each of whom provides considered personal and sometimes controversial responses to individual books of the Bible be it Bono on Psalms AS Byatt on the Song of Solomon Louis de Berni res on Job or the Dalai Lama on the Epistles Israel Michael Gluzman, Naomi Seidman, 1996 Sixteen stories by known and unknown Israeli writers the purpose of which is to give the reader a feel for the country One story is on a confrontation between Arabs and Jews another on a dispute between religious and secular Jews Israeli Culture between the Two Intifadas Yaron Peleg, 2009-09-15 Over the past two decades profound changes in Israel opened its society to powerful outside forces and the dominance of global capitalism As a result the centrality of Zionism as an organizing ideology waned prompting expressions of anxiety in Israel about the coming of a post Zionist age The fears about the end of Zionism were quelled however by the Palestinian uprising in 2000 which spurred at least a partial return to more traditional perceptions of homeland Looking at Israeli literature of the late twentieth century Yaron Peleg shows how a young urban class of Israelis felt alienated from the Zionist values of their forebears and how they adopted a form of escapist romanticism as a defiant response that replaced traditional nationalism One of the first books in English to identify the end of the post Zionist era through inspired readings of Hebrew literature and popular media Israeli Culture between the Two Intifadas examines Israel s ambivalent relationship with Jewish nationalism at the end of the twentieth century **Encyclopaedia Judaica: Gos-Hep** Fred Skolnik, Michael Berenbaum, 2007 Provides an exhaustive and organized overview of Jewish life and knowledge from the Second Temple period to the contemporary State of Israel from Rabbinic to modern Yiddish literature from Kabbalah to Americana and from Zionism to the contribution of Jews to world cultures **Prodigal Daughters** Marion Rust, 2012-12-01 Susanna Rowson novelist actress playwright poet school founder and early national celebrity bears little resemblance to the title character in her most famous creation Charlotte Temple Yet this best selling novel has long been perceived as the prime exemplar of female passivity and subjugation in the early Republic Marion Rust disrupts this view by placing the novel in the context of Rowson s life and other writings Rust shows how an early form of American sentimentalism mediated the constantly shifting balance between autonomy and submission that is key to understanding both Rowson s work and the lives of early American women Rust proposes that Rowson found a wide female audience in the young Republic because she articulated meaningful female agency without sacrificing accountability to authority a particularly useful skill in a nation that idealized womanhood while denying women the most basic rights Rowson herself an expert at personal reinvention invited her readers theatrical audiences and students to value carefully crafted female self presentation as an instrument for the attainment of greater influence Prodigal Daughters demonstrates some of the ways in which literature and lived experience overlapped especially for women trying to find room for themselves in an increasingly hostile public arena *Signatures of Struggle* Oded Nir, 2018-09-26 Signatures of Struggle offers a unique perspective on Israeli literature bringing Marxist cultural critique to bear on a field from which it has hitherto been absent Oded Nir moves beyond the dominant interpretive horizon of Israeli literary criticism the relation of literature to

national ideology Rather than reproducing the usual narrative in which fiction resists the nation's goals Nir demonstrates how in each historical moment literary engagement with national ideology is a means to think through social tensions or contradictions internal to Israeli society to solve in imagination problems that threaten the social order Focusing on moments of transformation Nir argues that the 1950s crisis of realism was the result of the failure rather than the success of the collective transformative project of the haluzim the settler vanguard of Zionism In the 1980s the postmodern turn expressed a crisis of social imagination whose origin was the incorporation of Palestinians into the Israeli economy after the 1967 war Finally he shows that the ways in which history is imaginatively reworked in contemporary Israeli fiction can only be understood through the context of 1950s and 1980s literature Authors analyzed include Yigal Mossinsohn Nathan Shaham Hanoch Bartov Yehudit Hendel Orly Castel Bloom Yehudit Katzir David Grossman Yehoshua Kenaz and Batya Gur *The Zigzag Kid* David Grossman, 2014-02-13 A hijacked train whisks an imaginative young boy on an unforgettable adventure in which he makes discoveries about his own family's past and a wild woman who rescued his Israeli policeman father from a vat of chocolate An affecting tale of the triumph of hope over desperate circumstances Napoleon's upbeat colloquial style is extremely readable and the relationship between ZigZag and Singer is treated with as much depth of perception and sensitivity as that of John Steinbeck's Lenny and George Against a backdrop of the dregs of American society and the impotence of social welfare ZigZag is a modern day *Of Mice and Men* The Times **Israel** Anita Shapira, 2014-08-05 A history of Israel in the context of the modern Jewish experience and the history of the Middle East
