The Blessing of Forgiveness Dr. Raha Mugisho, 2007-11-09 Do you know the reason for your unhappiness When attitudes toward others are based on past wounds and deception the result cannot be good fruit People in a state of distortion do not make wise decisions Pride and a spirit of selfishness can have enormous consequences actually resulting in physical illness and depression Joy in your heart a smile on your lips and an attitude of forgiveness toward yourself and your offenders are vital elements in healing The ideas of retaliation and revenge come from the Evil One who takes pleasure in destroying relationships If Satan succeeds in stealing your joy and your peace you may be on the road to a complete meltdown We must resist the devil He is the source of disorder and confusion Condemnation is never the answer Forgiveness is an indispensable ingredient for spiritual and emotional deliverance and is a spiritual act we can only manage by faith Respect care and empathy offer hope of permanent healing

The Blessing of Confessing Phillip Williams, 2005-12-01 Same sex intimacy particularly between males can be a challenge to maintain for gay and bisexual men and extremely threatening to heterosexual men *Are You Guys Brothers* a question asked of male couples throughout the world is a very personal and candid look at the topic through the lens of an immensely happy and successful 32 year relationship Brian McNaught and Ray Struble both Irish Catholic Midwestern children of seven met in Boston in their twenties as one was beginning a career as a gay activist and the other was entering the world of commercial banking Their love became the envy of their families and friends marked by open communication good humor patience and spirituality They would need all four to navigate the mine filled waters of childhood sexual abuse alcoholism intense religious and political opposition dramatically disparate incomes a sexually open relationship aging erectile dysfunction and an often unsupportive and frequently dysfunctional gay community Today they are officially married and the gay activist is now educating his spouse s former Wall Street colleagues

on gay issues in offices around the world This book is funny deeply moving and highly instructive of particular interest to gay men and women who seek guidance in building and maintaining their relationships and to heterosexual men and women worldwide who want to better understand not only gay people but also how to get past the roadblocks to intimacy in their own relationships

The Freedom to Choose Life Scott W. Gustafson,2024-05-28 In *The Brothers Karamazov* Fyodor Dostoevsky proposes ministry as the way to resist and overcome the world's evil He employs two plotlines to do so The action plot concerns the events surrounding the murder of Fyodor Karamazov All evidence points to Dmitri Karamazov Rational circumstantial evidence convicts him yet the reader knows he is innocent The ministry plot occurs in this dark context where small acts of love are performed by The Elder Zosima Alyosha Karamazov and many others These acts of love all answer this unspoken question What can be said and done in Jesus' name that opens the future to new possibilities in contexts heretofore deemed closed and without hope Asking and answering this question is the essence of ministry and since the question can be asked in any context ministry is possible anywhere Dostoevsky's unabashed antisemitism however undermines his brilliant analysis The concluding chapters document how unconfessed sins like antisemitism exert a death dealing power that undermines our cultures our communities and our ministries *The Freedom to Choose Life* shows how ministry resists and overcomes evil by these small acts of love and by the global effects of repenting of humanity's unconfessed sins [John's Epistles - Second Edition](#) John H.
