Jan M. Ziolkowski

Bombay To Mumbai Changing Perspectives:

Bombay to Mumbai Pauline Rohatgi, Pheroza Godrej, Rahul Mehrotra, 1997 The history is told here how within three centuries seven west coast islands evolved into the Bombay peninsula then into a flourishing center for trade It ultimately became the cosmopolitan high rise metropolis of Mumbai

Govind Narayan's Mumbai, 2009-02-01 Guiding the reader on a tour of the sights and sounds of an emerging city struggling to shake off colonialism and wrestling with the formation of its own budding identity Narayan's beguiling book offers descriptions of Mumbai's daily life its people and its institutions the parts of the whole that come together to create this diverse and vivacious place This valuable text is a rare and enthralling glimpse into a fascinating period and place otherwise lost to time

Bombay Islam Nile Green, 2011-03-21 As a thriving port city nineteenth century Bombay attracted migrants from across India and beyond Nile Green's *Bombay Islam* traces the ties between industrialization imperialism and the production of religion to show how Muslim migration fueled demand for a wide range of religious suppliers as Christian missionaries competed with Muslim religious entrepreneurs for a stake in the new market Enabled by a colonial policy of non intervention in religious affairs and powered by steam travel and vernacular printing Bombay's Islamic productions were exported as far as South Africa and Iran Connecting histories of religion labour and globalization the book examines the role of ordinary people mill hands and merchants in shaping the demand that drove the market By drawing on hagiographies travelogues doctrinal works and poems in Persian Urdu and Arabic *Bombay Islam* unravels a vernacular modernity that saw people from across the Indian Ocean drawn into Bombay's industrial economy of enchantment

Exploring Indian Modernities Leïla Choukroune, Parul Bhandari, 2018-06-04 This book analyses how multiple and hybrid modernities have been shaped in colonial and postcolonial India from the lens of sociology and anthropology literature media and cultural studies law and political economy It discusses the ideas that shaped these modernities as well as the lived experience and practice of these modernities The two broad foci in this book are a The dynamism of modern institutions in India delineating the specific ways in which ideas of modernity have come to define these institutions and how institutional innovations have shaped modernities and b perspectives on everyday practices of modernities and the cultural constituents of being modern This book provides an enriching read by bringing together original papers from diverse disciplines and from renowned as well as upcoming scholars

Street Vendors in the Global Urban Economy Sharit Bhowmik, 2012-04-27 This volume looks at the living and working conditions of street vendors in different cities of the world It examines the legal guidelines regarding control of public space and the rights of the working poor to earn their livelihood and the civic authorities constant regulation of this space

Constructing Identity in Contemporary Architecture Peter Herrle, Stephanus Schmitz, 2009 The global spread of uniform modes of production and cultural values has been accompanied by a dissemination of stereotypes of modern architecture styles almost everywhere around the globe Paradoxically the reverse process has also emerged In some countries the elites feel the necessity to counterbalance the loss

of identity and defend their own cultures against the intruding forces of globalization What started as a defensive notion has developed into a more progressive attempt to re create what has allegedly been lost This trend is being strongly expressed in discourses about architecture in countries of the South Who are the actors feeling compelled to construct new identities How are these new identities in architecture created in various parts of the world And which are the ingredients borrowed from various historical and ethnic traditions and other sources These and other questions are discussed in five case studies from different parts of the world written by renowned scholars from Brazil Mexico Egypt India and Singapore

Empress Miles Taylor, 2018-10-02 A widely and deeply researched elegantly written and vital portrayal of Queen Victoria's place in colonial Indian affairs *Journal of Modern History* In this engaging and controversial book Miles Taylor shows how both Victoria and Albert were spellbound by India and argues that the Queen was humanely intelligently and passionately involved with the country throughout her reign and not just in the last decades Taylor also reveals the way in which Victoria's influence as empress contributed significantly to India's modernization both political and economic This is in a number of respects a fresh account of imperial rule in India suggesting that it was one of Victoria's successes Readers encounter a detail attentive and independently minded monarch Information offered with verve and occasional humor fills chapters of *Empress* with little known details of Victoria's active rule as Empress

