Book About Jesus:

Jesus: A Very Short Introduction Richard Bauckham, 2011-07-28 Bauckham shows that Jesus was devoted to the God of Israel with a special focus on God's fatherly love and compassion and like every Jewish teacher he expounded the Torah but did so in his own distinctive way

Book of Jesus The Jesus Books, 2014-12 Almost the whole of the New Testament is devoted not to the portrayal of the significant and inspiring religious life of Jesus but to a discussion of Paul's religious experience and to a portrayal of his personal religious convictions The New Testament is a superb Christian document but it is only meagerly Jesusonian One of the most important things in human living is to find out what Jesus believed to discover his ideals

Jesus Christ Joshua Roy Porter, 1999 Illuminating the life of Jesus his historical context his religious teachings and the changing perceptions of him over the centuries this lavishly illustrated volume offers one of the most comprehensive and authoritative accounts available of this great and charismatic man Featuring some 180 illustrations including 20 full color maps and numerous boxed and sidebar features that shed light on interesting facets of the story Jesus Christ paints a vivid portrait of Christ's life from the Nativity to the Ascension Drawing on the Gospels and other evidence J R Porter disentangles many of the mysteries and confusions surrounding the life of the historical Jesus such as the role of women in his career and the political issues surrounding his trial and paints a detailed background portrait of all aspects of society in first century Palestine from the fishing communities of Lake Galilee to life under Roman rule Porter also explores the teachings of Christ looking at his use of parable his view of Hebrew Scriptures his attitude toward the law and his thinking about the Kingdom of God The book assesses the many interpretations of Christ through the ages from his immediate impact on the early Church to the changing image of Jesus in art and illustration to his perceived role as apocalyptic preacher revolutionary mystic and prophet A marvelous gift at Easter time or for a child's confirmation this attractive informative volume gives us an inspiring portrait of one of the most complex figures in world history

The Life J. John, Chris Walley, 2004 A fresh one stop book on Jesus looking at the evidence for him at what he did and at how he can affect our lives today There is no denying the importance of Jesus Christ in the history of humankind He has walked through the last two thousand years of history of empires governments political systems and philosophies and has remained as a dominant challenging yet mysterious presence In *The Life* J John and Chris Walley achieve an uncommon blend a serious book for popular use and a popular book for serious reading Evangelism in order to invite people to come to Jesus we need to know who he is Education this book attempts to counter some of the modern misconceptions about Jesus i e that he was just another prophet guru Many recent books written on Jesus separate the Jesus of History and the Christ of Faith *The Life* demonstrates how the two are inextricably linked
