Bond's Franchise Guide 2004 Robert Bond, Robert E Bond, MBA, 2004-03-04 Franchisor profiles includes franchise attorneys consultants and service providers *Bond's Franchise Guide* Robert Bond, Robert E Bond, MBA, 2002-07-26 Bond's Franchise Guide offers the prospective franchisee detailed profiles of over 1 000 franchises as well as listings of franchise attorneys consultants and service providers The companies are divided into 45 distinct business categories for easy comparison The data represents the most up to date comprehensive and reliable information about this dynamic industry The profiles are the result of an exhaustive 40 point questionnaire that details Background number of operating units geographic distribution and detailed description of the business Capital requirements initial cash investment and total investment on going royalty and advertising fees staffing levels space needs etc Initial training and start up assistance provided as well as on going services Franchisee evaluation criteria Specific areas of geographic expansion U S Canada and International And much more Book jacket The Economics of Franchising Roger D. Blair, Francine Lafontaine, 2005-04-11 This 2005 book describes in much detail both how and why franchising works It also analyses the economic tensions that contribute to conflict in the franchisor franchisee relationship The treatment includes a great deal of empirical evidence on franchising its importance in various segments of the economy the terms of franchise contracts and what we know about how all these have evolved over time especially in the US market A good many myths are dispelled in the process The economic analysis of the franchisor franchisee relationship begins with the observation that for franchisors franchising is a contractual alternative to vertical integration Subsequently the tensions that arise between a franchisor and its franchisees who in fact are owners of independent businesses are examined in turn In particular the authors discuss issues related to product quality control tying arrangements pricing location and territories advertising and termination and renewals *Bond's Top 100 Franchises 2006* Robert E. Bond, 2006-07-12 Bond's Top 100 Franchises features detailed analyses of the best franchises picked from the more than 2 300 available and consolidates and updates the individual profiles originally printed in Robert Bond's acclaimed Top 50 Franchises series The final selection is based on a number of factors including historical performance competitive advantage franchisee satisfaction and financial stability Drawing on the author's 15 years experience in this field Bond's Top 100 Franchises offers detailed analyses of those franchise opportunities that have proven to be the best investments available to the general investor **Bond's Franchise Guide 2007** Robert E. Bond, 2006-12-28 The most exhaustive and comprehensive directory on franchise opportunities available Bond's Franchise Guide is now in its 18th annual edition Completely updated the guide offers prospective franchisees a detailed profile of some 1 000 franchises as well as supplemental profiles on franchise attorneys and consultants The companies are divided into 45 distinct business categories for easy comparison All profile data is new in this edition and represents the most current complete information about the myriad of options available to potential investors Bond's Top 50 Retail Franchises Steve Schiller, Robert E. Bond, 2001-12

This detailed guide offers in depth analysis of the top 50 retail franchises in North America Each entry is four to five pages long and provides an objective investigation of the company with the general investor in mind Each listing discusses the franchise s historical performance competitive advantage franchisee satisfaction financial stability and other criteria

Bond's Franchise Guide 2008 Robert E. Bond,2008-09-23 Bond s Franchise Guide 2008 Edition now in its 19th annual edition has become the definitive bible of the franchising industry It is clearly the most exhaustive and comprehensive directory on franchise opportunities available offering prospective franchisees a detailed profile of some 1 000 franchises as well as supplemental profiles on franchise attorneys and consultants The companies are divided into 45 distinct business categories for easy comparison All profile data is new with each edition and represents the most up to date and extensive information about the myriad of options available to the potential investor Completely objective listing of active North American franchisors No dealerships distributorships business opportunities No advertising allowed Author s valuable insights into the evaluation selection process *Stadium Financing and Franchise Relocation Act of 1999* United States.

Congress. Senate. Committee on the Judiciary,2000 **How Much Can I Make?** Robert E. Bond,2006-10-25 The most important task for a prospective franchisee is to prepare a realistic cash flow statement that accurately reflects the business s economic potential This insider s guide provides hard to find historical sales expense and or profit data from 116 franchise concepts in 45 categories The book also features in depth profiles of each franchisor detailed worksheets and the author s own insights into making meaningful financial projections Armed with the information in this book entrepreneurs can make smart decisions about potential investments **Handbook of Research on Franchising** Frank Hoy,Rozenn

Perrigot,Andrew Terry,2017-10-27 Franchising is one of the major engines of business expansion and job creation globally The Handbook of Research on Franchising offers new insights into entrepreneurial behavior organizational forms regulation internationalization and other contemporary issues relating to this dynamic business strategy The Handbook challenges both practitioners and scholars to give attention to the conclusions of scholarly research on this business model Practitioners can benefit from the results of high quality scientific research and scholars can find exciting opportunities for contributing to the body of knowledge of a subject that has not received sufficient attention in educational institutions **The FTC's Franchise**

**Rule** United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Commerce, Trade, and Consumer Protection,2002 Franchise Times ,2001 **The Law and Regulation of Franchising in the EU** Mark

Abell,2013 Mark Abell s book argues that the European franchising market fails to reach its potential as it remains unregulated He supports this by analysing the historical legal and economic basics and risk attraction profiles of franchising to franchisors and franchisee compares the European situation to the highly developed regulatory regimes in the USA and Australia and moves through to proposing and drafting a new EU directive to bring greater certainty and stability to cross border franchising in the EU Comprehensively researched and very detailed this book is a worthy contribution to the

literature on the subject Graham Cunningham Barrister Hardwicke Key features of this detailed and insightful work include Practical analysis from a leading authority in the field of franchising Examination of the impact of both franchise specific and general commercial law upon use of franchising in the EU Comparative legal analysis of the law of England Germany France the US and Australia Carefully constructed proposals for a franchise directive in the EU based on the vast experience of the author A draft text for the proposed directive The Law and Regulation of Franchising in the EU provides an in depth analysis of the regulatory environment for franchising in the EU Franchising in the EU comprises nearly 10 000 franchised brands and over 215 billion US 300 billion turnover per annum However compared to its scale in the US and Australia franchising is not realising its full potential in the EU and the author points to the lack of homogeneity across members states as a large part of the problem The book concludes by arguing for the adoption of a draft directive and proposes a draft directive which promotes market confidence in franchising provides pre contractual hygiene and imposes a mandatory taxonomy of rights and obligations This highly topical and comprehensive work will appeal to franchise lawyers and franchise academics as this is the first book that analyses the impact of EU and member state law upon the use of franchising in the EU *The James Bond Film Guide* Will Lawrence, 2021-12-14 Celebrating 60 years of James Bond films The essential guide to all 25 Bond adventures including No Time to Die starring Daniel Craig The James Bond Film Guide has it all facts on the stories characters vehicles gadgets and locations of each 007 movie This authorized guide takes fans through six decades of one of the entertainment industry s greatest most enduring film franchises ever and it boasts nearly 1 000 photographs posters and movie images from the filmmakers extensive archives 007 expert Will Lawrence author of Blood Sweat and Bond Behind the Scenes of Spectre delivers an indispensable guide to what happened in which film and when providing everything new and longtime fans alike could ever want to know about the world of James Bond That phenomenal world has been at the center of EON Productions iconic film franchise the long running big screen series in history since the release of Dr No in 1962 and continuing later this year with No Time to Die