Adrienne Munich *Victorian Studies* This is a nuanced portrait of an empire rich in contradiction Catherine Hall author of *Civilising Subjects* Beautifully written and subtly crafted this book provides a critical history of the cultural political and diplomatic significance of Queen Victoria's role as Empress of India Tristram Hunt Director of Victoria and Albert Museum This is a highly intelligent wonderfully lucid and well researched book that rests on an impressive array of Indian as well as European sources It makes a powerful case for re assessing Queen Victoria's own role and political and religious ideas in regard to the subcontinent

Linda Colley author of *Britons*

Indian Renaissance Hermionede Almeida, 2017-07-05 *Indian Renaissance* British Romantic Art and the Prospect of India is the first comprehensive examination of British artists whose first hand impressions and prospects of the Indian subcontinent became a stimulus for the Romantic Movement in England it is also a survey of the transformation of the images brought home by these artists into the cultural imperatives of imperial Victorian Britain The book proposes a second Indian Renaissance for British and European art and culture and an undeniable connection between English Romanticism and British Imperialism Artists treated in depth include James Forbes James Wales Tilly Kettle William Hodges Johann Zoffany Francesco Renaldi Thomas and William Daniell Robert Home Thomas Hickey Arthur William Devis R H Colebrooke Alexander Allan Henry Salt James Baillie Fraser Charles Gold James Moffat Charles D Oylly William Blake J M W Turner and George Chinnery

The Bombay Country Ships 1790-1833 Anne Bulley, 2013-12-16 Concentrates on the period 1790 1833 especially the early nineteenth century when the Bombay merchant fleet was at its zenith studying the ships their trade and the men who owned or sailed in them The picture is built up from a mass of details and references unearthed in the English East India Company's

records and elsewhere and includes contemporary experiences of sailing in these ships Future City Stephen Read, Jürgen Rosemann, Job van Eldijk, 2012-10-02 This text focuses on cities as the dominant form of human settlement for the future examining the transformation that is happening in urban conurbations worldwide today The last few decades have seen a rate of change and growth in cities that has never been seen before resulting in giant metropolises with over twenty million inhabitants This book tackles the causes of these changes and looks at how the planning and design of cities can shape the urban future Mumbai Fables Gyan Prakash, 2010-09-20 A sweeping cultural history of India's largest city A place of spectacle and ruin Mumbai exemplifies the cosmopolitan metropolis It is not just a big city but also a soaring vision of modern urban life Millions from India and beyond of different ethnicities languages and religions have washed up on its shores bringing with them their desires and ambitions Mumbai Fables explores the mythic inner life of this legendary city as seen by its inhabitants journalists planners writers artists filmmakers and political activists In this remarkable cultural history of one of the world's most important urban centers Gyan Prakash unearths the stories behind its fabulous history viewing Mumbai through its turning points and kaleidoscopic ideas comic book heroes and famous scandals the history behind Mumbai's stories of opportunity and oppression of fabulous wealth and grinding poverty of cosmopolitan desires and nativist energies Starting from the catastrophic floods and terrorist attacks of recent years Prakash reaches back to the sixteenth century Portuguese conquest to reveal the stories behind Mumbai's historic journey Examining Mumbai's role as a symbol of opportunity and reinvention he looks at its nineteenth century development under British rule and its twentieth century emergence as a fabled city on the sea Different layers of urban experience come to light as he recounts the narratives of the Nanavati murder trial and the rise and fall of the tabloid Blitz and Mumbai's transformation from the red city of trade unions and communists into the saffron city of Hindu nationalist Shiv Sena Starry-eyed planners and elite visionaries cynical leaders and violent politicians of the street land sharks and underworld dons jostle with ordinary citizens and poor immigrants as the city copes with the dashed dreams of postcolonial urban life and lurches into the seductions of globalization Shedding light on the city's past and present Mumbai Fables offers an unparalleled look at this extraordinary metropolis Mapping an Empire Matthew H. Edney, 2024-05-31 In this fascinating history of the British surveys of India Matthew H. Edney relates how imperial Britain used modern survey techniques to not only create and define the spatial image of its Empire but also to legitimate its colonialist activities There is much to be praised in this book It is an excellent history of how India came to be painted red in the nineteenth century But more importantly Mapping an Empire sets a new standard for books that examine a fundamental problem in the history of European imperialism D. Graham Burnett Times Literary Supplement Mapping an Empire is undoubtedly a major contribution to the rapidly growing literature on science and empire and a work which deserves to stimulate a great deal of fresh thinking and informed research David Arnold Journal of Imperial and Commonwealth History This case study offers broadly applicable insights into the relationship between ideology

