Bonnard And The Nabis My Word And My Thought Into Your Hand:

The Spiritual Dynamic in Modern Art C. Spretnak, 2014-10-22 This book demonstrates that numerous prominent artists in every period of the modern era were expressing spiritual interests when they created celebrated works of art This magisterial overview insightfully reveals the centrality of an often denied and misunderstood element in the cultural history of modern art Subject Guide to Books in Print, 1997 **Forthcoming Books** Rose Arny, 1997 The Nabis and the Parisian Avant-garde Elizabeth Prelinger, Jane Voorhees Zimmerli Art Museum, 1988 The Woman Who Fell in Love for a Week Fiona Walker, 2015-01-08 Dive into a summer of surprises Jenny loves to house sit looking after a stranger's perfect home and pretending to be someone else just for a bit Her latest booking is a beautiful rambling country house owned by the glamorous Lewis family Freed of teaching duties for the summer Jenny plans to do nothing more challenging than walk the family's badly behaved dog and laze by the pool Her idyll is disrupted by skeletons in the Lewis closet Stumbling across hidden messages and passionate secrets Jenny finds herself exposing far more than just home truths She uncovers a seductive second chance to open herself up to love again and to finally live life on her own terms *Aspects of Modern Art* Cail (Gallery), 1955 **Aspects of modern art**, 1957 The Selective Eye Georges Bernier, Rosamond Bernier, 1957

Aspects of Modern Art L'Oeil, 1957 **The Post-impressionists** Martha Kapos, 1993 In 1910 the critic Roger Fry organized an exhibition at the Grafton Galleries London of avant garde painting which included works by Cezanne Van Gogh Gauguin and Matisse This exhibition became as important a landmark in the official histories of modern art as the subsequent Armory Show in America These artists did not belong to a single unified movement defined or recognized at the time and Fry in a quandary as to what to call the exhibition and losing patience at the last minute said Oh let's just call them Post Impressionists at any rate they came after the Impressionists In this way one of the important critical categories one of the isms of modern art was born But Post Impressionism was not a name which Van Gogh Gauguin Seurat or Cezanne or any artists of the period would have applied to themselves The documents in this book many of which appear in English for the first time show how artists and critics in the aftermath of Impressionism did describe themselves how they responded to tradition to each other and to the kaleidoscope of the contemporary scene This was a period of reconsideration of moving on from aspects of Impressionism and of coming to grips with the isolation that avant garde art had imposed on the individual artist It was a period in which the emphasis within Impressionism on the construction of painting purely by means of color had left artists with the question of how the power of this basic form related to their own feelings and to nature New ideas were coming from poetry as well as painting that laid the basis for modernism These issues and the personal struggles of the artists themselves are revealed in their letters and in the writings of friends and critics many of whom such as Mallarmé Laforgue Huysmans and Proust were novelists and poets This book also includes commentaries from Rainer Maria Rilke Virginia Woolf and W H Auden as well as modern critics artists philosophers and art historians Georges Bataille Paul Klee

and Meyer Schapiro on Van Gogh John Berger on Bonnard Maurice Merleau Ponty Clement Greenberg Adrian Stokes and Lawrence Gowing on Cezanne The text is illustrated with 119 colorplates and 125 black and white reproductions of contemporary photographs cartoons documents prints and drawings **The Impressionists and Their Legacy** Martha Kapos,1995 The documents in this book letters and recorded comments by the artists themselves as well as selections by notable contemporaries including Baudelaire Zola Valery Mallarme Huysman Laforgue and Proust show how artists and critics during and in the aftermath of Impressionism did describe themselves how they responded to tradition to each other and to the kaleidoscope of the contemporary scene The ever expanding interpretation of Impressionism and its legacy within the changing world of twentieth century art and art criticism is examined through the writings of artists such as Leger Kandinsky Masson Matisse Bataille Klee and Hofmann as well as recent critics philosophers and art historians Accompanying the texts are 235 color plates of Impressionist and Post Impressionist masterpieces and 242 black and white reproductions of historical photographs original documents contemporary cartoons prints and drawings Jacket flap **The Nation** ,1971
