Does It Really Say That in the Bible? Katie Hoyt McNabb,2014-07-30 What if there was a book that dealt with humanity's most pressing questions What is the meaning of life Is there a God and what does the Deity think about us The good news is that there is such a book the bad news is that it's the Bible How is that bad news The Bible is just not that easy to read Yet what if you had help Does It Really Say That in the Bible will teach you how to explore the Bible and find out for yourself what it says Did God Really Say That? Harold A. Lerch, Sr.,Harold Lerch,2002-07 **What the Bible Really Says?** Thomas A. Howe,2009-01-01 The study of the End Times has been a popular topic for many years and there are many different positions that are proposed on how to understand the unfolding of God's program The debate over the End Times has often been heated and has failed to showcase the best that Christian scholarship has to offer It sometimes seems like everyone wants to get in on the action and anyone who has an audience can and has put together his thoughts and made his opinions known through the printed page Anyone can publish his views regardless of the level of competency in the original languages his level of hermeneutic ability or his understanding of history or theology In his book *The Apocalypse Code* Hank Hanegraaff declares that his goal is to put hermeneutical tools into your hands so that you can draw from Scripture what God intends you to understand rather than uncritically accepting end time models that may well be foreign to the text It would be extremely helpful for someone to equip readers to be able to make their way through the maze of views What the Bible Really Says is a point by point analysis of the arguments of Hank Hanegraaff concerning end times prophecy This book is not an effort to promote one eschatological perspective over another Rather it is an analysis of Hanegraaff's arguments and claims in order to discover whether or not he has succeeded in putting hermeneutical tools into the hands of his readers or whether he has simply added his voice and his opinions to the cacophony of claims and counterclaims *What Did Jesus Really Say?* Mish'al ibn Abdullah Al-Kadhi, *Revelation's Great Love Story* Larry L. Lichtenwalter,2008 The Book of Revelation The Apocalypse Words that often call to mind bizarre creatures strange seals dreadful plagues and a slew of other mystifying symbols Most of us approach this last book of the Bible with forebodings rather than hope To us John's vision seems more like a nightmare But the elderly apostle begins with a statement that doesn't seem to fit the rest of the book The revelation of Jesus Christ Apparently he intends to unveil something tremendously important about Jesus Something life changing Something we can't afford to miss Larry Lichtenwalter explores a side of Revelation seldom portrayed Christ's passionate love for humanity This recurring theme subtly appears in the imagery and symbolism throughout John's vision The slain Lamb The divine protective sealing The blood bleached white robes The heart wrenching prayer of the saints Without Christ's love these scenes and symbols would mean nothing Ultimately John's vision reveals the extraordinary love of our Savior for His rebellious undeserving children and the incredible reasons we can love Him in return What The Bible Really Says About That...! Robert L. Kramer,2008-05 ARE YOU SURE YOU KNOW What the Bible really says about some of the most

Did God Really Say That? Dr. Rod Butterworth,2010-04-26 Have you ever wondered as a Christian whether Adam and Eve really were the first two humans living Or where did Cain get his wife Is the earth really 4.6 billion years old Are humans related to apes Why is there death in the world Was Noah's Flood worldwide Where did languages come from What about cave men What about distant starlight Did Jesus really rise from the dead This book will give you the answers to these

questions Written in a down to earth style that bridges the gap between the academic and the popular you will find it very readable and enjoyable      **"The Story of the Beginning" - an Alternate Biblical History** Richard Hayes,2017-03-24 This story is about the story of the beginning the story of creation as reinterpreted in the Biblical books of Genesis and Revelation of the King James Bible It is a story of the impact of a comet and the destruction of the Earth followed by the creation of all life by LORD God Elomiyim and His 144 000 angels which He then places into the Garden of Eden This is followed by the creation of man the fall of man and the story of the children of man and the children of God up to and including the story of Noah      **Armageddon** Bart D. Ehrman,2024-03-19 A humane thoughtful and intelligent The New York Times Book Review bestselling Biblical scholar reveals why our popular understanding of the Apocalypse is all wrong and why that matters You ll find nearly everything the Bible says about the end in the Book of Revelation a mystifying prophecy filled with bizarre symbolism violent imagery mangled syntax confounding contradictions and very firm ideas about the horrors that await us all But no matter what you think Revelation reveals whether you read it as a literal description of what will soon come to pass interpret it as a metaphorical expression of hope for those suffering now or only recognize its highlights from pop culture you re almost certainly wrong In Armageddon acclaimed New Testament authority Bart D Ehrman delves into the most misunderstood and possibly most dangerous book of the Bible on a vigilantly persuasive The Washington Post tour through three millennia of Judeo Christian thinking about how our world will end With wit and verve he explores the alarming social and political consequences of expecting an imminent apocalypse considers whether the message of Revelation may be at odds with the teachings of Jesus and offers inspiring insight into how to live in the face of an uncertain future By turns hilarious moving troubling and provocative Armageddon is nothing short of revelatory in its account of what the Bible really says about the end      **Are Christians Just Saved Sinners?** Ron Craig,2012-08-30 Although my first four books deal with various controversial issues in the church today the substance of this book strikes at the very heart of some central doctrines held dear by many modern believers Just because certain beliefs have survived for centuries in church dogma and theological textbooks that is no guarantee that such doctrines are biblical I appealed to more than 900 different Scripture passages in this work to both expose those doctrinal errors and to reveal the truth regarding some essential biblical realities I do hope the reader will set aside all religious prejudices and honestly consider this straightforward presentation of what God actually says about such matters      *The Eclectic Review* Samuel Greatheed, Daniel Parken, Theophilus Williams, Josiah Conder, Thomas Price, Jonathan Edwards Ryland, Edwin Paxton Hood, 1852      **The Christian Observer** ,1853      *The True Latter-Day-Saints' Herald* ,1875      *True Latter-Day Saints' Herald* ,1872 The family magazine of the Reorganized Church of Jesus Christ of Latter Day Saints      **The Eclipse of Faith, Or, A Visit to a Religious Sceptic** Henry Rogers,1853      **The Eclipse of Faith** Henry Rogers,1854      **The Eclipse of faith; or a visit to a religions sceptic** ,1853      **The Eclipse of Faith; Or, a Visit to a Religious Sceptic.