technology and politics Carefully read this is a tale of irony about wishful thinking and the limits of knowledge Publishers Weekly **Art Deco** Michael Windover,2012 No detailed description available for Art Deco **Astronomy in India, 1784-1876** Joydeep Sen,2016-09-12 Indian scientific achievements in the early twentieth century are well known with a number of heralded individuals making globally recognized strides in the field of astrophysics Covering the period from the foundation of the Asiatic Society in 1784 to the establishment of the Indian Association for the Cultivation of Science in 1876 Sen explores the relationship between Indian astronomers and the colonial British He shows that from the mid nineteenth century Indians were not passive receivers of European knowledge but active participants in modern scientific observational astronomy **Schooling Passions** Véronique Bénéï,2008 This book explores how regional and national senses of belonging are produced and transmitted in elementary schools in western India **The Indian Postcolonial** Elleke Boehmer,Rosinka Chaudhuri,2010-10-04 India has often been at the centre of debates on and definitions of the postcolonial condition Offering a challenging new direction for the field this Critical Reader confronts how theory in the Indian context is responding in vital terms to our understanding of that condition today The Indian Postcolonial A Critical Reader is made up of four sections looking in turn at visual cultures translating cultural traditions the ethical text global cosmopolitan worlds Each section is prefaced with a short introduction by the editors that locate these interdisciplinary articles within the contemporary national and international context Showcasing the diversity and vitality of current debate this volume collects the work of both established figures and a new generation of cultural critics Challenging and unsettling many basic premises of postcolonial studies this volume is the ideal Reader for students and scholars of the Indian Postcolonial **The Classics and Colonial India** Phiroze Vasunia,2013-05-16 Offering a unique cross cultural study this book provides a detailed account of the relationship between classical antiquity and the British colonial presence in India Vasunia shows how classical culture pervaded the minds of the British colonizers and highlights the many Indian receptions of Greco Roman antiquity **Bombay Gothic** Christopher W. London,2002 About the Book The Gothic Revival architectural style innovatively adapted to local conditions was introduced to 19th century Bombay by Governor HBE Frere Famous architects theorists and prominent Indians of the era assisted him in the realization of his vision for Bombay as the country's first city Tracing the evolution of its distinctive architectural style Christopher London reveals the fascinating history of a developing metropolis Lavishly illustrated Bombay Gothic is a comprehensive study of Victorian architecture in Bombay About the Author Christopher W London is an art and architectural historian specializing in British architecture in India **The Juggler of Notre Dame and the Medievalizing of Modernity.** Jan M. Ziolkowski,2018-08-29 This ambitious and vivid study in six volumes explores the journey of a single electrifying story from its first incarnation in a medieval French poem through its prolific rebirth in the nineteenth and twentieth centuries The Juggler of Notre Dame tells how an entertainer abandons the world to join a monastery but is suspected of blasphemy after dancing his devotion before a statue of the

Madonna in the crypt he is saved when the statue delighted by his skill miraculously comes to life Jan Ziolkowski tracks the poem from its medieval roots to its rediscovery in late nineteenth century Paris before its translation into English in Britain and the United States The visual influence of the tale on Gothic revivalism and vice versa in America is carefully documented with lavish and inventive illustrations and Ziolkowski concludes with an examination of the explosion of interest in The Juggler of Notre Dame in the twentieth century and its place in mass culture today Volume 3 The American Middle Ages hinges upon two figures influenced by the juggler Henry Adams scion of Presidents and distinguished cultural historian whose works contributed to the rise of medievalism in America during the Gilded Age and Ralph Adams Cram the architect whose vision of Gothic accounts directly or indirectly for the campuses of West Point Princeton Yale Chicago Notre Dame and many other universities across America The Juggler of Notre Dame and the Medievalizing of Modernity is a rich case study for the reception of the Middle Ages in modernity Spanning centuries and continents the medieval period is understood through the lens of its post modern reception in Europe and America Profound connections between the verbal and the visual are illustrated by a rich trove of images including book illustrations stained glass postage stamps architecture and Christmas cards Presented with great clarity and simplicity Ziolkowski s work is accessible to the general reader while its many new discoveries will be valuable to academics in such fields and disciplines as medieval studies medievalism philology literary history art history folklore performance studies and reception studies
