionysius and Dante to Karl Marx and Jacques Derrida Building on the work of Denys Turner they indicate that the boundary between atheism and Christian

thought is productively blurry Instead of settling the stale dispute over whether religion is rationally justified their work suggests instead that Christian life is an ethical and political practice impassioned by a God who transcends understanding

The Sex Obsession Janet R. Jakobsen, 2023-04-11 The Sex Obsession connects perversity and possibility in American politics

Provoking Religion Anthony Michael Petro, Petro, 2025 In the late twentieth century artists were on the front lines of the culture wars Leaders of the Christian Right in the U S made a national spectacle out of feminist and queer art blasting it as sacrilegious or pornographic and sometimes both On the bully pulpits of television and talk radio as well as in the halls of Congress conservatives denounced artists ranging from Robert Mapplethorpe and Judy Chicago to Marlon Riggs and David Wojnarowicz Conservatives alarmed by shifting sex and gender norms collided with progressive artists who were confronting sexism homophobia and racism In Provoking Religion Anthony Petro offers a compelling new history of the culture wars that places competing moralities of gender and sexuality alongside competing visions of the sacred The modern culture wars he shows are best understood not as contests pitting religious conservatives against secular activists but as a series of ongoing historical struggles to define the relationship between the sacred and the political Through captivating case studies of subversive artists Provoking Religion illuminates the underside of the culture wars revealing how progressive artists and activists rendered from those most apparently profane aspects of human life the stuff of conservatives worst nightmares their own haunting visions of the sacred

'Til Death Or Distance Do Us Part Frances Smith Foster, 2010-01-12 Frances Smith Foster offers a groundbreaking new portrait of early African American marriage upending the conventional wisdom that marriage was illegal for African Americans during the antebellum era or that if people married at all their vows were tenuous ones

See Me Naked Amy Frykholm, 2012-11-13 A fascinating troubling and finally heartening book that subtly shows ways that Christians might reconcile their bodies with their devotion to God Highly recommended for individual Christians but also for pastors and church groups Library Journal starred review Stories of sexual scandals in churches throughout the nation have been downright routine in recent years suggesting to many Americans that a deeply rooted problem plagues American Christianity and prompting some to abandon their congregations altogether In See Me Naked Amy Frykholm takes us beyond simple indictments of or blind allegiance to Christian cultures to explore the complex intimate intersection of sexuality and spirituality as it affects the lives of ordinary Christians Recounting with care and nuance the life histories of nine American Protestants Frykholm shows us the harm done by the rules based sexual ethic now dominant which alternately denies and romanticizes sexuality But she also points to how American Christians might otherwise access their spiritual tradition to heal the divide between religion and sexuality One story examines the intricate relationship between a man's religious faith and his sexual addiction In another a man defines religion as a wall that kept him from the discovery that he was gay One young woman uses sex to defy her devout parents while another seeks to transcend her body by going without food Nearly everyone interviewed in See Me Naked remains a Christian with some further on their journey than others Yet

each of them is working to understand the connection between their desires and their faith Ultimately their stories stories of pain and violence perseverance and courage attest to the healing power of struggling through the wild and uncertain experiences of life See Me Naked explores the many ways that people work to recover from harmful beliefs and restores the notion that one of the key insights of Christianity is that the body with all its struggles pains and difficulties is a vehicle of the holy and can lead us into a more full relationship with God

Reviewing **Blessing Same Sex Unions The Perils Of Queer Romance And The Confusions Of Christian Marriage:** Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
