Footsteps Rick Blanchard, 2014-12-01 This book recounts the remarkable life of Roy Peck a quintessential yet extraordinary Canadian Born into an austere rural situation he stuck by home and family through tough times and discovered the fun of living and the benefits of choosing well He received Canada's and Quebec's top honours for his chosen genres in the shooting sports of target archery and rifle The young athletes of the Northeast Pontiac and Central Gatineau nicknamed him The Chief for his winning ways as their coach and mentor and they still call him The Chief And anyone who hired him as their carpenter or builder will testify that all his doors still work very well **The Big Book of Canadian Trivia** Mark Kearney, Randy Ray, 2009-04-27 Here in one big book is all the trivia and facts about Canada anyone needs to know The Big Book is jam

of Canadian Humour Allan Gould, 1992 **Fascinating Canada** John Robert Colombo, 2011-05-27 Few people have read as widely in the field of Canadiana as has John Robert Colombo. The curiosity of this Toronto writer, editor, and anthologist knows few if any bounds when it comes to the lore, literature, history, culture, and character of Canada. He has an inquiring mind and he seems able to find national and even international twists to subjects of interest or importance. *Fascinating Canada*, his latest book, is the product of over half a century of research, reading, writing, and thinking. Some years ago the author produced a trilogy of question and answer books: *1 000 Questions about Canada*, *999 Questions about Canada*, and *1 000 Questions about Canada*. The first two were published by Doubleday Canada; the third one in 2001 by Dundurn Press. The same format is adapted to the material in the present book, but this time the majority of the questions are short, whereas a good many of the answers are quite long discussions of the subjects at hand. Concise questions followed by considered answers. Here is a book about the Canadian past, present, and future. The information in *Fascinating Canada* is organized under four headings: People, Places, Things, Ideas, and there is a detailed Index for ready reference. This book may serve as a work of popular reference, but it has been written to stimulate inquiry and spark the sense of surprise in the minds of readers who know something about this amazing country but perhaps not as much as the author. Open this book and begin to read and match wits with author and researcher John Robert Colombo. *Sport Bibliography*, 1981 *CM*, 1984
