processed food to aromatherapy and transsexuality she gradually begins to have an unmistakable influence on the lives of her housemates But when a horrifying act of violence shakes the foundations of Mary Fred s fragile new family she finds herself forced to confront painfully the very nature of the way she was raised With a knack for laying bare the absurdities of daily life Abby Bardi captures with grace and authority all the ambivalence and emotional uncertainty at the heart of these quirky characters awakenings *Maggie by the Book* ,2004-05-01 Coerced by Alexandre Drake one of her fictional characters who has become all too real to attend a writer s conference author Maggie Kelly is faced with murderous fanatics backstabbing colleagues and NYPD Lieutenant Steve Wendell Reprint *The Book of Cthulhu 2* Ross Lockhart,2012-10-01 Last year Night Shade Books unleashed The Book of Cthulhu onto an unsuspecting world Critically acclaimed as the ultimate Cthulhu anthology and a must read for fans of Lovecraft s Cthulhu mythos The Book of Cthulhu went where no collection of mythos tales had gone before to the very edge of madness and beyond For nearly a century H P Lovecraft s tales of malevolent Great Old Ones existing beyond the dimensions of this world beyond the borders of sanity have captured and held the imaginations of writers and aficionados of the dark the macabre the fantastic and the horrible Now because you demanded more anthologist Ross E Lockhart has risked all to dive back into the Cthulhu canon combing through mind shattering manuscripts and moldering tomes to bring you The Book of Cthulhu 2 with even more tales of tentacles terror and madness Featuring monstrous stories by many of weird fiction s brightest lights The Book of Cthulhu 2 brings you even more tales inspired by H P Lovecraft s greatest creation The Cthulhu mythos This year the stars are right I I Cthulhu Fhtagn **The Book Club Killer** Ross Greenwood,2025-11-05 A new edge of your seat DI Barton thriller from bestselling author Ross Greenwood The next chapter could be your last The annual December gathering of the local book club is usually a relaxed affair a chance for old acquaintances to catch up But this year the convivial evening takes a sinister turn Detective Inspector Barton is called to investigate and quickly uncovers a web of dark secrets and long held resentments hidden beneath the club s friendly facade When murder is confirmed Barton finds himself in a race against time to unmask the killer before they strike again But with every clue he uncovers the truth becomes more twisted than he could ever have imagined In a group where everyone knows everyone trust is a dangerous game and this cold blooded killer is ready to fool them all Barton is Back Ross Greenwood returns to his bestselling series perfect for fans of Mark Billingham and Ian Rankin Readers love Inspector Barton I ve devoured these books I love a main character especially a police man who is devoted and loves his wife You don t get that much anymore in books and media Brilliant author brilliant character and brilliant storyline Another great read from Ross Greenwood Love the DI Barton series Another page turner and keeps you guessing until the end What another amazing addictive can t put it down book The twists and turns kept me guessing who was guilty who I had the most sympathy for who I wanted next on Santa s list and who would have a happy ending who else would be next I fell in love with Barton s character he s the kind of guy I d go for a night on the town with I ve thoroughly enjoyed this series and loved all the

Stylish Transient: A Novel DJ Rankin,2024-03-18 Above and below and across dimensions there exists a book beyond the words made up to make up its innermost composition This is not that book This is but a novel attempt to confound the mind into stepping out of the way of something far greater than itself Which again is not this book A tangle of words strung together in every direction can only ever be a pointer to the greatest mystery of existence past the page Now that s starting to sound like this book A hodgepodge of mishmash that spins a web of brilliant nonsense until it flips itself upside down and spills out the tea leaves of his rebrewed coffee cup He of course has even less idea what he s talking about than you do which is why I m here so take it from me you re gonna love this thing Amazing A meta nonfictional self awareness run amok with twist after twist of twisted inside outness Thought provoking inspiring full of engaging characters doing interesting things a good primer on the positive side of chosen homelessness and pop up community direct action protest and disaster relief alternative building methods reservation life vagabond cuisine and tons of sincerely comedic banter A spiritual manifesto as the author uses dialog to wax philosophically while clever wordplay and lyrical phrasing polishes the prose I can t seem to put my review into words because these words are so far beyond the way language is normally used My favorite quality of philosophy is the ah ha moment when something has been put into words that I ve always felt and known as truth The author s writing philosophy in a way I ve never read it before in a way it s never been told that I know of When I was a kid I read to escape reality The way I was being taught to understand the world left me feeling overwhelmed so I would delve into the fantasy worlds of the books and become completely absorbed into the lives of the characters as I attempted to forget my own This book on the other hand This book helps you to remember Remember the true nature of life remember your own true nature Remember your power and your inherent connection to this awe inducing world Remember what it means to truly be free I liked it
