McGuinness,2024-09-19 In the 1978 horror film classic Halloween little Tommy Doyle asks his babysitter Laurie Strode what is the Boogeyman This book answers this question by assessing the qualities that create the Boogeyman persona in Western popular culture particularly in the fairytale and the modern horror film Using an archetypal approach derived from the work of Carl Jung and his successors Erich Neumann and Edgar Herzog the book assesses the figure of the Boogeyman through an interdisciplinary lens that incorporates research from the fields of psychology philosophy and film studies The book begins with an examination of the key traits associated with Bluebeard a quintessential example of the folkloric Boogeyman featured in Charles Perrault s 1697 collection of fairytales Through an intense comparative analysis it highlights the presence of similar qualities in the popular villains from the contemporary American slasher movies of the 1970s and 80s Specifically these characters include Michael Myers from Halloween 1978 Jason Voorhees of Friday the 13th 1980 and Freddy Krueger featured in A Nightmare on Elm Street 1984 This examination situates these terrifying antagonists within a larger context of monstrosity and simultaneously establishes their role as cinematic manifestations of the folkloric Boogeyman

populations to call them Coons Each of my former slave characters crisscrossed each other with their new insecurities Some experienced unexpected tragedy Their release from bondage even caused pain fear resentment and anger Some of my fictional characters are named Master Hind Turpin Old Gus Charley Boy Sallie Mae Indian Ike Boogeyman and Mo The roles they portray and the emotional reactions of the characters are unpredicted as they crisscrossed each other s paths Their crisscrossing led them to new paths of unfamiliar worlds and surprising adventures As the former slaves crisscrossed each other s paths they discovered hidden relationships that were never talked about They also had some unexpected predicaments that created anxieties some that will sadden them and some that will also brighten their days to give rise and hope for adventurous tomorrows I invite you to read join and share the emotions of my characters who crisscrossed each other s paths as they sought ways to deal with the new challenges that each day presented
