Book Of Chronicles

Israel P. Loken

Book Of Chronicles:

The Books of Chronicles William Henry Bennett, 1894 *Tradition and Transformation in the Book of Chronicles* Pancratius Cornelis Beentjes, 2008 This monograph contributes to a better understanding of the Book of Chronicles The past forty years have seen a complete transformation in the study of the Book of Chronicles The former domination of Chronicles by parallel texts in the Books of Samuel and Kings made way for studying the historical sociological literary theological and ideological aspects of Chronicles in their own right This book document is now increasingly recognized as being of major interest to the Second Temple Period Reading the book of Chronicles it appears that the Chronicler is constantly transforming Israel's traditions into a new theological and ideological system In this study attention is therefore paid both to specific texts such as 1 Chronicles 17 21 2 Chronicles 20 26 and to particular central themes such as the special function of Jerusalem and the peculiar way of how the Chronicler presents prophets war narratives and genealogies

The Ideology of the Book of Chronicles and Its Place in Biblical Thought Sara Japhet, 2009-06-30 In the last several decades interest in the Exilic and Postexilic periods of ancient Israel's history has grown especially as this era has been recognized to be important for the formation of the Hebrew Bible One of the scholars at the forefront of interest in this period is Sara Japhet now Yehezkel Kaufmann Professor Emeritus in the Department of Bible at the Hebrew University of Jerusalem This volume which is based on Japhet's 1973 Ph D dissertation at the Hebrew University published in Hebrew in 1978 was first published in English in 1989 and rapidly was recognized as a major distillation of the themes underlying the ideology of the book of Chronicles The book of Chronicles written at the end of the fourth century B C E relates the history of Israel from its beginnings with the creation of man to the return from exile with the declaration of Cyrus The historical and theological points of departure of the Chronicler's description are to be found in the realities of his own day Through this historical composition he attempts to imbue with new meaning the two components of Israel's life the past which through its sublimation and transformation into a norm was in danger of becoming remote and irrelevant and the present which is granted full legitimization by demonstrating its continuity with this past The one is interpreted in terms of the other Japhet's study strives to reveal the Chronicler's views and perspectives on all the major issues of Israel's history and religion unveiling his role as a bridge between biblical and postbiblical faith The book has been out of print for a number of years this edition which has been completely retypeset so that it is more readable makes an important contribution to the growing body of literature that explores the development of Israelite religion during the time of the formation of the Hebrew Scriptures Japhet's ground breaking work continues to make a lasting contribution to our understanding of the historical and theological position of the Chronicler

Commentary on the Book of Chronicles Stephen Langton, 1978 **I And II Chronicles** Sara Japhet, 1993-11-01 This volume a part of the Old Testament Library series explores the books of I and II Chronicles The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through

commentaries and general surveys The contributors are scholars of international standing

The Old Testament Historical Books Israel P. Loken, 2008-05 Provides a discussion of introductory matters such as authorship date historical background purpose structure and outline of the historical books of the Old Testament I and II Chronicles J. G. MacConville, 1984-01-01 Taking a look at the setting form and content of I and II Chronicles J G McConville describes how these two often neglected books present God's purpose for his people at a crucial time in their history the period of restoration after the Exile Carrying forward brilliantly the pattern established by Barclay's New Testament series the Daily Study Bible has been extended to cover the entire Old Testament as well Invaluable for individual devotional study for group discussion and for classroom use the Daily Study Bible provides a useful reliable and eminently readable way to discover what the Scriptures were saying then and what God is saying today

The Chronicles of the Kings of Judah Yigal Levin, 2017-02-23 The book of Chronicles the last book of the Hebrew Bible and a central historical book of the Christian Old Testament has in recent decades gone from being the Cinderella of biblical studies to being one of the most researched books of the Bible The anonymous author often simply called the Chronicler by modern scholars looks back at the old Israelite monarchy before the Babylonian Exile from his vantage point in the post exilic early Second Temple Period and attempts to update the older historiographies of Samuel and Kings in order to elucidate their meaning to the people of his own time In The Chronicles of the Kings of Judah Yigal Levin does the same for the modern reader He offers a brand new translation and commentary on 2 Chronicles chapters 10-36 tracing the sacred history of the monarchy from the division of Solomon's kingdom to the final exile and return Each chapter is translated from the original Hebrew into an English that is both faithful to the original and easy for the modern reader to follow Extensive footnotes provide full explanations of the translator's choices and of linguistic and literary issues taking note of alternative versions offered by a wide array of ancient and modern versions and translations The comprehensive commentary on each section provides historical background and explains the text both on a literary and a historical level making full use of the most up to date research on the text literature history geography and on the archaeological background of the biblical world The Chronicles of the Kings of Judah is to be followed by The Chronicles of David and Solomon on 1 Chronicles 10-2 Chronicles 9 and then by The Chronicles of All Israel on the genealogies of 1 Chronicles 1-9 and including comprehensive essays on the book of Chronicles its time purposes methods and meanings

Book by Book, 1896 A Critical and Exegetical Commentary on the Books of Chronicles Edward Lewis Curtis, Albert Alonzo Madsen, 1910 This commentary on the Old Testament books of First and Second Chronicles is part of the International Critical Commentary series

The Pathway Through Bible & Gospel History in Questions and Answers Ebenezer Cobham Brewer, 1874 Standard Works, 1835 The Holy Bible, 1876 **An Introduction to the Old Testament** Friedrich Bleek, Johannes Friedrich Bleek, 1869 Workbook for Lectors (2008-RNAB) & Gospel Readers Year A James L. Weaver, 2007-07-27 The Oxford Encyclopedia of the Books of the Bible Michael D. Coogan, 2011-12-08 The field

of biblical studies is dynamic with new discoveries new methodologies and new perspectives continually enhancing the interpretation of the Bible There is thus a need for an up to date comprehensive authoritative and balanced series of reference works for biblical scholars and students The two volume Oxford Encyclopedia of the Books of the Bible is the first in this series of specialized reference works each addressing a specific subfield within biblical studies The series aims to produce high level scholarly reference works that are accessible and in depth going beyond the basics to provide more specialized coverage Books of the Bible provides a single source for authoritative reference overviews of scholarship on some of the most important topics of study in the field of biblical studies The Encyclopedia contains almost 120 in depth entries ranging in length from 500 to 10 000 words on each of the canonical books of the Bible major apocryphal books of the New and Old Testaments important noncanonical texts and thematic essays on topics such as canonicity textual criticism and translation Books of the Bible has extensive cross references to other useful points of interest within the Encyclopedia and comprehensive lists of abbreviations and an index for ease of use Illustrations of various types supplement the text and enhance its appeal Bibliographies for all entries further add to its usefulness

1 and 2 Chronicles Andrew E. Hill, 2010-05-11 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written

An Introduction to the Old Testament. By Johannes Bleek. Edited by Adolf Kamphausen [or Rather, by F. Bleek, and Edited by J. F. Bleek and A. Kamphausen]. Translated from the Second Edition ... by G. H. Venables, Esq. Edited by Rev. Edmund Venables Johannes Friedrich BLEEK, 1869 *The Encyclopaedia Britannica*, 1888 *An Introduction to the Books of the Old and New Testament* Adolph Schumann, 1849
