is a Book That Will Set You Free For many years we have believed that those truly hungry for the Lord Jesus would simply come into our church buildings We have forgotten that Jesus shined among those who needed Him most by being among those who need Him most Now we know The Holy Spirit is sending us into the darkest places of the earth where humanity is in its most desperate state It is here that His light shines the brightest and the response will be the most powerful You are about to discover some amazing things about God s will for you God fully intends that you be part of the next great in gathering of souls You are on the brink of a mighty manifestation of His Presence in your life You do not have to be a preacher to do God s will and to be the Light of the world When you respond to the leading of the Holy Spirit signs and wonders follow You will learn how to apply supernatural gifts in a practical manner     Ultimate Things Greg Carey,2012-11-09 Carey presents an introduction to the elements of apocalyptic discourse in the Hebrew Bible the intertestamental texts of the Apocrypha and Pseudepigrapha and the Jewish and Christian apocalyptic texts He seeks to help modern readers perplexed by the rampant and somewhat outrageous depiction and interpretation of apocalyptic literature to see apocalyptic discourse as a flexible set of resources that early Jews and Christians could employ for a variety of persuasive tasks Carey examines each of the literary works that exhibit apocalyptic discourse He briefly introduces the date and language of each text and shows its basic contents Then he examines the particular topics and purposes of the work Carey concludes by showing a way to read the particular example of apocalyptic discourse as a whole in its own setting with its own purposes Carey invokes discourse as a category of study in an attempt to bring together the literary ideological and social dimensions of apocalyptic language He sees the genius of apocalyptic discourse in its ability to bring its audience into otherwise inaccessible mysteries concerning the future and the heavenly realms As theology apocalyptic discourse engages life s greatest questions the nature of God the desire for justice and the frustrations of human finitude As poetry it expresses the theological imagination in vivid symbols and conventional literary forms     *Apples of Gold in Pictures of Silver* Dave Herr,2023-10-24 Maybe some people study prophecy for the thrill of the sensational like adrenaline addicts chasing the next sky dive rush Certainly promises given hundreds or thousands of years before their fulfillments are remarkable However sensationalism is not the intended purpose And some people may think that prophecy is an ancillary nonessential part of theology But the premise of this book is that God given prophecy has a far more profound purpose than sensationalism and plays an essential inseparable part in the gospel message Now if faith in Christ is all that is necessary for salvation why is prophecy essential The angel messenger who gave the Revelation to John answered that question The angel told John These are the true sayings of God Then John fell at the feet of the angel to worship him The angel responded See you do it not for I am your fellow servant and of your brethren who have the testimony of Jesus Worship God for the testimony of Jesus is the spirit of prophecy Rev 19 10 The angel explained that all prophecy connects to Jesus Intrinsic to Jesus is prophecy as is all scripture That which predicts or speaks of His divine and human nature His life and miracles His death and resurrection and

His earthly and heavenly kingdom are all interconnected they are all a part of His story His testimony His person Therefore Christ is the unspoken basis for this specific blessing given to readers of the Revelation Blessed are they that read and hear the words of this prophecy and keep those things which are written in it for the time is at hand Rev 1 3 Though there is rich reward in every book of the Bible no other gives the aforementioned promise of blessing     *The Church School Journal* ,1877     Living in the World Theodore Ihejieta,2018-06-21 Living in the World By Theodore Ihejieta Living in the World is a book of love and life called circle of positive energy and energy of sunlight The book is a book of Planet Earth because the living planet gave sunlight energy to the author of living in the world The author is a human being who did not like the way human beings were suffering in the world and thought that he needed to do something in order to improve the standard of living in the world Author Theodore Ihejieta was born into a Christian family who believed in God and trusted God to protect them from evil and death Death killed the author s father which made him stop trusting God Death killed the immediate junior brother of the author and made him declare war against God The author read many religious books and discovered that human beings did not know God because human beings did not have the intention to know God Ihejieta wants to know God and succeeds in knowing God because God showed Himself to him when he started questioning the integrity of God Living in the World is a healing book for human beings to absorb and chase death away because living in the world destroys the fear of God and the devil of God in human beings
