

Blow for blow, blood for blood, a heart-thundering account of the outbreak of the Nez Perce War, by America's bestselling historical frontier novelist.

With gripping, authentic detail, **CRIES FROM THE EARTH** chronicles the lives of courageous men and women engaged in an ongoing chain of bloody skirmishes—another breathtaking ride through a Western frontier rife with brutal conflict and astounding bravery.

But for a few hold-outs, there's no room for compromise. Their history, their heritage and their ancestors are buried beneath that land. Although severely outnumbered and outgunned, a few brave warriors will heed the call of...

CRIES FROM THE EARTH

"The author's attention to detail and authenticity, coupled with his ability to spin a darned good yarn, makes it easy to see why Johnston is today's best-selling frontier novelist. He's one of a handful that truly knows the territory."

History of Tom Jones Henry Fielding, 2015-12-03 Notwithstanding your constant refusal when I have asked leave to prefix your name to this dedication I must still insist on my right to desire your protection of this work To you Sir it is owing that this history was ever begun It was by your desire that I first thought of such a composition So many years have since past that you may have perhaps forgotten this circumstance but your desires are to me in the nature of commands and the impression of them is never to be erased from my memory Again Sir without your assistance this history had never been

completed Be not startled at the assertion I do not intend to draw on you the suspicion of being a romance writer I mean no more than that I partly owe to you my existence during great part of the time which I have employed in composing it another matter which it may be necessary to remind you of since there are certain actions of which you are apt to be extremely forgetful but of these I hope I shall always have a better memory than yourself Lastly It is owing to you that the history appears what it now is If there be in this work as some have been pleased to say a stronger picture of a truly benevolent mind than is to be found in any other who that knows you and a particular acquaintance of yours will doubt whence that benevolence hath been copied The world will not I believe make me the compliment of thinking I took it from myself I care not this they shall own that the two persons from whom I have taken it that is to say two of the best and worthiest men in the world are strongly and zealously my friends I might be contented with this and yet my vanity will add a third to the number and him one of the greatest and noblest not only in his rank but in every public and private virtue But here whilst my gratitude for the princely benefactions of the Duke of Bedford bursts from my heart you must forgive my reminding you that it was you who first recommended me to the notice of my benefactor

History of Tom Jones, a Foundling Henry Fielding, 2016-08-30 First published on 28 February 1749 in London Tom Jones is among the earliest English prose works describable as a novel and is the earliest novel mentioned by W Somerset Maugham in his 1948 book *Great Novelists and Their Novels* among the ten best novels of the world Totaling 346 747 words it is divided into 18 smaller books each preceded by a discursive chapter often on topics unrelated to the book itself It is dedicated to George Lyttleton Though lengthy the novel is highly organised S T Coleridge argued that it has one of the three most perfect plots ever planned Although critic Samuel Johnson took exception to Fielding's robust distinctions between right and wrong the novel was received with enthusiasm by the general public of the time Tom Jones is generally regarded as Fielding's greatest book and as a very influential English novel
