THE FIRST BOOK OF MOSES,  
CALLED

GENESIS.

CHAPTER I

IN the beginning God created  
the heaven and the earth.  
And the earth was without  
form, and void; and darkness  
was upon the face of the deep.  
And the Spirit of God moved  
upon the face of the waters.  
And God said, Let there be  
light: and there was light.  
And God saw the light, that  
it was good: and God divided  
the light from the darkness.  
And God called the light Day,  
and the darkness he called Night.  
And the evening and the morn-  
ing were the first day.  
And God said, Let there be  
a firmament in the midst of  
the waters, and let it divide the  
waters from the waters.  
And God made the firmament,  
and divided the waters  
which were under the firmament  
from the waters which were  
above the firmament: and it  
was so.  
And God called the firmament  
Heaven.

grass, and herb yielding seed  
after his kind, and the tree  
yielding fruit, whose seed was  
in itself, after his kind: and God  
saw that it was good.  
And the evening and the  
morning were the third day.  
And God said, Let there be  
lights in the firmament of the  
heaven to divide the day from  
the night; and let them be for  
signs, and for seasons, and for  
days, and years:  
And let them be for lights in  
the firmament of the heaven to  
give light upon the earth: and it  
was so.  
And God made two great  
lights; the greater light to rule  
the day, and the lesser light to  
rule the night: he made the  
sun, the moon, and the stars,  
and set them in the firmament  
of the heaven, to give light  
upon the earth: and it was so.  
And God called the sun Day,  
and the moon Night, and the  
stars, and he blessed them, and  
said, Be fruitful, and multiply,  
and fill the firmament of the  
heaven with them, and let them  
bring forth abundantly, upon  
the earth.

Are Those Your Real Feet? Mark Mahurin,2018-09-27 Are those your real feet The question assumes that one has been provided with the essential equipment for walking that is feet Although one's feet may not be the most beautiful part of the human anatomy their importance cannot be minimized since if I am to walk I need feet Walking implies that progress is to be expected and a goal is to be obtained and experienced The follower of Jesus must deal with the challenge of transparency and transformation How can I be real with God and recognize the areas in my life that require adjustment in order to align to His purpose and plan for my life If we are to reach the goal God has determined for each of us we must be willing to expose our hearts to Him and submit to the process He has designed to accomplish the needed transformation Jesus is the archetype the pattern to which all of us are to be conformed Every believer is on this journey toward Christlikeness Hopefully the observations in this book may assist you on your journey

Antichrist Osiris: the History of the Luciferian Conspiracy Chris Relitz,2012-06-01 The Legends of many cultures claim that the world was once destroyed in a cataclysmic flood Many cultures also claim that someday the world will again be destroyed in a similar fashion In the Bible we are told that the disciples once asked Jesus if there would be a warning sign prior to this destructive event He said that there would indeed a sign Jesus said that whatever was happening in the Days of Noah will happen again before the end of this age The Bible has only a few verses about Noah's Flood So we are forced to turn to the ancient flood legends of over 350 other cultures to learn more about this prophecy But Noah's days did not end with the flood he lived for many years afterward He saw the creation of a tower in Babylon This is interesting because the Freemasons claim that their Order originated here Here is the most thorough examination of Freemasonry ever undertaken using their own texts to solve the Days of Noah prophecy
