Andrews, 1994 Amulets were first made in Egypt as early as 4000 BC and became essential adornments for both the living and the dead They were believed to endow the wearer by magical means with the properties they represent An amuletic foot for example could be worn to ensure fleetness of foot while the scarab beetle represented the new born sun and was the symbol of new life Amulets in the image of powerful gods would be worn for protection and malevolent creatures like the male hippopotamus would be worn to ward off the evil they represented **How to Make and Use Talismans** Orry

Whitehand, 2015-03-01 A talisman is an object which can be carried or worn which is decorated with symbols and words focused towards a certain purpose and which has been magically charged so that it will continually exert a magical influence until that purpose has been brought to pass A talisman is usually designed to achieve a single specific goal such as gaining a new job or being successful in a court case An amulet is intended for long term use exerting a sustained influence for an indefinite period of time It may be to attract good luck for example or to offer permanent protection against malicious forces or disease But the actual process of designing creating and charging the two categories is identical so this booklet covers both purposes This booklet will provide the full practical knowledge to create and charge a talisman or amulet for any purpose and will provide basic symbolic suggestions for doing so that are universally applicable The following matters are explored and explained thoroughly What materials should a talisman be made from What words and symbols should be inscribed upon it Some sample talismans How to charge the finished talisman What to do when the talisman has fulfilled its purpose Readers will find a complete set of instructions on the practice of successful talismanic magic in this booklet **The Talisman Magick Workbook** Kala Pajeon, Ketz Pajeon, 1992 **The Book of Charms and Talismans with Numerous**
