BLESSINGS, CURSES, AND SPIRITUAL ATTACKS GODSWORD GODSWILL ONU,2015-02-13 All of us want blessings while we detest curses and spiritual attacks But how do blessings curses and spiritual attacks come And do we have any part to play as far as their coming is concerned Though some blessings curses and spiritual attacks come without link to what we as individuals did and do yet some of them are connected to our actions and speeches And you can bless or curse yourself Spiritual attacks are projected by the wicked spirits and their human agents The devil has no true or real blessing Even though God s Judgment does not come immediately because we are in the New Testament God does punish sins and disobedience with curses losses death and destruction Sin and disobedience will open the door for the devil in your life

Blessings, Curses, Hopes, and Fears James A. Matisoff,2000 In this delightful book the author enumerates and classifies the formulas Yiddish speakers use to express their emotions from blessings and thanks to lamentations and curses A rarity among scholarly books it brings joy while it teaches it makes us smile sometimes roar with laughter while it develops the most rigorous linguistic argumentation *Blessing Or Curse* Derek Prince,2000 To enjoy the benefits of God s blessings and be protected from curses we need to understand how these forces work [The Blessing and the Curse](#) Jeff S. Anderson,2014-07-07 The magical power of the spoken word is a topic that often comes up in a discussion of biblical blessings and curses What is the source of social and linguistic power behind these blessings and curses Many theologians would agree that God can and does bless but does God also curse If so what does that mean to the biblical theology of the Old Testament and the Christian church Anderson s *The Blessing and the Curse* applies speech act theory as one way to understand the performative function of blessings and curses The concept of speech acts provides a method of recognizing the potent social power of language to accomplish certain ends without drawing a hard line of distinction between word magic and religion Even though the chief concepts and practices of blessings and curses are deeply rooted in the broad cultural environment of the ancient Near East tracing specific trajectories of Old Testament blessings and curses as theological themes conveys broad inescapable implications for the biblical narrative and the Christian church

Understanding Folk Religion: 25th Anniversary Edition Paul G. Hiebert,R. Daniel Shaw,Tite Tienou,2024-04-24 This book has served the missiological community for twenty five years as a resource for understanding human spirituality in any context Thousands of students have incorporated the principles of this book into ministry around the globe This twenty fifth anniversary edition seeks to enable those who now bring their passion for mission to contemporary contexts affected by globalization climate change and political perspectives unimagined when this book originally appeared Every community wherever it is on earth has its share of beliefs and values that manifest themselves in practices that reflect spiritual engagement Those engaged in mission need to appreciate how underlying beliefs and values are reflected in handling spiritual power worship and blessing and interaction with others Gospel communicators must account for these elements as

they seek to make God's intentions known to people who are searching for God. The models presented early in the book are essential for establishing what people consider spiritually critical. Applying these models in any religious environment will enable message bearers to engage with beliefs and practices that promote a gospel presentation that makes sense. To that end, we commend this book for effective missional engagement.

Called to Bless John Rice, 2024-05-23 Humans were created to bless one another those they love and those they do not. According to Scripture Num 6:27 God promises to release more of his blessings more of his goodness grace and love into the world. In Hebrew the word for bless means God's intention. When people speak words of blessing in God's name they are praying for the fullness of God's intentions to be released into their lives. In a world where division and polarization are becoming normative God gives a new ministry resource blessing ministry. The power of blessing can bridge those gaps and bring healing to the individuals involved. There is no individual situation no community need where blessing prayers are not beneficial. Wherever there is joy and celebration in people's lives blessing prayers bring only more joy and thanksgiving. There is an awakening in the lives of God's people wherever the ministry of blessing is being taught and practiced. Communities are experiencing greater health. Churches are becoming more alive. Hearts are being healed and lives transformed simply by blessing others in Jesus' name. God is calling his people to become a people of blessing.
