## **Book Of Historical Recipes:**

**A Book of Historical Recipes** Sara Paston-Williams,1995      Georgia's Historical Recipes Valerie J. Frey,2025-05-01  
Georgia's Historical Recipes is an exploration of our state's oldest recipes from the antebellum period through World War II as painstakingly researched by Georgia archivist Valerie J. Frey. This volume begins with a discussion of old recipes as primary sources and what they can tell us about the history and culture of their era and how to bring them to life in modern kitchens. Frey then moves into fifty sections that can be read alone yet allow readers to build an understanding of how foodways evolved over time. Some sections highlight a single recipe illustrating how changes in technology, agriculture, transportation, communication, and social patterns led to changes in Georgia kitchens. Most of the recipes are previously unpublished, waiting in archives to be rediscovered. Other sections explore our oldest cookbooks, offering biographical and cultural background information that makes them more meaningful. For the first time, Georgians have a list of the state's early cookbooks and its cooking experts. Readers will learn where to find Georgia's oldest recipes and discover many examples to whet their appetites literally and figuratively for a taste of Georgia's past.

**Menus from History: Historic Meals and Recipes for Every Day of the Year** offers a fascinating exploration of dining history through historic menus from more than 35 countries. Ranging from discussion of a Roman banquet in A.D. 70 to a meal for former South African President Nelson Mandela in the 1990s, the menus offer students and general readers a thoroughly delightful way to learn more about events and the cultures in which they occurred. Royal feasts, soldier grub, shipboard and spaceship meals, and state dinners are just some of the occasions discussed. Arranged chronologically, each entry covers a day of the year and provides a menu from a significant meal that took place. An entry begins with the name, location, and date of the event, plus a brief explanation of its significance. Next comes the menu, followed by an analysis and, where possible, several recipes from the menu.
